## About us ...

Kanaan Ministries was founded by Roly and Amanda Buys with one desire: RESTORATION ... the restoration of the Bride of Messiah, as well as equipping the saints with the tools needed to walk in victory and blessing. This restoration takes place in all three areas of man: spirit, soul, and body. You will find our resources cover many different aspects and subjects, but always come down to our foundation of RESTORATION.

Kanaan Ministries is a teaching/counseling ministry, focused on equipping and preparing the Bride of Messiah through DVD study courses, manuals, books, and CD's. Please note, we are NOT a church ... we are a para-ministry, working along side [parallel to] and into churches and/or small groups.

If you would like to find out more about us, we encourage you to browse our website. We have detailed pages on our courses and material. You can also find out where Roly and Amanda will be speaking next on our "Events" page.

## How to use our resources ...

Our study courses are designed for personal home study [at your own pace], or to be worked through in a small group [this often helps with costs]. The courses can be worked through using the manuals ... however, if you would like the full explanation and teaching, we encourage everyone to get the DVD's – these are really the "meat" of the material.

It is important that you work through our resources in the correct order. Each teaching and/or course serves a very specific purpose, and each course builds upon the previous in sequence. We would appreciate your cooperation in this regard ... and it will make it much easier on you!

If you only do part of the training, you will have selective knowledge, and could draw incorrect conclusions, thereby forming invalid opinions of the Biblical principles we teach.

So ... where should you start? We recommend for everyone to begin with our “Journey2Freedom” course. This is really the foundation to much of our material. “Journey2Freedom” deals with the topics of deliverance, spiritual roots, personal and generational curses, and demonic doorways. From here, we recommend to work through the “Healing Our Wounded Hearts” series. This course deals with the “other side of the coin” of deliverance and walking in victory – dealing with inner healing and emotional pain. To walk in the FULLNESS of Messiah, we need to address both “sides of the coin”: deliverance and inner healing.

For the serious student and/or counsellor seeking advanced training – those that have completed “Journey2Freedom” and “Healing Our Wounded Hearts” – we recommend our “Soul Care Advanced Training” series. The focus of this series is to train up counsellors/leaders in the ministry through teaching and practical application. This series also focuses on intercession, prophetic and apostolic ministry, as well as prayer-warfare.

## *Counsellor network ...*

Our ministry is not crisis counseling. We require that those seeking deliverance or counseling work through our "Journey2Freedom" material, as well as "Healing Our Wounded Hearts". These two series cover family sins, childhood pain, deliverance, occult roots, generational curses, and so forth. This is vital in understanding the problems you might be struggling with, how to recognize the patterns, and most importantly, how to walk in victory. Our counsellors are available for those who have worked through the foundations, and are still unable to obtain complete healing and freedom. We do not just perform deliverance and inner healing counseling, but believe in teaching the foundations first, in order that you are trained to close doors ... and to keep them closed. Further counseling sessions then go much better and quicker, and persons are able to maintain their deliverance.

Please note, our counsellors do not work from the office, but on their own time and schedule. You are welcome to call anyone of the counsellors in your area, and setup an appointment directly.
