

# Prayers of Renunciation SA First Peoples

Ephesians 6:10-12 “10 Finally, my brethren, *be strong* in the Lord, and in the *power* of his might. 11 Put on the whole *armour* of God, that ye may be able *to stand* against the wiles of the devil. 12 For we *wrestle* not against flesh and blood, but against *principalities*, against *powers*, against the rulers of the *darkness* of this world, against *spiritual wickedness* in high places.”

# Preface

These prayers have been written according to personal opinions and convictions, which are gathered from many counselling sessions and our interpretation of the Word of YHVH, the Bible.

In no way have these prayers been written to discriminate against any persons, churches, organizations, and/or political parties. We ask therefore that you handle this book in the same manner.

## What does it mean to renounce something?

To renounce means to speak of one's self. If something has been renounced it has been rejected, cut off, or the individual is refusing to follow or obey. Other words that fit with the subject of renunciations include refuse, repudiate, and resist. It is a joy to realize that by the act of our repentance, we can appropriate the finished work of Messiah Y'shua. His shed Blood reverses all curses.

Scripture says:

**Proverbs 28:13** *“He who covers his transgressions will not prosper, but whoever confesses and forsakes his sins will obtain mercy.”*

We have seen the effect in so many people's lives of confessing, repenting, and turning away from the idolatry and demonic covenants that have permeated their very existence, unbeknown to them. The fact that this exists is truly an evil demonic plot against the Body of Messiah.

**2 Corinthians 4:2** *“We have renounced disgraceful ways (secret thoughts, feelings, desires and underhandedness, the methods and arts that men hide through shame); we refuse to deal craftily (to practice trickery and cunning) or to adulterate or handle dishonestly the Word of GOD, but we state the truth openly (clearly and candidly). And so we commend ourselves in the sight and presence of GOD to every man's conscience.”*

Y'shua calls us to be actively engaged seeking freedom and wholeness, no matter what our life experiences.

YHVH's Word gives us a promise:

**Isaiah 54:17** *“But no weapon that is formed against you shall prosper, and every tongue that shall rise against you in judgment you shall show to be in the wrong. This (peace, righteousness, security, triumph over opposition) is the heritage of the servants of the LORD (those in whom the ideal Servant of the LORD is reproduced); this is the righteousness or the vindication which they obtain from Me (this is that which I impart to them as their justification), says the LORD.”*

## Guidelines for using the prayers of renunciation ...

The **Book of James** highlights very clearly for us that there is a two-fold step in order to be released from all bondages.

**James 4:7** *“So be subject to GOD. Resist the devil (stand firm against him), and he will flee from you.”*

The two-legged renunciation of occultic involvement is:

### 1. Confession of involvement.

To confess involvement, the prayer is read out loud, preferably with one or more witnesses present, as well as with a trained counsellor. The reason for this is so that the individual will have a memorial of remembrance of the renunciation prayer. These prayers are similar to proclamations ... as such we encourage you to declare them boldly and in faith, covered by the Blood of Messiah Y'shua.

**James 5:16** *“Confess to one another therefore your faults (your slips, your false steps, your offenses, your sins) and pray (also) for one another, that you may be healed and restored (to a spiritual tone of mind and heart). The earnest (heartfelt, continued) prayer of a righteous man makes tremendous power available (dynamic in its working).”*

Only half of the renunciation process has been completed at this stage. The next part is very important. This is where the counsellor is essential.

### 2. Warfare ... resist the enemy.

The counsellor now comes in agreement with the individual and conducts spiritual warfare against the kingdom of darkness as the Holy Spirit leads to deal with each one of the elements that is contained in the prayer.

In writing these prayers, we have tried to highlight or bold certain key words — such as the powers of darkness involved and the effects of involvement — that we feel are important, and which need to be specially addressed.

The powers are rebuked, bound, uprooted from the bloodline, and commanded to become a footstool to the Messiah Y'shua. Remember to also cut the individual loose from the man-made laws and institutions of the organization/s involved.

These prayers are however only a *guideline*.

If there are concepts or sections that the Holy Spirit highlights for you as you pray, then we encourage you to address these, and ask the Holy Spirit to direct you on how to bring the breakthrough.

Remember, He is our Perfect Teacher and Counsellor!

**Psalm 110:1** “*THE LORD (GOD) says to my Lord (the Messiah), Sit at My right hand until I make Your adversaries Your footstool. (Matthew 26:64; Acts 2:34; I Corinthians 15:25; Colossians 3:1; Hebrew 12:2.)*”

**Hebrews 1:13** “*Besides, to which of the angels has He ever said, Sit at My right hand (associated with Me in My royal dignity) till I make your enemies a stool for your feet? (Psalm 110:1.)*”

**Hebrews 10:13** “*Then to wait until His enemies should be made a stool beneath His feet.*”

### **3. Restoration with the Kingdom of GOD.**

Finally, the individual must choose to submit under the Law of Messiah Y’shua.

**Galatians 3:10** “*And all who depend on the Law (who are seeking to be justified by obedience to the Law of rituals) are under a curse and doomed to disappointment and destruction, for it is written in the Scriptures, Cursed (accursed, devoted to destruction, doomed to eternal punishment) be everyone who does not continue to abide (live and remain) by all the precepts and commands written in the Book of the Law and to practice them.*”

In conclusion, we leave you with the blessing commanded by the FATHER ... May He be your Shield, your Light, and Shalom (Peace). May He grant you the victory in all things, that you may learn of His Ways, and SH’MA<sup>2</sup> (hear and do).

### **Blessings!**

---

<sup>2</sup> For additional study, please see the article “*Sh’ma — A Hebraic Concept That Everyone Can Embrace*” written by William G. Bullock, Sr., available from the website.

## Declaration<sup>3</sup> of CONFIDENCE in YHVH's Protection

No weapon that is formed against us shall prosper and every tongue, which rises against us in judgment, we do condemn. This is our heritage as servants of the LORD, and our righteousness is from You, O LORD of Hosts. If there are those who have been speaking or praying against us, or seeking harm or evil to us, or who have rejected us, we forgive them and having forgiven them, we bless them.

**Matthew 5:43-45** *"You have heard that it was said, You shall love your neighbor and hate your enemy; But I tell you, Love your enemies and pray for those who persecute you, To show that you are the children of your FATHER Who is in heaven; for He makes His sun rise on the wicked and on the good, and makes the rain fall upon the upright and the wrongdoers (alike)."*

**Romans 12:14** *"Bless those who persecute you (who are cruel in their attitude toward you); bless and do not curse them."*

Now we declare, Father, that You and You alone are our GOD, and besides You there is no other — a just GOD and Saviour, the FATHER, the Son and the Spirit — and we worship You!

We submit ourselves afresh to You this day in unreserved obedience. Having submitted to You, LORD, we do as Your Word directs. We resist the devil — all his pressures, his attacks, and his deceptions, every instrument or agent he would seek to use against us. We do not submit! We resist him, drive him from us and exclude him from us. Specifically, we reject and repel infirmity, pain, infection, inflammation, malignancies, allergies, viruses and every form of witchcraft.

Finally, Father, we thank You that through the sacrifice of Y'shua on the cross, we have passed out from under the curse and entered into the blessing of Abraham, whom You blessed in all things — exaltation, health, reproduction, prosperity, victory and Your Favour.

**Galatians 3:13-14** *"Christ purchased our freedom (redeeming us) from the curse (doom) of the Law (and its condemnation) by (Himself) becoming a curse for us, for it is written (in the Scriptures), Cursed is everyone who hangs on a tree (is crucified); To the end that through (their receiving) Christ Jesus, the blessing (promised) to Abraham might come upon the Gentiles, so that we through faith might (all) receive (the realization of) the promise of the (Holy) Spirit."*

**AMEN!**

---

# Sealing-Off Prayer BEFORE Deliverance

Dear Heavenly FATHER, we come to You in the Name of Messiah Y'shua<sup>4</sup> of Nazareth. We thank You that You are El Shaddai and that You are The Great I AM.

We thank You that You have given us the Holy Spirit to be the Counsellor, Standby, Advocate, Teacher, the Deliverer.

We thank You for Your Presence and for Your Deliverance Anointing — it is the Anointing that will break the yoke.

Come and fill us with Your Spirit, Compassion, Love, Discernment, Word of Knowledge, Wisdom, Interpretation, and Insight.

We as Your children choose to crucify the flesh so that nothing from ourselves will be transferred here. We clothe ourselves with Your Priestly Garments to fulfill the calling You have upon our lives. Open our spiritual eyes and ears FATHER.

Thank You FATHER, that You have given us all the power over the enemy and that nothing shall in any way harm us.

**Luke 10:19** *“Behold! I have given you authority and power to trample upon serpents and scorpions, and (physical and mental strength and ability) over all the power that the enemy (possesses); and nothing shall in any way harm you.”*

We forbid any interference with the work of the Holy Spirit.

FATHER, we come against any communication lines (according to **Ephesians 6:12**) between, the powers, world-rulers, principalities, spiritual hosts, and demonic hosts in the air, earth, heavenlies, and under the earth. We close off all entrances and exits.

We ask that all spiritual cameras and recorders be smashed. We come against any witches, witch doctors, magicians, and wizards. We cut off all communication with Satan himself and close the doors.

We forbid any spirit from the outside to enter this place for whatever reason, and we forbid any evil spirit to be sent to any other place or person as a result of what happens here.

