

Prayers of Renunciation: ANCIENT ROOTS

Ephesians 6:10-12 “10 Finally, my brethren, *be strong* in the Lord, and in the *power* of his might. 11 Put on the whole *armour* of God, that ye may be able to *stand* against the wiles of the devil. 12 For we *wrestle* not against flesh and blood, but against *principalities*, against *powers*, against the rulers of the *darkness* of this world, against *spiritual wickedness* in high places.”

Preface

These prayers have been written according to personal opinions and convictions, which are gathered from many counseling sessions and our interpretation of the Word of GOD, the Bible.

In no way have these prayers been written to discriminate against any persons, churches, organizations, and/or political parties. We ask therefore that you handle this book in the same manner.

What does it mean to renounce something?

To renounce means to speak of one's self. If something has been renounced it has been rejected, cut off, or the individual is refusing to follow or obey. Other words that fit with the subject of renunciations include refuse, repudiate, and resist. It is a joy to realize that by the act of our repentance, we can appropriate the finished work of Messiah Y'shua¹ (Jesus). His shed Blood reverses all curses. Scripture says:

Proverbs 28:13 *"13 He who covers his transgressions will not prosper, but whoever confesses and forsakes his sins will obtain mercy."*

We have seen the effect in so many people's lives of confessing, repenting, and turning away from the idolatry and demonic covenants that have permeated their very existence, unbeknown to them. The fact that this exists is truly an evil demonic plot against the Body of Messiah.

2 Corinthians 4:2 *"2 We have renounced disgraceful ways (secret thoughts, feelings, desires and underhandedness, the methods and arts that men hide through shame); we refuse to deal craftily (to practice trickery and cunning) or to adulterate or handle dishonestly the Word of GOD, but we state the truth openly (clearly and candidly). And so we commend ourselves in the sight and presence of GOD to every man's conscience."*

¹ Y'shua (Hebrew) is Jesus' real name, which means "Salvation". We have no problem with the name "Jesus" – it is merely the Greek transliteration of "Y'shua". Jesus is the name most of us grew up with. Remember though, Y'shua was a Jew, of the Tribe of Judah, not a Greek. It's sort of like this ... when you come to know someone's real name, you want to use it, hence the use of Y'shua instead of Jesus. Another powerful reason to use Y'shua is that every time you say His Name, you are proclaiming "Salvation". You will also note in some places, we have used the real Name of the FATHER, YHVH. The Name is made up of the Hebrew letters, **Y**od-**H**ey-**V**av-**H**ey, and is most commonly pronounced "Yahweh" or "Jehovah". Again, we have chosen to use this, as YHVH is the FATHER's Name.

Y'shua (Jesus) calls us to be actively engaged seeking freedom and wholeness, no matter what our life experiences.

GOD's Word gives us a promise:

Isaiah 54:17 "17 But no weapon that is formed against you shall prosper, and every tongue that shall rise against you in judgment you shall show to be in the wrong. This [peace, righteousness, security, triumph over opposition] is the heritage of the servants of the LORD [those in whom the ideal Servant of the LORD is reproduced]; this is the righteousness or the vindication which they obtain from Me [this is that which I impart to them as their justification], says the LORD."

Guidelines for using the prayers of renunciation ...

The Book of James highlights very clearly for us that there is a two-fold step in order to be released from all bondages.

James 4:7 "7 So be subject to GOD. Resist the devil [stand firm against him], and he will flee from you."

The two-legged renunciation of occultic involvement is:

1. Confession of involvement.

To confess involvement, the prayer is read out loud, preferably with one or more witnesses present, as well as with a trained counselor. The reason for this is so that the individual will have a memorial of remembrance of the renunciation prayer. These prayers are similar to proclamations ... as such we encourage you to declare them boldly and in faith, covered by the Blood of Messiah Y'shua [Jesus].

James 5:16 "16 Confess to one another therefore your faults (your slips, your false steps, your offenses, your sins) and pray [also] for one another, that you may be healed and restored [to a spiritual tone of mind and heart]. The earnest (heartfelt, continued) prayer of a righteous man makes tremendous power available [dynamic in its working]."

