## **Covenant Love: Understanding the Blood Covenant Secrets of Intimacy**

This teaching helps us understand God's Covenantal Relationship with His family.

We help you to understand why it is that just being a Christian does not guarantee you protection, blessings, health, or prosperity!

You have to ENFORCE the covenant principles to get them to work for you.

Most Christians are trying to get God to DO something. God's Word says that He has already given us great and precious promises because of the Blood of Jesus Christ.

We need to know what God has already DONE and then we need to know how to appropriate it in every situation of our lives!

We look at God's authority, why is there still evil in the world today, and why we should pray.

We make a study of the Threshold Covenant and how we can apply it to our lives today.

What is a covenant, why would men make covenants, and what are the tokens of a covenant.

We study the life of Job and how he did not understand the covenantal principles until Chapter 41.

We try to give clear understanding of the Book of Job because so many people in the Body of Christ have misinterpreted this Book.

When God's Word is spoken, it NEVER returns void.

**In the end we challenge you:**

- Who's word will you agree with?
- Will you agree with God and His Word and stop giving evil reports - words that do not align with God's covenant - or will you choose covenant language?

**Authority of the Believer and Ranking in God's Kingdom**

In this book we look at what is authority and what Jesus Christ did to be Lord of lords and King of kings. We learn that all authority was given to Jesus and He still has all authority on earth and in Heaven.

It is only through my **relationship** with Him that I have delegated authority – He is still the Author of ALL authority.

We learn what it means when we pray in the Name of Jesus and that it is NOT a formula.

We also explain what the Church's authority is as well as the true meaning of Godly submission.

We show the difference between Kingly and Priestly intercession and that we are from the Order of Melchizedek.

It is very important for us to understand our delegated spheres of authority and how we grow in ranking in the Lord's army.

Our assignment determines our level of authority. God calls us and gives us assignments and it is very dangerous to be presumptuous.

We need to warn against reviling and a false sense of power.

We finally look at all the levels of delegated authority in the Body of Christ.

**Practical Application:**

We look at the importance of possessing our birthright and identifying what it is.

Other subjects include:

- Is Ranking Biblical?
- How do I grow in Authority and Ranking?
- Territorial Warfare – What it is and how do we do it.
- The difference between Warfare and Proclamations.
- God's Army in Spiritual Warfare.

## Fertility Cults

In this teaching we cover the history and foundation of Fertility cults. The basis of Fertility cults is the story of the eternal conflict between male and female for dominance. Hatred of the opposing gender is assumed to be normal.

We explain what is Baal worship and how does it manifest in our modern day times. Baal worship is the worship of the sun, moon, stars (constellations) and the planets through various sexual perverted acts. Fornication and adultery are even commanded, while bi-sexuality, sodomy, lesbianism, harlotry, prostitution and trans-sexual activity and the duality of sexes are all part of the cult.

The woman is the crown of God's Creation – the "cherry-on-the-top". We show how satan has high-jacked the "cherry-on-the-top" and how she becomes the most deadliest weapon in satan's hands. The worship of mother earth is central to witchcraft and she is appeased with human blood – sacrificial and menstrual. Because of the female's menstrual ability, she carries the power of witchcraft.

We are called to contend with Baal and we look at how Isaac and Gideon contends with Baal. We see that every time the Israelites wanted to claim their inheritance, Baal was the spirit that rose up in many different forms and with many different names to try and stop them.

We see how this is happening in our day and how Baal is still using his legal right through the sins of the forefathers and the demonic covenants that were made with him to stop us from inheriting our birthright blessings as children of God.

We are called to divorce from Baal and to declare a recommitted Marriage Covenant with Y'shua Hamashiach.

## Sodomy

This teaching covers God's calling upon the Man as His Priest, Prophet and King. God called Man to take dominion and to rule the Garden. He gave him a family which is the smallest unit of the principle of the Garden of Eden.

The unity between two people in this Garden was between a man and a woman – physically, emotionally, mentally and spiritually – ONE!!

Man chooses to disobey God and starts the down-hill road of perversion and ends in Sodomy.

We explain:

- The reversal of the role of Priest
- The consequences of the sins of Sodomy
- What causes someone to turn to Sodomy
- The characteristics of a perverted man
- The diseases and sicknesses that occur
- God continues to search for His sons

A Prayer of Renunciation of Sodomy and Sexual Abuse complete this teaching.

In Section B we teach on the spirit of Belial – he is one of the most wicked and vile spirits in the kingdom of darkness. He is one of the manifestations of Baal and works very strongly in the area of sexual perversion and defilement. He works together with Jezebel and forms a strong conspiracy against the children of God and Church-leaders.

We show you how Belial operates, how he attacks and how important it is that we need to discern his warfare strategy. We end with a petition against Belial in our personal lives as well as for our churches and leaders.

## **Man's Relationship to God and the Earth**

In this series you will learn that we have a very close relationship with the earth. We are “earth” that has been quickened by the Spirit of God.

We were made for the earth, to live here and to have dominion.

We will be looking at the scriptures and learn that the earth responds or reacts to who we are and what we do.

We will see that God gives the earth authority to curse man. The earth has a power to prosper us. It has a mouth to swallow up and take away the strength of man.

### **Understanding the principles of God**

**Exodus 20:24** *“You shall make an altar of earth for Me, and sacrifice on it your burnt offerings and your peace offerings, your sheep and your oxen. In every place where I cause My Name to be recorded and remembered [through revelation of My divine nature] I will come to you and bless you.”*

God taught man how to consecrate the land by building prayer altars ... Abel, Noah, Jacob, etc.

By doing so, we are opening the Gates of heaven over those areas. You need an altar to bring the earth and spiritual realm together.

This is an Apostolic end-time message to help you walk in total victory – body, soul and spirit, and to have dominion as God spoke it over mankind in **Genesis**.