We now forbid any reinforcement of power from the side of Satan. FATHER, we ask for confusion into the enemy's camp.

---

<sup>4</sup> *Y'shua* (Hebrew) is Jesus' real name, which means “Salvation”. We have no problem with the name “Jesus” — it is merely the Greek transliteration of “Y'shua”. Jesus is the name most of us grew up with. Remember though, Y'shua was a Jew, of the Tribe of Judah, not a Greek. It's sort of like this ... when you come to know someone's real name, you want to use it, hence the use of *Y'shua* instead of Jesus. Another powerful reason to use Y'shua is that every time you say His Name, you are proclaiming “Salvation”. You will also note in some places, we have used the real Name of the FATHER, YHVH. The Name is made up of the Hebrew letters, **Yod-Hey-Vav-Hey**, and is most commonly pronounced “Yahweh” or “Jehovah”. Again, we have chosen to use this, as YHVH is the FATHER's Name.

FATHER we ask You to set up Your warring angels in this room and arrest any human spirit, dead human spirit, spirit guide, familiar spirit ... and remove them to become the footstool of our King Messiah Y'shua.

We bind every evil spirit in this place and forbid any violence, manifestations, and tormenting.

We refuse any meditation circles — isolate any power of demonic forces from each other.

We forbid and bind any hypnosis and self-hypnosis, meditation, psychic powers. We isolate the powers one from another.

We cleanse the four elements ... water, air, fire, and earth with the Blood of Messiah Y'shua.

We ask You, FATHER, to cover all mirrors with Your Blood and seal off the gateways.

We come against any spells, rituals, incantations, hexes, sacrifices, curses, or altars raised up against us and the person.

Thank You that You blow out all candles which may have been lit in rituals against us. Thank You that all curses are reversed into blessings.

FATHER, we ask that You seal off this room with the Precious Blood of the Lamb, that You will hide us in the Spirit and declare this room as holy ground.

FATHER, we ask You to send Your ministering angels to come and minister to us according to:

**Hebrews 1:14** *“Are not the angels all ministering spirits (servants) sent out in the service (of GOD for the assistance) of those who are to inherit salvation?”*

We surrender to You, Holy Spirit of YHVH, because we know that it is not by might, nor by power, but by Your Spirit (**Zechariah 4:6**) says the FATHER!

We ask that You cover our loved ones and we place all circumstances under Your Control and Protection (our finances, marriages, relationships, ministries). We now bind Satan's kingdom here on earth just as it is bound in heaven.

We ask You FATHER to prepare the heavenly courtroom and that all the demons and familiar spirits come and take their places.

We ask You FATHER to be the Judge, Y'shua the Advocate, and the Holy Spirit the Witness.

Thank You for Your Word:

**Revelation 12:11** *“And they have overcome (conquered) him by means of the blood of the Lamb and by the utterance of their testimony, for they did not love and cling to life even when faced with death (holding their lives cheap till they had to die for their witnessing).”*

... we have overcome the enemy by the Blood of the Lamb and the word of our testimony!

In the Name of Messiah Y'shua (Jesus),

**AMEN!**

# Prayer of renunciation for the pagan roots and rituals of South Africa's First Peoples (Khoi and San)

Note, this is the first prayer of renunciation that targets a specific peoples-group. With this, we do not attempt to run down South Africa's First Peoples group in any way, but is aimed on praying for the forgiveness of the sinful/pagan practices within this culture-group, those customs/rituals which are in conflict with the Word of GOD. This culture-group, like any other, is unique and created by GOD to fulfill a specific role in South Africa! However all groups have occultic altars to deal with, and it is on this basis that the following renunciations are made.

**Isaiah 45:2-6** *"I will go before you and level the mountains to make the crooked places straight; I will break in pieces the doors of bronze and cut asunder the bars of iron. And I will give you the treasures of darkness and hidden riches of secret places, that you may know that it is I, the Lord, the God of Israel, Who calls you by your name. For the sake of Jacob My servant, and of Israel My chosen, I have called you by your name. **I have surnamed you**, though you have not known Me. I am the Lord, and there is no one else; there is no God besides Me. **I will gird and arm you**, though you have not known Me. That men may know from the east and the rising of the sun and from the west and the setting of the sun that there is no God besides Me. I am the Lord, and no one else is He."*

**Isaiah 43:26** *"Put Me in remembrance – **remind Me of your merits** – let us plead and argue together. **Set forth your case**, that you may be justified (proved right)".*

## Prayer for counsellor

It is recommended at this stage that you stand in the gap and ask GOD and the counsellor forgiveness on behalf of other people-groups like the Dutch, Afrikaners, English, Griqua's, Basutu's, and so forth, for the following sins:

- ◆ Depriving them of their land and possessions,
- ◆ Depriving them of their will,
- ◆ False accusations,
- ◆ Persecutions,
- ◆ Mass-murders,
- ◆ Taking their children as slaves,
- ◆ Robbing them of their identity and inheritance.
- ◆ Identifying the Khoi people as savages, and categorising them as such
- ◆ Raping women and children and the acts of incest because of this gross act.

## Prayer for counselee

FATHER, in the Name of Messiah Y'shua, Your Son, I stand before You this day. You know where I came from, in the natural and the spiritual, and You know where I am going. You have known me long before the foundation of the earth, when I was still in the Bosom of the FATHER and even before You made man in Your Own Image and Likeness. Since the fall of man, we have gone astray and followed our own ways but Your Calling and Destiny on my life is still valid and is calling me back to Your Original Plan.

***Psalm 139:13*** “For You did form my inward parts; You did knit me together in my mother’s womb”.

You have given me chance upon chance. You never became tired of me – and on this day, I want to take hold of Your Garment, and ask that You, in Your Great Mercy, will listen to me and hear my plea and cry for repentance as I come before You in repentance for myself, and on behalf of all of my ancestors.

I also take this counselor as my witness ...

Father, Your Grace and Mercy have been extended to me on a daily basis, and I now I come to ask that you forgive me. I thank You that I was planned and created by You, and that there came a day and moment that You have called me to life ... that You have filled my lungs with breath unto life on this earth. Thank You for the complete package of potential that You have invested in me, even through my \_\_\_\_\_ (First People) ancestry. Forgive me for not wanting to accept my ancestry because of the wrong perceptions that have been passed down to me (by my forefathers).

***Jeremiah 29:11*** “For I know the thoughts and plans that I have for you, says the Lord, thoughts and **plans for welfare and peace** and not for evil, to give you hope in your final outcome”.

***Acts 10:34-35*** “Most certainly and thoroughly I now perceive and understand that **God shows no partiality and is no respecter of Person. But in every nation** he who venerates and has a reverential fear for God, treating Him with worshipful obedience and living uprightly, **is acceptable to Him** and sure of being received and welcomed by Him.”

***Revelation 5:9*** “And now they sing a new song, saying, You are worthy to take the scroll and to break the seals that are on it, for You were slain, and with Your blood **You purchased men unto God from every tribe and language and people and nation.**”

In the Name of Messiah Y'shua, I repent today of the sins of my fathers and their fathers, as well as the fruits of my own and my forefathers sins, that have kept me enslaved up to this day in my life, as well as in those of my descendants. As I repent of these customs and call them by name, I ask in Name of Messiah Y'shua, that You will deliver, heal, and restore us all in spirit, soul and body – and that You will raise us up as First Peoples, into the positions that You have designated for us to stand. Please restore every part of our body, soul and spirit that have been afflicted because of our wrong choices and that have hindered us from fulfilling our destiny in You.

FATHER, we ask that You break every ancestral pagan/occult root and bondage, that has kept us from Your Perfect Plan and Purpose.

### ***Sexual iniquities ...***

In the Name of Messiah Y'shua, I now repent of all sexual sins, iniquities, and uncleanness (refer also to checklist). I repent of the sin of homosexuality and lesbianism, sodomy, fornication and adultery that was passed down in the lineage. I repent of the sin of masturbation. I renounce the national custom "Landessitte" which is connected to masturbation.

I repent of subjecting myself to the so-called "passion gap", for extracting the front top four teeth for the practice of oral sex.

I renounce and rebuke special water-covenants ceremonies, for example: "Die Rooi Rivier Slang" marriage, which took place in correlation with these relationships.

I renounce and repent all practicing of "love-witchery" (love magic). I renounce the faith in the potion "duba" mixed with tobacco, as well as the influence it had on my body and relationships.

I ask Your Forgiveness for all of these abominations in the Name of Messiah Y'shua.

I command all demons of lust and perversion on every level to leave my body, soul and spirit now, in the Name of Messiah Y'shua.

### ***Drugs and Potions ...***

I renounce the faith in the potion "duba" mixed with tobacco, as well as the influence it had on my body and relationships. The chewing of snuif, it looked liked wet tobacco, that our forefathers would chew it for hours. This could be likened to the buchu leaves that were used in rituals by our forefathers.

We repent of these beliefs that we have carried on in our bloodline, and even though we did not question it, we embraced it because of wanting to belong and identify to a people group. Teach us that we have been bought with a price, the blood of Y'shua (Jesus Christ), and that we are accepted into the Beloved.

I renounce all **witching customs** and repent from this vile sin, including the smoking of mixtures of buchu and the legs of grasshoppers.