Only half of the renunciation process has been completed at this stage. The next part is very important. This is where the counselor is essential.

2. Warfare ... resist the enemy.

The counselor now comes in agreement with the individual and conducts spiritual warfare against the kingdom of darkness as the Holy Spirit leads to deal with each one of the elements that is contained in the prayer.

In writing these prayers, we have tried to highlight or bold certain key words – such as the powers of darkness involved and the effects of involvement – that we feel are important, and which need to be specially addressed.

The powers are rebuked, bound, uprooted from the bloodline, and commanded to become a footstool to the Messiah Y’shua [Jesus]. Remember to also cut the individual loose from the man-made laws and institutions of the organization/s involved.

These prayers are however only a guideline. If there are concepts or sections that the Holy Spirit highlights for you as you pray, then we encourage you to address these, and ask the Holy Spirit to direct you on how to bring the breakthrough. ***Remember, He is our Perfect Teacher and Counselor!***

Psalm 110:1 “*THE LORD (GOD) says to my Lord (the Messiah), Sit at My right hand, until I make Your adversaries Your footstool. [Matt. 26:64; Acts 2:34; I Cor. 15:25; Col. 3:1; Heb. 12:2.]*”

Hebrews 1:13, 10:13 “*13 Besides, to which of the angels has He ever said, Sit at My right hand [associated with Me in My royal dignity] till I make your enemies a stool for your feet? [Ps. 110:1.] 13 Then to wait until His enemies should be made a stool beneath His feet. [Ps. 110:1.]*”

3. Restoration with the Kingdom of GOD.

Finally, the individual must choose to submit under the Law of Messiah Y’shua [Jesus].

Galatians 3:10 “*10 And all who depend on the Law [who are seeking to be justified by obedience to the Law of rituals] are under a curse and doomed to disappointment and destruction, for it is written in the Scriptures, Cursed (accursed, devoted to destruction, doomed to eternal punishment) be everyone who does not continue to abide (live and remain) by all the precepts and commands written in the Book of the Law and to practice them.*”

In conclusion, we leave you with the blessing commanded by the LORD ... May He be your Shield, your Light, and Shalom [Peace]. May He grant you the victory in all things, that you may learn of His Ways, and SH’MA² [hear and do].

Blessings!

Declaration³ of confidence in **GOD's Protection ...**

No weapon that is formed against us shall prosper and every tongue, which rises against us in judgment, we do condemn. This is our heritage as servants of the LORD, and our righteousness is from You, O LORD of Hosts. If there are those who have been speaking or praying against us, or seeking harm or evil to us, or who have rejected us, we forgive them and, having forgiven them, we bless them in the Name of the LORD

Matthew 5:43-45 *"43 You have heard that it was said, You shall love your neighbor and hate your enemy; 44 But I tell you, Love your enemies and pray for those who persecute you, 45 To show that you are the children of your FATHER Who is in heaven; for He makes His sun rise on the wicked and on the good, and makes the rain fall upon the upright and the wrongdoers [alike]."*

Romans 12:14 *"14 Bless those who persecute you [who are cruel in their attitude toward you]; bless and do not curse them."*

Now we declare, O LORD, that You and You alone are our GOD, and besides You there is no other – a just GOD and Saviour, the FATHER, the Son and the Spirit – and we worship You!

We submit ourselves afresh to You this day in unreserved obedience. Having submitted to You, LORD, we do as Your Word directs. We resist the devil – all his pressures, his attacks, and his deceptions, every instrument or agent he would seek to use against us. We do not submit! We resist him, drive him from us and exclude him from us in the Name of Y'shua [Jesus]. Specifically, we reject and repel infirmity, pain, infection, inflammation, malignancies, allergies, viruses and every form of witchcraft.

Finally, LORD, we thank You that through the sacrifice of Y'shua [Jesus] on the cross, we have passed out from under the curse and entered into the blessing of Abraham, whom You blessed in all things – exaltation, health, reproduction, prosperity, victory and GOD's Favour.

