

THIRD FULL MOON 2018 & THE FEAST OF PURIM

Approaching the 3rd Full moon, we bring
you the more information.

Further to our **2018 2nd New Moon report**, we do as promised earlier, bring our balance of information to you as we now **approach** the 3rd Full moon for 2018.

The 2nd New Moon of 2018 which occurred on the 15th of February heralded the beginning of the 12th month of the Hebrew year 5778.

The Full moon of Adar occurs on the 16th day of Adar being the 2nd day of the month of March 2018, coincident with the day of celebration of the Hebrew Feast of Purim.

PURIM / FEAST OF ESTHER

2018 3rd Full moon / Purim occurs at full moon (March 2, 00:52 UT on March 1, at the same time Purim (lots) will be celebrated.

It is so-called after the lots cast by Haman in the **Book of Esther**, to determine the date he would destroy the Jews.

This is a minor feast commemorating the deliverance of the Jews from the plot of Haman, chancellor to the King of Persia in the days of Esther. When Haman wanted to discover through astrology which month would be the most 'vulnerable for Israel', he cast lots to choose the month and day. The lot fell upon the 12th month. When Haman's plot was foiled, the 12th month was transformed for the Jews from a month of grief and mourning to one of rejoicing and festivity.

Watchmen should gird their loins like Esther and Mordechai because the spirit of Haman is multiplying in the earth. The spirit of Haman is the spirit of the thief, the one who steals, kills, and destroys (**John 10:10a**). It is the spirit of the massive destroyer.

As we continue therefore in this month of Adar, let us come to Abba Father with fasting and prayer. Let us call upon Adonai Elohim, the Lord our God.

Let us pray that the Lord will rescue His people (Jews and Gentiles) from the plots of modern day "Hamans" who seeks to kill steal and destroy.

Pray for Israel, Nigeria, Kenya and other nations in the face of all the terrorism that they face from their enemies.

Please meditate on the entire **Book of Esther** as you fast and pray.

The Lord will surely frustrate the tokens and lots of the Haman spirit and make diviners mad and turn their knowledge into foolishness; Adonai will surely hear us and confirm the words we proclaim the scriptures in prayer and intercession (**Isaiah 44: 24-26**).

Further reference to the 12th month can be found in the **Book of Ezra**. For example, despite the hardship and hostilities faced by the Diaspora returnees during the time of Ezra (e.g. see the **Book of Nehemiah, chapter 4**), the second Temple was completed on the 3rd day of Adar, and the dedication was celebrated with great joy (**Ezra 6:15 ff**).

Let us pray for the finishing anointing in all our tasks this month so that we can enter the month of Passover (Nisan - new moon of March 17) prepared to advance to our next assignment(s) in Christ.

The month of Adar is the month of Naphtali, whose name means 'wrestling.'

This month in which the spirit of Haman wants to wrestle with sorcery and other satanic weapons, we must remember the Word of God:

Ephesians 6:12-18 *"For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Therefore, put on the whole armor of God, so that when the day of evil comes, you may be able to stand your ground, and, after you have done all to stand, stand firm, with your loins gird about with the belt of truth, with the breastplate of righteousness, with your feet shod with the preparation of the gospel of peace. In addition to this take up the shield of faith, with which you can snuff out all the fiery darts of the evil one. Take the helmet of salvation, and the sword of the spirit, which is the word of God. And pray in the spirit at all times with all manner of prayers and requests. With all of this in mind, stay alert and always pray for all the saints."*

Other Remaining Events of the Season:

March 4: Conjunction of Venus and Mercury (**Psalm 19:1-6**)

March 9: Jupiter begins its backward movement (pray for divine reversals **Isaiah 44:24-25**)

March 9: Last quarter moon: last point of significant strength in the month. Praise Yeshua, our Light and our salvation (**Psalm 27**).

March 13-16: Last crescent moon (sickle of the moon) - In occultic and witchcraft settings, the crescent moon is called Hecate's sickle. Pray that all demonic sickles be broken in Yeshua's Name. Apply the Blood of Yeshua on this alignment. Thrust the sickle of Jesus into the heavens by proclaiming **Revelation 14:14ff**, and chase away the army of satan away from the heavens (**Psalm 18:45**).

Beloved, the LORD has put His Words in our mouth to plant the heavens and lay the foundations of the earth (**Isaiah 51:16**).

Consequently, we must fasten the Word of God into the heavens so that righteous plantings can take roots. We must uproot unrighteous plantings (**Matthew 15:13**).

Thus, from one new moon to the next new moon, we should be applying the Blood of the Lamb of God on the moon, asking the LORD to blot out handwriting of ordinances written against His people by the army of satan (**Colossians 2:14**).

March 17: New moon of Passover.

Ask the Lord to **remember** Israel at this time.

Let there be peace in Jerusalem **Psalm 122**.

Revelation 4, 5, 11:15: Proclaim that the kingdoms of your life, family, business, nation, etc. have become the Kingdoms of our Lord and of His Christ and He shall reign forever.

May our Mighty God (El Gibbor) strengthen you and your house as you watch with Him.