I renounce all the belief that the mantis was a good omen. If by any way my forefathers were recognized for this omen as holy men and honoured by men by receiving the entrails and fat of the ox, that would give them power, and now may reside in me and my offspring. I repent for even having a notion of power and expecting others to honour me. Teach me to understand in the Kingdom of YHVH, we are servants who serve in humility. If there were any powers given to my forefathers because of the mantis hovering over them, and they reveled in the attention and status they receive, I now stand in repentance on behalf of them and myself, and my offspring, and pray that we will be servants in Your Kingdom.

I renounce the custom of the eating of special meat, slaughtered by the witchdoctor during marriage-ceremonies, as well as the demonic influence it has had on me and my descendants' – body, soul, and spirit ... I repent, knowing that You forgive me.

I ask that You will forgive me, my family, and our descendants for all these things, FATHER, and that You will turn around each of these curses into blessings.

In the Name of Messiah Y'shua, I now renounce every unclean spirit, which still clings to me due to these customs, and I now command them to leave me immediately!

### ***Medicine and Healing***

I renounce and rebuke every form of “medicine” such as:

- ◆ “Holy water”, given by the witchdoctor
- ◆ The slimman
- ◆ The doekoem

I renounce and rebuke every form of “medicine” such as ‘holy water’ given by the witchdoctor, the “slimman”, the “slimvrou”, the “doekoem” to me and/or my family, and I ask that You will remove all residue thereof from our systems. Wash us clean with the Blood of Y'shua. I ask that You will cancel the effects thereof over my fertility, my body, mind, will, and emotions, as well as that of my descendants.

Thank You Father that only You can do it, so that Your plans and purposes will come into effect in our lives. Every demon on every level that is connected to this “medicine” and have entered my body in this way, I now command to leave my body, in Y'shua Name. I ask that You will silence each and every one of these charms which still speak against me in the spiritual realm from this time forth. Only Your voice thunders over me and my descendants in the heavens.

Thank You FATHER that only You can do it, so that Your Plans and Purposes will come into effect in our lives. Every demon on every level that is connected to this “medicine” and has entered my body, soul and spirit in this way, I now command to leave me, in Y'shua Name.

I ask that You will silence each and every one of these charms which still speak against me in the spiritual realm from this time forth. Only Your Voice thunders over me and my descendants in the heavens.

FATHER, I ask that You will heal all ailments and sicknesses which I could have contracted from these “muti”, in Name of Messiah Y'shua. FATHER, because of our lineage, we are apt to accept any illness and sickness upon us, because it gives us some sort of identity, and gives us attention and acceptance that we lacked in many areas of lives.

Teach us that we are important to You, because You made us, and have a plan and a purpose for us to prosper. We do not need to accept all the negativity of news of illness and sicknesses to be accepted. Your Word says that we are accepted into the Beloved. So, we renounce and repent this activity ... forgive us for not believing and trusting You.

### ***Worshipping fertility gods and goddesses, partaking in fertility rituals ...***

FATHER, in the Name of Messiah Y'shua, I now renounce ...

Every ritual commissioned by me, my mother, or ancestors (especially those from the Khoi/San lineage) to ensure fertility, and all that they have taught that have been handed down to us, and in ignorance and naivety continued to do these abominable things in your sight.

I renounce the custom of sacrificing an animal for this purpose and invoking animal spirits. I ask that You will please forgive, and that Your Holy Fire will destroy all of these false sacrificial altars in die physical, as well as in the spiritual realm.

I ask that the Blood of Messiah Y'shua will silence this false sacrificial blood of animals, menstrual blood and aborted babies, that up to this day have had negative impacts on our lives and pray that You will cancel this curse upon me and my descendants and that You will stop the effects thereof.

Thank You FATHER that only the Blood of Y'shua Messiah [Jesus Christ] speaks over my life and that of my descendants. Forgive our forefathers for playing in the camp of the enemy, and every time they did these demonic sacrifices, where the enemy was strengthened and kept us bound for longer periods of time. Today we declare that only the Blood of Y'shua has power to forgive, to cleanse, to protect, and give victory and breakthrough.

I renounce the custom of wearing the sack of amniotic fluid of an unborn lamb upon the back to ensure fertility. FATHER, our forefathers have sinned against You because of ignorance and superstitious beliefs, but we thank You that we are no longer ignorant of Your Word and know that You are redeeming us back to You and back to Your Ways of Righteousness. We repent of this vile sin, as the amniotic fluid of an unborn lamb only had a specific purpose that You ordained, and not that which our forefathers made it to be.

We repent of this ritual and renounce all occult/pagan purposes connected to this practice.

I renounce the belief that fertility will be stimulated through the eating of goat's meat. FATHER, forgive us for believing this, but that we are a generation that You have redeemed and now we understand that You have our lives in Your Hands, and every part of our body, soul, and spirit is important to You.

When You made us and formed us in our mother's womb, we were intricately woven together, our inner most parts You did form, and what You make is wonderful, complete, and fearfully made.

FATHER, in Name of Messiah Y'shua, I repent of and renounce every abortion practiced by me, and/or upon me, or by my ancestors. FATHER, most of us have mixed nationalities in our lineage, and even though our First People (Khoi/San) forefathers were peace-loving people, the mixture of the blood with other nations brought this on them.

For every bloodline that is inside of us, where blood was required to keep these altars serviced, we ask You to forgive us and the intermarriages that brought this sin on our lineage (for example: German, Malay, Irish, and so forth, connections).

I renounce the custom of eating and drinking the urine and feces of rock rabbits to stimulate abortion, as well as the binding of the stomach-area, until the fetus is rejected from the body. FATHER, where this is still practiced today, we stand in repentance and ask that You will deliver our people from this gross violation and abominable practice.

I ask that You will forgive this abominable sin, and that You will mercifully cover all of the blood-guilt of innocent babies with the precious Blood of our Messiah Y'shua. Silence the voices of these babies crying against us in the spirit, Father!

I renounce the belief that the fetus is not recognized as living until seven months of age, and I declare that You know each fetus even before it is formed in its mother's womb. YOU ARE LIFE! We choose LIFE, and declare that we are fully pro-life; we cancel every trace of this sin from our bloodline in the Name of Messiah Y'shua of Nazareth.

**Jeremiah 1:5** *“Before I formed you in the womb I knew [and] approved of you [as My chosen instrument], and before you were born I separated and set you apart, consecrating you ...”*

### **Rituals at births**

In the Name of Messiah Y'shua, I renounce and rebuke the custom of introducing the baby shortly after birth, to rain as the source of water. I renounce any influence of water-spirits on myself and my descendants, in body, soul, and spirit. I cut myself and my descendants free from any powers of water and rock, in the Name of Messiah Y'shua.

I renounce and repent for not questioning my mother, aunt, and/or grandmother on the use of medicines that they believed will ward off evil spirits, especially the medicine duiwel's drek en doepa, that had to be warmed with rooi lavental and olive oil to massage the baby. Believing that the baby will be more restful.

I renounce the un-Godly fires and altars which were kept burning until the umbilical cord had fallen off, in the Name of Messiah Y'shua.

In the Name of Messiah Y'shua, I renounce any false “prophetic powers” in my bloodline due to births with a caul. I believe that Your Word says that we are led by the Ru'ach Ha'Kodesh [Holy Spirit], and not by psychic powers. Your Word is clear that those who consult mediums and diviners will not inherit the Kingdom of YHVH (GOD).

All twins in my ancestry or descendants, I now declare as blessed and not cursed, in the Name of Messiah Y'shua.

**We choice life, and declare that we are completely prolife and cancel every trace of this sin from our bloodline.**

I renounce the evil practice of my forefathers where twins were born, and the practice of killing one of the two for survival reasons. Father we declare that You give life, and you take life. We are not to determine who will live and who will die. Father forgive me and my forefathers for this abominable practice, because they believed that it was better for a strong one to survive than for two to be weak due to a lack of milk and food.

Father our dependency is on You, forgive us even today, where we do not have faith in You, and turn to foreign witchcraft practices to meet our needs. Teach us how to believe in You and have faith in You. Because You have promised never to leave us or forsake us.

I renounce the belief that where twins were born and it was a boy and a girl, that the girl was left behind to die. Father forgive our forefathers and even us in this day, where we determine who will live and die. Forgive us in undermining and underestimating the life that you give and short circuit the destiny of people made in your image to be all that You intended for that life. All the blood crying out in our land because of this gross abominable practice we repent and ask that You forgive our forefathers and us. Where they made unholy covenants with the land by taking innocent lives. We thank you Father that the cries of that innocent blood is now silenced, and our land redeemed.

All twins in my ancestry or descendants, I now declare as blessed and not cursed, in Jesus Name.

### ***Puberty ceremonies, GIRLS***

FATHER, in the Name of Messiah Y'shua, I now ask forgiveness for every ritual concerning or connected to entering puberty and womanhood, which was ever practiced by my ancestors or myself. Every false cleansing-ritual, I now bring before You and I ask that You will remove the effects thereof from me and my descendants.

**Taking on the spirit of the eland at puberty and being painted as an eland ...** I ask that You will cancel every curse as a result of this, which could affect my own or my descendant's fertility in any way – and that the Blood of Messiah Y'shua alone will ensure mine and my descendant's cleansing.

I renounce every commitment to water, for both myself and family, in Name of Messiah Y'shua. I renounce and rebuke the belief that water and rain will bring me fertility, and I choose now to trust You for this.