Galatians 3:13-14 *"13 Christ purchased our freedom [redeeming us] from the curse (doom) of the Law [and its condemnation] by [Himself] becoming a curse for us, for it is written [in the Scriptures], Cursed is everyone who hangs on a tree (is crucified); 14 To the end that through [their receiving] Christ Jesus, the blessing [promised] to Abraham might come upon the Gentiles, so that we through faith might [all] receive [the realization of] the promise of the [Holy] Spirit."*

AMEN!

2. PRAYER OF RENUNCIATION OF NAZISM

(To be prayed out loud)

Dear Heavenly Father,

I acknowledge there is only **One True and Living God** who exists as the **Father, Son and Holy Spirit**. I acknowledge **Christ Jesus** as the **Son of the Living God, the Word that became flesh** and dwelt among us. Jesus, You are worthy to receive **glory, honour and power** for You have created all things and in You, all things have their being.

Father God, You have proved Your love for me by sending Your Son to die for me.

When I accepted You, Jesus, as my Lord and Saviour, I was saved by Your **grace**. This was a **gift** from You and not the result of any works on my part. I acknowledge that all my sins are forgiven in Christ Jesus. All charges that were against me were nailed to the cross and cancelled; therefore the devil has nothing with which to accuse me. You have redeemed me from the Kingdom of darkness and transferred me to Your Kingdom. Now I am in right standing with God.

With You, Lord Jesus, I can do all things. I thank You Lord that when I was saved, the Holy Spirit came to live within me. I thank You, Lord that I am conformed into Your image and likeness. Jesus, You came to set the captives free, those bound by sin or occultic powers. I declare that it is God's **Truth** that will set me free.

Jesus, You have **all authority in Heaven and on earth**. You have conquered and disarmed all evil principalities and powers and triumphed over them at the cross. Now I am seated with You in Heavenly places.

Jesus, You have all authority over satan and every one of his demons and they are subjected to You. I stand strong in You, Lord Jesus, and resist satan and all his evil schemes. I am covered and protected by Your precious **Blood**. Your spiritual weapons are Mighty to tear down all the strongholds of the enemy in my life(2 Cor 10:4).

Jesus, I bind and rebuke all evil spirits and powers of darkness that would seek to interfere with this time of prayer.

I renounce all counterfeit gifts and works of Satan in my life. I take my position in Christ and declare that You, Jesus, is my Lord and my God. I look only to You, Jesus, as my **Deliverer** and **Healer**. You know my specific needs and concerns. I claim Your Word, which says, "All who call upon the Name of the Lord shall be set free." Lord Jesus, I now call on Your Holy Name to rescue me and set me free.

Dear Heavenly Father, I come before You on behalf of myself and my ancestors and I ask **that You will forgive us for all known and unknown sins** and sins not repented of in Jesus Name.

I pray for forgiveness for all sinful and occultic practices and idolatry of seeking knowledge, healing, comfort, identity, anointing, or powers from any occult, psychic or secret source.

I confess any areas of unbelief as well as the sin of prayerlessness, in Jesus Name.

In the Name of Jesus Christ of Nazareth, we break the demonic seals over me and my family, we bind the sealing demons assigned to keep the Nazi religious structures in place, and we dismantle and destroy the altars and covenants made with satan by ourselves or our forefathers, in Jesus Name.

I renounce my submission to the **spirit of Adolf Hitler** and his "religion of blood", as well as his party, the NSDAP. I pray that You will forgive me and my ancestors for every membership to the NSDAP and its organisations, and I cut myself and my family loose from these organisations, in Jesus Name.

I stand in the gap for any of my ancestors who held a **position in the NSDAP** [block leader, SA town group leader, leader in the Hitler Youth, SS Storm leader or any specific position], namely, _____. I pray for forgiveness for participating in hall battles, **destruction of Jewish property**, robbery, **spreading of Nazi thought patterns**, establishment of Nazi rulership, use of **forced labour**, oaths and **murder attacks**. Lord Jesus, I bring this guilt to Your Cross and I cut myself and my family loose from every covenant with Adolph Hitler and the power of Nazism.