In the Almighty Name of Name of Messiah Y'shua, I now rebuke every demon commissioned to watch over me or my descendants due to these rituals, to leave us immediately.

### ***Puberty ceremonies, BOYS***

Father, in the Name of Messiah Y'shua, I ask forgiveness for any and all rituals which took place concerning or connected to entering puberty and manhood, in my own and/or my family's lives.

Any negative, destructive effects which isolation could have had, I now pray that You will heal.

I rebuke and renounce the custom that the oldest man had to urinate on the boy to ensure his fertility. All false, un-Godly affirmations and words accompanying it, I now silence in Name of Messiah Y'shua. Any effects it could have had on mine and my family's lives, I now render powerless, ineffective, and bring it to no effect. I declare that my ability to fertility is founded in the Hand of the Almighty GOD, Who created heaven and earth, and maintains it until this day and forever.

I ask forgiveness for accepting the practices of the Indonesian people; they introduced extracting the front four top teeth as a ritual for entering puberty and manhood – today known as a “passion gap”.

### ***Blood and Rituals***

I rebuke and renounce the custom of eating the intestines of an animal or carrying it on the body. I ask that You will cleanse my body from all uncleanness and demons, on every level connected to all these rituals.

I repent before You for the ritual of the drinking of blood. I ask forgiveness for myself and on behalf of my ancestors and descendants, for this un-Godly deed. I repent of the horrible sin of cannibalism, FATHER! I ask that You will cleanse our bodies as well as our souls from this, and that You will bring restoration.

I rebuke any initiation and it’s superstitious belief, as well as all words spoken during these rituals, and I silence it in the Name of Messiah Y’shua. FATHER, all these rituals were done, to give power and empower the dark kingdom. These rituals have produced the un-Godly fruits of sexual perversion in our communities and townships today, but we stand before You and repent and ask that You will wash us clean and deliver us and our descendants from this ancient stronghold that enslaves our generations.

I ask that You will cancel the curse of:

***Leviticus 17:10*** “Any one of the house of Israel or of the strangers who dwell temporarily among them who eats any kind of blood, against that person I will set My face and I will cut him off from among his people [that he may not be included in the atonement made for them].”

... over me and my descendants, in the Name of Messiah Y’shua.

### ***Tattoos and Bodily Mutilations***

I repent of any form of bodily mutilations, as well as tattoos, and I ask that You will render powerless the powers connected to this and cleanse me. Forgive me for my ignorance and lack of understanding Your Word. Every tattoo/picture indicates the strongholds that held me bound, but today I break their hold over me, and declare that my body belongs to the FATHER, and is the Temple [Tabernacle] of the Ru’ach Ha’Kodesh [Holy Spirit], and I commit my body, soul and spirit to You. I pray that this ignorance is broken now, and will not be repeated by my descendants.

Counsellor/witness anoint the tattoo(s) and incision(s) where possible, and break the power of the kingdom of darkness connected to it.

### ***Transition-rituals***

Father, in the Name of Messiah Y’shua, I now repent of my ancestors and my own involvement in these rituals.

I renounce and rebuke the custom of injecting the initiate with a mixture of sweat and filth from the body of the witchdoctor, as well as all incisions made in my own and/or my ancestors' bodies. I ask that You will cleanse my body from all these substances, and that You will deliver me from any and all demons connected here.

I rebuke the "essence" of each group, which was transferred through this ritual onto me or my ancestors or descendants. I also ask that You will deliver me and my descendants from any animal-spirits which were connected to us through these rituals. I ask that the Blood of Messiah Y'shua will cover these blemishes, and that You will remove all poison from my system.

FATHER, wherever my forefathers injected with heroine needles and so forth, I stand in repentance and renounce this activity. Thank You FATHER! This need to feel high, because of rejection and a slavery-mentality, is broken over me and my descendants. We will seek only to be filled, led, and prompted by the Ru'ach Ha'Kodesh [Holy Spirit].

### ***Isolation***

FATHER, in the Name of Messiah Y'shua, I ask that You will remove and heal all effects of isolation on me and my ancestors. I ask that You will dislodge my so-called "security that is locked up in fire" – and that You will deliver me from any foreign fires and connect me to Your Protection and surround me with the Fire of the Holy Spirit.

In the Name of Messiah Y'shua, I repent of all efforts and rituals administered to gain the goodwill of spirits. I repent of every time that my family and I identified ourselves with any territorial spirits to gain entrance to land water, or hunting-regions.

I repent of every water-ceremony in connection with this, in the Name of Messiah Y'shua. I repent of all superstitions and rituals concerning household-animals, in the Name of Messiah Y'shua.

I renounce all spiritual "powers" dedicated to water or fire, even smoke. I renounce the custom of smearing the body with the blood of animals and the wearing of the skin and intestines for successful hunting.

I renounce and repent the belief of my forefathers for wearing various kinds of amulets, such as the pieces of wood the size of a finger around their necks, in believing that this would protect them in the night while they were out hunting or traveling.

The practice of magicians selling little pieces of wood to our forefathers to protect them against evil, diseases and harm.

In the spirit, I now erect an altar for You in the midst of this family-line. I declare that I honor my father and mother, but I turn my back upon all of their sinful practices and their superstitious beliefs that have enslaved our generations.

Father I thank You that Your redemptive purpose over me and my descendants will no longer be delayed, and now that I have renounced the wicked and evil ways of my forefathers, I thank You that we are now being positioned to receive baton of grace, mercy and favour and ready to become like a Joseph that provided what was needed and through this Your favour was evident and Your glory (esteem) became known amongst even those who do not serve You as yet.

## **Death**

In Name of Messiah Y'shua, I now renounce and rebuke every false belief and myth concerning death.

I renounce the myth that the moon sends a message to the hare. I rebuke and renounce the influence of Gaunab, the malicious god of darkness, upon me and family, in the Name of Messiah Y'shua.

I break the influence of the spirit of death over me and my family in Name of Messiah Y'shua.

I rebuke and renounce the spirits Hei and Nun, and declare that they will have no more power whatsoever over me and my family, to drag us away unto death. I ask that You will cover me and my family with the Blood of Messiah Y'shua, so that none of these spirits of death may longer have any effect upon us – spirit, body, or soul!

In Name of Messiah Y'shua, I break any and all charms, witch-powers, and muti that have been used against me and my family, or are still in effect. I ask that Your Mighty Hand will shield and protect us against any crossfire between witchdoctors who attempt to follow us.

I ask that You will send Your Holy Fire against these powers and that You will destroy them in the spirit, as well as all un-Godly altars where this took place or are still taking place, in Name of Messiah Y'shua.

I rebuke any and all rituals practiced during burials, and declare it of no effect any longer upon me / family. I repent of all worship given to the death by me / family. In Jesus Name I renounce all worship given to Heitsi Ebib, the first ancestor of the Khoi. To You belong all glory and worship, and I ask that You will forgive us and that You will destroy all these false altars of worship in the spirit.

I renounce and repent on behalf of our forefathers for the practice of visiting the grave of passed loved ones, and the family feuds this caused with long term negative effects because not everyone in the family believed this was important. I renounce and repent on behalf of my forefathers, who wasted money Sunday after Sunday to visit the graves and buy flowers to put on the graveyard, as a sign of respect to the passed on loved ones.

FATHER, I repent on behalf of my forefathers, where they brought pictures into their homes for decorative purposes, but many times these either had a sad, lonely, or far-fetched meaning. Our peoples always sought things to beautify their homes, but in most cases, it was never genuine and always gained in a “back-door” manner.

I renounced and repent on behalf of our forefathers who believed in the practice of sending male relatives to a deceased grave at sunrise to pray naked at the grave as they believed that in a naked state the ghost could not catch or harm them. We renounce the belief that our forefathers engaged in by talking to the grave and sprinkled buchu leaves on the gravesite.

## ***Moon***

In Name of Messiah Y'shua, I repent of every ritual in which the moon (Gounja) was called upon by means of song, dance, and rainmaking rituals. I ask that You will forgive us for using our bodies to give honor and service to other gods.

Father I repent on behalf of my forefathers when they engaged in dancing, singing and rejoicing through the nights at the new moon and the full moon. Your word says that we should praise Your name at the new moon and the full moon. Forgive us as this dancing allowed them to go into a trance, and go onto levels and plains that You did not intend for them.

I renounce the belief that the moon is connected with un-Godly and pagan fertility cycles, or that the lunar eclipse is a bad omen. I declare that You are reigning over all things and I choose to call upon You for all the needs or joys in my life. I divorce myself from all/any pagan/occult time-fertility cycles.

I renounce and repent on behalf of my forefathers, where worship was given to the moon, and when a particular family member acted out when it was full moon, the shame that came with that. Forgive those who declared that they waited for the next full moon for the family member to become insane again, and expected this to happen. We ask You Father to please forgive them and their descendants for giving life to this thing.

## ***Worshipping of heroes and false gods ...***

In the Name of Messiah Y'shua, I repent on behalf of my forefathers who gave praise to this god at day break by facing to the east. I repent on behalf of the praise song my forefathers sang to this god and not worshipping You as the One True Elohim (GOD). We repent on behalf of our forefathers, were they directed their thanks to this god for their daily provision. I declare today that You are my Provider, and Your Word says that You have not seen the righteous forsaken nor their seed begging for bread.

I declare that as for me and my house, we will serve the Only True and Living Elohim (GOD).

In the Name of Messiah Y'shua, I repent of every animistic belief and identification with powers of nature to bring forth rain.

In the Name of Messiah Y'shua, I renounce and rebuke the power and influence of the following gods upon me and my family's lives, properties, marriages, fertility, finances, relationships, ministries, and so forth:

- ◆ **Tsunigoab (wounded knee):** the "creator" god who awakes with every dawn. (That is why they sang praises and gave worship to this god at daybreak).
- ◆ **Heitsi Ebib:** the first ancestor.
- ◆ **Hishna:** the "first, big" spirit.
- ◆ **Gauwa**
- ◆ **G//awama:** he can change himself into a crocodile.
- ◆ **Nlodima:** giver of life.

- ◆ **Kaggen:** manifests in the form of a praying mantis.
- ◆ **Heise:** half-man, half-god with a Cape Oryx for a wife.
- ◆ **Sun:** the sun was worshiped, and sun-medicine was made.
- ◆ **Tsuigoab (wounded knee):** derived this name because he was in battle with !Gounja, but won, but wounded in the battle. The “creator” god who awakes with every dawn/ giver of all good things, rain, health, abundance and the one who gives success during the hunt.
- ◆ **Heitsi Eibib:** the first ancestor/ resurrected prophet. Belief that he was born of a virgin. Apparently this virgin chewed a type of grass and when swallowing the juice became pregnant with Heitsi Eibib. Father I stand in repentance where this god was given the status and position of Y’shua Messiah.
- ◆ **Gaunab:** the god of darkness. Believed things such as drought, illness, and death came from this evil spirit. Viewed as evil, a black chief also called Damon who did much harm to the Khoi people. Strange enough they would make peace offerings to this god by killing a sheep or ox to appease him. Possible to avoid bad things from happening to them.

Father I repent on the behalf of my forefathers for the belief that TsuiGoab, Heitsi Eibib as well as the moon came from the east, and thus built the door of the huts and gaves in that direction. I repent for the superstitious beliefs and the desire to have favour with these gods. Teach us Father to know that favour, grace and mercy comes from You alone.

- ◆ Water Spirits
  - Miaputi – water monster on the banks of the Orange River.
- ◆ Mountain Spirits
- ◆ Animal Spirits:
  - Elk
  - Serpent
  - Hippopotamus
  - Elephant
  - Birds
  - Wild Boar (totem of the rain-queen of Lovedu)
  - Lion

In Jesus Name, I now rebuke and renounce and render powerless all powers of **Tsuigoab**, such as:

- Rainmaker,
- creator of people (out of stone),
- headman,
- contender
- and sorcerer.

Father we renounce the practice by our forefathers for connecting with the new moon and full moon in dancing, singing and rejoicing through the nights, because they believed the moon gave them light. We renounce the belief that the moon gave them a physical manifestation of their god called Gounja or great chief.

We renounce the gathering of our forefathers where they would assemble in great numbers during certain stages of the month (phases of the moon) to celebrate, and the rituals they did at these gatherings. We repent in our day, when gangs get together during certain assigned times to do their rituals and plan evil and determine who will live and die.

Father we ask that if we gather, we will come together to worship You, the Only True and Living El (GOD).

We renounce the evil state our forefathers would get into during these times of gatherings, as they went into trans states, and manifested in various distortions of the body. The strange words they said, and its impact to this day, we stand in repentance. We deliver that we will only speak Your Word, that is life and will not be drawn into levels in the dark kingdom, where we utter words that gives the enemy power and strengthen its alters. We will worship You in spirit and truth, and know that Your Word is life.

We renounce the practice of raising our hands upwards to foreign gods, we will only worship You. Forgive our forefathers and us in using our faculties to worship the enemy and the dark kingdom.

Forgive our forefathers for dancing in circles and clapping their hands all night long, and coming into agreement with the demons of the night. We renounce those ways even in our day, we evil is plotted in the midnight hours. We repent of our prayerlessness, and ask that You will raise up in our communities intercessors that will stand in the gap in the midnight hour, lifting our voices to the true El (God), and intercede for our nation.

Forgive our forefathers for believing in the Healing dance, as they connected with the power of the god, believing that evil would be driven out and healing would take place, during full moon around a fire burning throughout the night. Even to the point where there would be nose bleeding with the intensity of the dance allowing entry level into the spirit realm, through chanting, dancing and the beating of the drums.

I declare that these powers will have no effect upon me and my family any longer, in the Name of Y'shua.

In the Name of Y'shua, I repent of all rituals practiced with animals, fire, water, fat, blood and milk in an attempt to call rain. I repent of any and all rituals practiced between September and January, when the high mountains were visited to practice ceremonies for rainmaking and to make rock paintings.

I repent of every dance (trance-dance) that was practiced for rainmaking, in the Name of Y'shua. FATHER, I repent of the human sacrificing in times of drought.

In the Name of Y'shua, I ask that You will forgive these horrible sins and that You, in Your Great Mercy, will silence the blood of those people with the Blood of Messiah Y'shua, so that it will no longer call upon wrath in our bloodline.

I repent of every exalting name the god Tsunigoab received, and I declare that You are the Name above all names and all glory and honor belongs to You!

FATHER, in the Name of Y'shua, I ask that You will trace and destroy with Your Holy Fire, every un-Godly altar where other gods received worship, or where un-Godly sacrifices

were made, blood flowed, or where “graves” were strategically put to form power-points in the spirit.

I ask that You will forgive us for every un-Godly and unholy prayer directed to Tsunigoab and Heitsi Ebib, or any other false god, and that You will render it powerless.

In the Name of Y'shua, I now renounce and rebuke all powers and influences of Gaunab upon me and family.

I repent of every form of worship he received from me and my family, by means of nature phenomena, strange behavior of animals, stars, and so forth.

I repent of wearing and having faith in lucky charms to shun off evil. I renounce and repent of all the superstitious beliefs my forefathers practiced, for example, throwing salt over your left shoulder when you enter a house late at night ... or not to whistle in the house ... or when a knife falls on the floor (depending on the size of the knife), then someone tall will visit ... and to place salt at the entrance of the door, to keep evil away.

I declare that only through the Blood of Messiah Y'shua and His Name, we are able of conquering the powers of darkness and I now call upon Your Grace and Mercy to deliver me and my family completely from any destructive effects of all the above-mentioned sins.

I ask that You will sever me and my descendants from the connection with the spirit of the Elk which occurred during:

- ◆ Puberty of girls,
- ◆ First hunting-experience of boys,
- ◆ Marriage,
- ◆ Trance-dance,

... I ask that You will forgive us for each and every instance where I and/or my ancestors “left our bodies”, and I ask in the Name of Y'shua, that You will restore me and my family from the destructive effects there-of, in body, soul, and spirit – and that You will also wipe out all ungodly footprints we left in the spirit realm.

### ***Slavery and Alcohol Abuse***

Forgive our ancestors and ourselves for stealing from their/our employers, even though they/we felt underpaid. We choose to forgive the employers for undermining and abusing our ancestors and ourselves, and making them work hard and long hours, and then paying them with alcohol (“dop stelsel”), or very little money.

Forgive our ancestors, especially the men, who had no sense of responsibility – who once they received their weekly wages, would first make a turn by the local shebeen or pub, and return in a drunken stupor with a family awaiting in anxious anticipation of drama and violence, that would play out when the father arrived home. Please forgive the fathers for not being fathers for their children or husbands for their wives. Forgive them for not taking up the role of head of the home and leading their families in obedience to Your Word.

Father, please forgive the mothers who also gave themselves over to alcohol to anesthetize the pain of rejection and abuse. Forgive the mothers who then neglected their children and raised another generation of abused, angry and broken people.

Father, please break the demonic cycles that have ruled our families for so many generations; sweep with Your Broom of Destruction and silence the demonic prophecies that have been speaking over our families from the sun, the moon, the stars, the planets and constellations, in the Name of Y'shua (Jesus)!

## Land rights<sup>5</sup>

### In closing....

I ask for Your complete forgiveness for all these un-Godly practices – and I ask that You will break every curse upon me and my family, and turn it into a blessing.

I ask that You will now put the axe to every un-Godly root of this family-tree to which I belong, which does not bear good fruit, and uproot it in the Name of Y'shua! Thank You FATHER that from this moment forth, mercy, grace, and favour follow us all the days of our lives and that of our descendants.

In the Name of Y'shua, I \_\_\_\_\_ now lift up YHVH Nissi (My Banner, Jesus Christ) over this family-line to which I belong, and I declare that He reigns over us from now on, and that this family is now connected to the Kingdom of GOD and severed from the kingdom of darkness!

In the spirit, I now erect an altar for You in the midst of this family-line. I declare that I will honour my father and mother, but I turn my back upon all of their sinful practices and their superstitious beliefs that have enslaved our generations.

FATHER, I thank You that Your Redemptive Purpose over me and my descendants will no longer be delayed, and now that I have renounced the wicked and evil ways of my forefathers, I thank You that we are now being positioned to receive a baton of grace, mercy, and favour ... that we are ready to become like a Joseph that provided what was needed, and through this Your Favour was evident and Your Glory (Esteem) became known amongst even those who do not serve You as yet.

In the Name of Y'shua, I now receive Your Forgiveness with gratefulness, and believe that Your Plan, Purpose, and Destiny for me, my descendants, and all those of the First

---

<sup>5</sup> Ownership of water and grazing-regions are being jealously guarded. The goodwill of the spirits plays an important role here. A person declares a commitment to them and gets ownership of old tribal regions through the contacting of its waters. This involves a ceremony at the waters. A similar ceremony is administered when visiting another tribe. The person identifies himself with the place and its spirits, and obtains protection and support instead of hostility. All land claimed by a tribe was the general property of that tribe. House animals were taken through rituals like chasing them through the smoke of a fire. Fires had to be kept burning during hunting-seasons to ensure protection and success. Various superstitions are kept during hunting-seasons. An important ceremony in the old days was the initiation of a hunter in a community – his body was painted with the blood of the animal, and the skin and intestines were twined around his arms.

Peoples (Khoi/San) lineage, who will embrace their redemptive purpose will become the ones who will allow Your Kingdom to come, and Your Will to be done on the earth.

**Amen!**

# Prayer renouncing roots of slavery

FATHER GOD, I thank You that I can come before Your Throne of Grace and Mercy because of the completed work of Y'shua, Your Son, at Calvary and that He has redeemed me with His Blood, not with silver or gold.

I bring before You my ancestral heritage and I ask You, FATHER, to cut me free from every **sin, curse** and **iniquity** that I inherited.

I accept full responsibility for those sins and iniquities, and I want to confess them before Your Throne of Mercy to receive forgiveness in the the Name of Y'shua.

I know that there is no forgiveness without confession, and therefore I want to confess the following sins in detail in the Name of Y'shua:

I confess all the sinful reactions towards those that **sold** us, those that **bought** us, those that **mistreated** and **abused** us.

I confess all anger, hatred, bitterness, rejection, self-rejection, retaliation, murder, violence, curses spoken and vows sworn to take revenge, in the Name of Y'shua of Nazareth.

I choose to let these sinful emotions and reactions go in the Name of Y'shua. I choose to forgive those that were involved in making me a slave, in the Name of Y'shua.

As I receive mercy from You, our FATHER and KING, I extend mercy to those that placed chains on my hands and feet, and degraded me – in the Name of Y'shua and by the Power of the Holy Spirit, I forgive them!

I nail everything detail that was done to me and me forefathers to the Cross of Messiah Y'shua, and cover it all with the Blood of Y'shua.

I choose to walk away from the past in the Almighty Name of Y'shua. I renounce all demonic inheritance in the Name of Y'shua and cut myself free from the territorial spirits that think they still have a hold on me, operating from the countries of origin where my forefathers came from. In the Name of Y'shua, I renounce all familiar spirits and I command you to let me go now!

FATHER, I ask You to curse all demonic roots. I renounce all occultic callings, ranking, gifting, talents and abilities in the Almighty Name of Y'shua.

FATHER, I also bring before You the fruits that have resulted in my life because of the root of slavery, and I ask You to set me free and to break the power of these patterns and cycles over me and my family:

- ◆ The fear of hunger.
- ◆ The fear of loosing possessions, and as such would build barriers to protect what I believed is mine.
- ◆ This resulted in stinginess, and also jealousy especially amongst families.

- ◆ If families were “well-off”, and families and neighbours became aware of this, the borrowing would begin. If the family was not prepared to borrow, then jealousy and cursing started.
- ◆ All eating disorders.
- ◆ Obsessions with food.
- ◆ Alcoholism and drugs.
- ◆ All forms of addiction.
- ◆ Inability to handle money.
- ◆ Stealing, gambling (card games, horse racing), and wasting affecting their generations to come for years.
- ◆ Obsession to own land.
  - FATHER, I know now that we are only stewards and I choose to be a faithful steward with all that You bless me with, in the Name of Y'shua.
- ◆ All forms of poverty.
  - In faith.
  - Self-worth.
  - Relationships.
  - Family life.
- ◆ Sexual promiscuity.
  - Masturbation (all forms of self-comfort).
  - Illegitimacy.
  - Rape.
  - Incest.
  - Peeping-Toms.

FATHER, please forgive me and my family for allowing and indulging in these sins, in the Name of Y'shua. I nail each one of these things to the Cross of Y'shua, and cover them with the Blood of Y'shua.

FATHER, I receive my forgiveness now in the Name of Y'shua. I bind and rebuke all demonic oppression of my generations, in the Name of Y'shua and I command you to go now in the Name of Y'shua! I resist you, satan, and the Word of God says you must flee.

**James 4:7** *“So be subject to God. Resist the devil [stand firm against him], and he will flee from you.”*

I thank You, FATHER, that I am Your child and that You have adopted me as Your very own.

I do not have a spirit of slavery to put me once more in bondage to fear, but I have received the spirit of adoption ... the spirit producing sonship in the bliss of which I cry, Abba FATHER!

**Romans 8:15** *“For [the Spirit which] you have now received [is] not a spirit of slavery to put you once more in bondage to fear, but you have received the Spirit of adoption [the Spirit producing sonship] in [the bliss of] which we cry, Abba (Father)! Father!”*

I reject and renounce all the chains and yokes of slavery and declare I have been set free by the Power of the Holy Spirit and by the Blood of the Lamb!

### ***Kaapse Klopse (Ministrels)***

Father we forgive the slave masters who treated our forefathers in a derogatory manner, and treating them as 2<sup>nd</sup> grade citizens. According to Your word, we are all made in your image. We forgive those who chose a day for the slaves (our forefathers) on 2<sup>nd</sup> January, and the impact this day has had on the history of Cape Town. The slaves then celebrated on 2 January, known as Tweede Nuwe Jaar (Second New Year). In wanting to compensate the slaves the owners gave them a day off. This was a false compensation, and it was never Your plan to have people subjected by slave masters.

Father we stand in repentance for those who finance this annual event, and prayer that you bring an end to this event, and that the allocated finances will be used to eradicate poverty in the townships.

Father we repent for all the associated activities related with the ministrels, and they indiscretion of not been able to take charge of their financial matters, but would go out of their way to ensure that they look good on the set day. Father we stand in repentance where these 'klopse kamers' have been marked in areas, by rope spung across electrical poles, with the specific minstrel colours that they will parade in each year. Forgive our forefathers and us for allowing other evil and wicked activities to manifest because of the marking of turf.

We stand in repentance and bring down these strongholds, and bring every thought into the submission of Y'shua Messiah [Jesus Christ].

Father forgive our forefathers for not understanding who You created them to be, and just accepted the title of 'slave', thereby enslaving generations to come. Forgive our forefathers for embracing slavery as a form of identity, and also the pagan worship that is associated with it, e.g groups of carnival performers: Klopse (loss of identity/identity crisis), Nagtroepe (Malay choirs)(slavery root) and Christmas Bands (pagan worship). Nagtroepe begin their parade on New Year's Eve through the city streets and Christmas Bands open the carnival season on Christmas Eve and march through their neighbourhoods playing hymns and Christmas carols. (All pagan worship).

Father, because of the slave mentality, strongholds have been established and alters raised to foreign gods, keeping generations bound and enslaved. Children often take of the role of voorlopers, who lead troupes, and there are no age restrictions for participants in the march. That is why in nations like Indonesia, Java (they do not have a problem with child labour). We repent on the abuse of children, and ask that You forgive us for not speaking out against this practice.

Father we renounce and repent the role of the 'Atchas' dressed up like red Indians, where someone dressed up like the devil in compete red attire, with the horns on the head. ( This is also connected to shamanism.)

Father we forgive those who did not allow our forefathers the freedom of the city, and when they took to the streets, engaged in troupes, resulting in the toi toi that is so prevalent in our nation today.

Father we repent on those who named the slaves as Mosbiekers, because of the dark tanned skin they had, and even in our communities today people are referred to Mosbiekers because they are dark skinned. Forgive us Father for our ignorance and prejudice that we even have amongst ourselves.

Father the long era of slavery and the descendants of slaves built the city of Cape Town (repentance and forgiveness and renunciations needed), as this City does not have a proper foundation because it was built on resentment and bitterness, even though it was named by the Khoi as Camissa a place of sweet waters). That is why everything are allowed in this City, and its countryside towns and farms.

Father we thank You that You have a redemptive purpose for the City of Cape Town, and as offspring of the 1st Peoples of this nation, we forgive, renounce and repent all the activities that our forefathers engaged in, and ask that all that was lost be restored, so that our future generations will embrace the priesthood responsibility given by You, so that the land can be redeemed.

**N**ote: Camissa was the name given to the City Bowl by the Khoi pastoral farmers, 'the place of sweet waters' (Argus article in 2009)

Thank You our FATHER and KING for removing the marks of slavery from my body, soul, and spirit ... and removing my name from the enemy's books of slavery.

Thank You for silencing the bells of slavery that have been calling for generations in the spirit.

Thank You FATHER that my value is not determined by what I do and what people think of me. My value is determined by who I am – a blood washed child of GOD – bought by the Blood of the Lamb – that is my value!

I love You FATHER and thank You for setting me free! I am a child of the Most High God. Thank You Father!

In the Name of Y'shua,

**Amen!**

# First Peoples (Khoi/San) prayer of renunciation for Shamanism

**Remember to seal the premises before praying.**

FATHER, I acknowledge Your written Word in:

**Deuteronomy 18:9-13** *“When you come into the land which the Lord your God gives you, you shall not learn to follow the abominable practices of these nations. There shall not be found among you anyone who makes his son or daughter pass through the fire, or who uses divination, or is a soothsayer, or an augur, or a sorcerer, Or a charmer, or a medium, or a wizard, or a necromancer. For all who do these things are an abomination to the Lord, and it is because of these abominable practices that the Lord your God is driving them out before you. You shall be blameless [and absolutely true] to the Lord your God.”*

... I acknowledge this as the Truth, and repent for having practiced divination and sorcery, for having interpreted omens, for having engaged in this type of witchcraft, and for having consulted the dead – all things which the Word says are detestable to You, FATHER.

I know that all these things will lead to my destruction, and to spiritual separation from You.

I ask you FATHER to forgive me for having practiced these abominable practices.

I repent FATHER for having gone against Your Word in Exodus 20, by having made an idol of my ancestor's beliefs, directly and indirectly, intentionally and unintentionally, because of ignorance.

I come before You and RENOUNCE the sinful, occultic practices of my ancestors.

I REPENT on behalf of my ancestors for taking part in any of the occultic rituals that they embraced and passed onto their lineage.

I ask You FATHER, to forgive, cleanse, deliver and restore me, in the Name of Messiah Y'shua.

I repent FATHER, on behalf of myself and my ancestors for participating in trance-dances, going into the spirit world and meeting other demonic entities to gain demonic knowledge. I ask that You forgive me and my ancestors for believing in these practices and not believing in Your Word; rejecting the TRUTH that has the power to deliver, heal and set us free.

I renounce the belief of the First Peoples [Khoi/San], who worshipped everything in creation and not The Creator Himself (Romans 1). I acknowledge this as idolatry, which is connected to the fertility cults and witchcraft. Forgive us for indulging in these iniquitous practices.

I repent of my belief that events and activities in the spiritual realm cause the events of the physical world, including death, sickness, weather and food/water supplies, and for believing that I could alter these states through trance-rituals.

I renounce the role of my ancestors where they stood as an intermediary between mankind and the spirit world and interceded with the nature spirits. I renounce and give back to satan all ranking and position which was passed onto me and my generations when my ancestors participated in this role.

I ask You FATHER, to please deliver myself as well as my descendants from every occultic calling passed on to us by our forefathers when they worshipped other gods. We want to embrace Your Call on our lives, and know that through repentance and deliverance, the Blood of Messiah Y'shua washes, cleanses and restores us.

### ***Worship of Nature for Healing***

I renounce my belief in Animism (that all rocks, plants and animals have spirits, souls and personalities). I repent on behalf of myself and my ancestors for worshipping these things, and not worshipping You as The One and Only God and Creator of the Universe.

I renounce the belief in magical formulas with medicinal herbs that were used to keep away evil; this took the place of trusting in Your Word and using my authority as Your child.

I renounce all ceremonies such as pipe smoking, dancing the animal, ceremonies for the dead soul and the vision quest.

I renounce the medicine wheel and its connection to the four elements (water, fire, air and earth) as well as its connection to the spirits of the four directions (north, south, east and west) as well as up and down.

I renounce the use of nature, such as herbs, plants, flowers and trees; gemstones, crystals and minerals; and animal feathers in shamanistic practice.

### ***Trance Dance and Drugs***

I renounce trance dancing and journeying in the spirit realm as well as every other occultic practice that my ancestors engaged in.

I repent for having entered into the spirit world through a vision or trance, whether induced by spiritual teachers, esoteric practices, drumming, singing, chanting, rattling, dancing or breathing techniques.

I renounce the drum and the steady, rhythmic beat of the drum used to enter into a trance.

I renounce the dance cycles set to phases of the moon and months of the year.

I renounce all hallucinogens, sacred plants or psychedelic drugs (especially magic mushrooms) used to induce a trance or vision.

I renounce all magical substances inserted into the body by spirits to enhance powers.

I renounce ALL and EVERY form of trancing – astral projection and shape shifting included.

I repent for being excited, moved, and raised into an ecstatic state (moved out of one's self).

I repent for having interacted directly with the spirit world, in any form or manner (spiritual or physical).

I renounce all help, aid, assistance, guidance or power derived from supernatural sources (in any form whatsoever) during this journeying.

I renounce every form of journeying in a trance state as well as all spirit worlds traveled to or through. I ask You, Father, to remove all traces of me as well as my footprints from all the levels and places in the spirit where I travelled – sweep with Your Broom of Destruction and silence all witnesses testifying against me in the spirit, in the Name of Y'shua (Jesus).

I renounce sacred sites such as leylines, sacred springs, rivers, caves, mountains, trees and crossroads as gateways to the spirit realm.

I renounce all holes, openings, doorways, roads, tunnels, caves, animal holes, hollow tree stumps or whirlpools used to descend into the lower world.

I renounce all mountaintops, treetops, cliffs, flights on eagle's, fire, smoke, ropes, ladders arrows shot into the sky and rainbows used to ascend into the upper world.

I renounce these central places as sacred places to gods, spirits and shamans.

I renounce my belief in parallel universes and alternate realities.

I renounce the role of spirits performing tasks, recovering lost souls, and clearing obstacles on the path to the spirit world.

I renounce all totem guardian spirits (those over both tribes and individuals).

I renounce the role of the guardian spirit and all empowerment with magical powers, who served as our family's "animal power" or alter ego.

I renounce assuming the form and power of the guardian spirit within an altered state of consciousness.

I renounce seeing, conversing with and using it.

I renounce contacting this guardian spirit through the ceremony of "dancing the animal."

I renounce all spirit helpers (spirits who have minor powers and specialized functions such as curing certain diseases and illnesses).

I renounce all helper spirits (usually deceased friends or relatives eager to help humans in humble ways).

I renounce all tonals (a spirit in animal form, which symbolizes the person's soul or birth date).

I renounce all familiars. I renounce all power, protection and assistance gained from spirit or power animals (the spiritual energy or essence of the animal on earth, the actual animal spirit).

I renounce the ability to take on the "power" of an animal spiritually, taking on the special abilities and powers of that animal.

I renounce the wearing of masks, skins and claws during ceremonies as well as imitating the movements, growls and calls of the animal.

I renounce being painted with clay/paint to represent an animal.

I renounce using sacred plants, dancing and drumming to enter into an altered state of consciousness so as to travel to the spirit world in the form of the power animal.

I renounce the ancient spirits or spirit guides (the embodiment of the ancient peoples of the earth).

And now FATHER, I ask that You send Your Angels to escort these spirits and demons to become the Footstool of Messiah Y'shua of Nazareth.

I declare that all cords, bonds, and spirit and soul ties between myself, and all these above practices, are NOW cut and sealed by the Blood of Messiah Y'shua of Nazareth.

I thank You, FATHER, that I, by Your Grace, am set free from all bondages and judgements.

I thank You FATHER that those whom You set free are free indeed, and that the bondage of Shamanism in my life is broken!

I declare this prayer now sealed with the Blood, Power, and Authority of the KING, Messiah Y'shua.

**Amen!**

# Prayer dealing with tattoos

***Exodus 20:1-6 “And God spoke all these words, saying, I am the LORD your God who brought you out of the land of Egypt and out of the land of bondage. You shall have no other gods before Me. You will not make for yourself any graven image, or any likeness of anything in the heaven above, or in the earth beneath, or in waters under the sea. You will not bow down yourself to them, nor serve them, for I the LORD your God am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generation of those who hate me, and showing mercies to thousands of those who love me and keep my commandments.”***

This passage speaks of making for yourself graven images or pictures. A tattoo is like an engraved picture in the skin made with ink to last forever. Verse 4 speaks of making any likeness in the heaven above, which could indicate tattoos of...

The Sun, the Moon, the Zodiac Symbols, the Stars, Fallen angels, the Grim Reaper, Demonic faces and also vultures, eagles, swallows, sparrows, owls, ravens or pigeons, fairies.

**...or in the earth beneath,**

Snakes, scorpions, dogs, wolves, jackals, lions, tigers, leopards, cats, mice, dinosaurs, apes, hyenas, naked women, faces of loved ones, spiders, skeletons, mosques, churches, flowers, open books depicting the laws of particular 'Number' gangs, dragons, the statue of Liberty, flags especially the US and British flags, money and dollar and pound symbols, weapons like knives, pangas, axes and guns, different hand signals showing particular gang membership, sexual organs,

**...or in the waters,**

*Dolphins, sharks, crocodiles, octopuses, mermaids, Neptune*

These tattoos are like demon tags. It is like satanic altars that open up occultic gates in your life. Tattoos represent the journey you are on and when you look at someone's tattoos then you can actually determine his ranking in the underworld.

**... under the earth,**

*The realms of death and the underworld*

When you see tattoos of the Grim Reaper, Skull & Bones or the Hangman's Noose then it is possible that the person made a covenant with death and is willing to go all the way to the grave with his cause.

When you see tattoos of a male organ it signifies the person's sexual orientation is homosexual. Tattoos of money and dollar and pound symbols shows that the person is a thief and a robber and a worshipper of money.

Tattoos with weapons and blood show men of blood who are involved in blood sacrifices. When you see a tattoo of a right hand it shows affiliation to the 26 and 27 (Sunup) gang and when you see a tattoo of the left hand then it shows affiliation to the 28 (Sundown) gang. A tattoo of a knife pointed upwards or a knife pointed downward respectively signifies 26 and 27 gang affiliation or 28 gang affiliation.

In the nineties the American Rapper Tupac Shakir sang a song titled "*Thug Life*" which became quite popular after his death. In Manenberg in the stronghold territory of the Hard Livings gang they had a large mural painted on one of the Court walls. The painting was of Tupac and the slogan "*Thug Life*" was also painted on the wall. Many gangsters adopted the slogan and has "*Thug Life*" tattooed on their chests. I found out that the Concise Oxford Dictionary describes the word Thug as a "*Member of religious organization of assassins in India suppressed by 1825; cut-throat and ruffian.*" **Can you see the spirit operating in men who bound themselves with that tattoo on their bodies?**

Modern tattoos include the Chinese symbol of Yin and Yang and Chinese characters, which shows the influence of the spirit of the East in South Africa. I've also seen tattoos of the dragon becoming more popular even with gangsters. Tattoos have become so fashionable today that it happens that you see a man full of tattoos on his body and yet that man may not even have spent a day in prison or has any gang affiliation. Ladies put tattoos around their navel and at the base of their spine not realizing that they are spiritually binding their reproductive organs, bladder, kidneys, stomach and their spinal cord. I've seen men with tattoos of barbed wire around the upper arm. I heard of a man who had the whole picture of the new Cape Town International Stadium tattooed on his back last year during the 2010 Soccer World Cup Tournament. I wonder if it was for fun or was it for divination purposes?

Around the region of the South-Indian Islands and Australasia you'll find places like Papua New Guinea, West Samoa, Tahiti and Fiji where tattoos are quite normal in their cultural makeup. To a large degree these tattoos identify from which tribes they originates.

### ***An Article in the Joy Magazine on Tattoos***

Tattoos amongst the Amazon tribes identify the various members of a given tribe. In Papua New Guinea, all kinds of body scarification, tattoos and body mutilation distinguish the various tribes. Among the tribes in Borneo tattooing is mainly associated with headhunting (a visible sign of success) for men and the coming of age of women – in some cases it symbolizes their social status. Tattoos are part of "the rites of passage".

A pagan view on the subject: "A tattoo is a complex signifier; it signals class; it signals sexuality; and it has specific content as a signifier; a depiction of an animal, a person, an abstract tribal design. The most usual motifs are signifiers of power and masculinity.

But what the tattoo signals above all is the power one seizes over one's own body... To be branded or tattooed shows also that you have the requisite guts to join the group... it serves as a sign of pain and hence of resolution." (Crispen Sartwell) To put this in simple terms, it is a form of autonomy (self law) which is idolatry.

"Tattooing is often a magical rite in the more traditional cultures, and the tattooist is respected as a priest or shaman."

- Michael Dello, Tattoo: The Exotic Art of Skin Decoration (End of Joy Magazine Article.)

## PRAYER POINTS TO DEAL WITH TATTOOS

**Leviticus 19:28** *“Do not cut your bodies for the dead or put tattoo marks on yourself. I am the LORD.”*

Father, in the Name of Messiah Y'shua I ask you to remove every tattoo on my body that presents me as an agent of Satan.

Father, in the Name of Messiah Y'shua I ask Your forgiveness for unwittingly putting tattoos on my body which actually showed collective family patterns. I may have had the same tattoos that another family member or ancestor may also have had, which symbolized the same family sins or underworld affiliation.

Father, in the Name of Messiah Y'shua please forgive us because when we put tattoos on our bodies we activated the Kundalini Serpent spirit and fire to come in and bind us.

Father, we know that many of South Africa's gangster tattoos represent Sun worship. We ask You to forgive us for becoming involved in this form of idolatry.

Father, in the Name of Messiah Y'shua please forgive us that we used our tattoos to declare our gang or tribal identities. From this moment on we proclaim our identity to be in Messiah Y'shua of Nazareth our Saviour and Redeemer.

Father we acknowledge that Your Holy Spirit is the only Spirit that gives us power and the gifts of Your Spirit is a manifestation of Your power. LORD we repent and ask for forgiveness because we rejected Your Holy Spirit power and we tattooed our bodies to symbolize occultic power and ranking.

Father we ask forgiveness for putting tattoos of animals on our bodies not knowing that we have connected to religions of animism and animal spirit worship.

Father, in the Name of Messiah Y'shua please forgive us for putting tattoos of the Sun, Sun rays, the Moon, the stars or constellations of stars on our bodies depicting worship of those heavenly bodies. LORD we acknowledge that these things in the heavens were given to all nations to enjoy and You O LORD gave a definite warning that we should not look up to them and be enticed to worship them. Please forgive us for worshipping the creation and not the Creator.

Father, in the Name of Messiah Y'shua I ask that all portals may be closed by the blood of Jesus Christ. Because of certain satanic tattoos on our bodies we unknowingly opened up portals in the spirit for demons to enter into us ... please forgive us LORD in the Name of Jesus.

Father in the Name of Messiah Y'shua we ask for Your forgiveness because we allowed spiritual monitors to follow us and stalk us because our tattoos were like bright shining demonic tags in the spirit.

Father, please seal these demon tags with the Blood of Messiah Y'shua and remove all demonic authority so that the enemy will have no more legal ground to communicate with us through the gateways of our tattoos.

Father, in the Name of Messiah Y'shua please take Your flaming sword and destroy every spiritual soul tie that still binds us with workers of iniquity because we have the same gang or tribal tattoos.

Father, in the Name of Messiah Y'shua please forgive us for putting tattoos of water creatures on our bodies, which connected us to marine altars and water spirits. These water spirits then opened up the doors for sexual sins in our lives.

Father, in the Name of Messiah Y'shua please forgive us for putting tattoos of flags on our bodies. The Star Spangled Banner of the US and the Union Jack of the UK which actually represents Free Masonry.

Father, in the Name of Messiah Y'shua please forgive us for putting tattoos of the flags of the 26, the 27, the 28, the Desperado or the Air Force on our bodies. By these flags we showed allegiance to these groups and our involvement in the darkness of the occult.

Father, in the Name of Messiah Y'shua please forgive us for even putting drawings and tattoos on other people's bodies. O LORD please remove the authority and influence that we have over them. From now on LORD allow us only to exercise godly influence and godly authority over them.

Father, in the Name of Messiah Y'shua please forgive us as we now repent that we used our tattoos as a tool to instill fear in other people.

Father, in the Name of Messiah Y'shua we ask that You break the stronghold of tattoos forever over our lives and that when people see us that they will not see the tattoos that we display but that they will see the Fruits of Your Spirit that we display.

Father, in the Name of Messiah Y'shua we repent that we defiled our bodies with tattoos, our bodies which were supposed to be a dwelling place for Your Holy Spirit. Your Word says that if any man is in Christ he is a new creation and from today onwards we declare our bodies to be a dwelling place for Your Holy Spirit.

Father, please restore us so that the tattoos on our bodies will have no more authority in the spirit to speak into our spirits or our souls. Please LORD help us to gain spiritual victory over our tattoos. Thank You Y'shua.

**Amen!**

## Wrapping-Up Prayer AFTER Deliverance (for the counsellor)

Dear Heavenly FATHER, we approach You by the Authority given to us through Messiah Y'shua.

Thank You for the work being done here today. We pray against any whiplash, backlash, and judgment from the enemy.

We ask FATHER, that You will cut any un-Godly spirit/soul-ties formed in the spirit because of the deliverance that took place, also any transference that took place between their spirit, soul, and body to my spirit, soul and body. We plant the Cross of Messiah Y'shua between myself and the counselee. Thank You that no transference will take place. We take Your Comprehensive Insurance for our families, relationships, and possessions.

We ask that You will cleanse and purify this property and this room with the Blood of Messiah Y'shua of Nazareth and Your Holy Fire, that no demon will attach itself to any object and all human and dead human spirits be removed by Your escort angels to the footstool of King Messiah Y'shua. That all defilement be removed and swept away with Your Broom of destruction.

FATHER, we ask that You remove any watchdog and marker demons, that have been assigned by the kingdom of darkness to mark the property in the spirit for a counter attack through astral projection, to the Feet of Messiah Y'shua.

We also want to declare the Kingship of Messiah Y'shua of Nazareth over this place and that all openings<sup>6</sup> are sealed off with His Blood.

**AMEN!**

Remember to go before the FATHER and shower yourself with the Water of the Word. You may also want to perform a *mikvah*<sup>7</sup> (baptism), to symbolize a cleansing after deliverance. Remember too to enter into praise and worship and fill yourself with the FATHER's Presence again.

---

<sup>6</sup> Openings include telephone and fax lines, computers, water pipes and sewerage, electricity circuits, Wi-Fi networks.

<sup>7</sup> For additional study, see our book *"J2F Understanding Water Baptism And The Baptism Of The Holy Spirit"*

In closing, after these curses have been dealt with and broken, it is very important to restore BLESSINGS ... we want to encourage fathers to take this calling seriously, and to begin BLESSING their families according to the Commandment of the LORD that the priests bless with the following blessing ...

## Priestly Blessing

Numbers 6:24-27

*“Y’varekh’kha YHVH v’yishmerekha.*  
**May YHVH bless you and keep you.**

*Ya’er YHVH panav eleikha vichunekka.*  
**May YHVH make His Face shine on you and show you His favour.**

*Yissa YHVH panav eleikha v’yasem l’kha shalom.*  
**May YHVH lift up His Face toward you and give you peace.**

**Numbers 6:27** *“In this way they are to put **My Name** on the people of Isra’el, so that I will **Bless** them.”*