I pray for forgiveness that I / my ancestors had **lifted our right arm in greeting with the words "Hail Hitler"** and that we thereby **blessed and worshipped Hitler**. I renounce the bonding with Hitler as a **high priest**, as **king**, as **prophet**, as **healer**, as **leader**, as **'messiah'**, as well as his **'anointing'**. I cut these ties in the Name of the Lord Jesus Christ.

I renounce the song we sang: "Adolph Hitler is our Saviour, our hero, he is the noblest being in the whole wide world, for Hitler we live, for Hitler we die, our Hitler is our Lord. I declare you are the Lord of Lords and the King of Kings.

I renounce the Nazi spirit that worked through Hitler and that was transferred to me, and render it powerless in the Name of Jesus Christ of Nazareth.

I renounce Hitler's slogan "I want to see in the eyes of the youth again the gleam of the beast of prey ", and render it powerless in the Name of Jesus Christ of Nazareth.

I renounce the **creed of the sacred blood ritual** "it is great to fight for our country and even to die for our country ".

I cut myself and my family loose from the oath sworn by the soldiers and their total obedience to Adolph Hitler [*" With this oath, I swear to God, my unconditional obedience to the leader of the German empire, Adolph Hitler, the Officer Commanding of the defence force, and that I, as a brave soldier, declare myself willing to always defend this oath with my life."*].

I/my ancestors cut ties with the oath of the **Hitler Youth**; " I give my blood and life to the one who leads us all. ", and I renounce the Horst Wessels song **sung by the youth**; ["We will march further until everything falls into shatters! Because today's Germany belongs to tomorrow and the whole world will belong to us."].

I renounce the **youth chant** ["we are rising up to face storms of battle and hero's death is our right and we are nothing, our race and nation is everything"].

I renounce the oath ["I swore to serve "volk and vaterland" to the last drop of my blood"].

Lord, Jesus, please forgive us for this **idol worship**, this **conceit** of our nation and our race and the **rejection** of God the Father, God the Son, and God the Holy Spirit as my All in all.

I break all ungodly covenants that were made with me, spirit, soul or body, tying me to my nation.

Father, please forgive me and my ancestors for having been involved with these ungodly covenants.

Please restore me and my family back into the Covenant that we have with You through the Blood of Jesus, in the Name of Jesus Christ.

I pray for forgiveness that I/my ancestors had made a covenant with the **spirit of death** and I declare it now powerless in the Name of Jesus Christ of Nazareth. As a representative of my nation, I pray for forgiveness that **euthanasia**; the murder of the so-called useless life was allowed and practiced. I loose myself from all **death rituals** which were done with the **spirit of death**. Lord, please cut me and my family loose; spirit, soul and body from every **spirit of death and** of each dead human spirit assigned to us. I cut myself loose from all gateways to the underworld, realms of the dead and from all graves and coffins. I break the curse of spiritual and physical death over me and my family, and ask You Father, to change that curse into a blessing in the Name of Jesus Christ of Nazareth.

Psalms 118:17 *"17 I shall not die but live, and shall declare the works and recount the illustrious acts of the Lord.*

I renounce all ungodly spiritual boundaries that have been ordered to surround me and I ask You to remove these boundaries in Jesus Name.

I cut myself loose from the blasphemous writings of Nietzsche, of Hitler's book "**Mein Kampf**", and Alfred Rosenberg's teaching; "**Myths of the 20th Century**" and from all the principles these works proclaim.

Lord Jesus, I pray for forgiveness that I/my ancestors, had rejected the Bible, the Word of God. I loose myself especially from the **spirit of racism** which resulted in the religion of the superiority of the **Arian race** and hatred towards the Jews, them being the Apple of Your Eye. Please forgive me and my ancestors for being guilty of these sins.

I renounce the **spirit of the anti-Christ** and render it powerless in the Name of Jesus Christ of Nazareth.

I renounce the **New World Order** and everything it stands for in the Name of Jesus Christ of Nazareth and therefore I renounce the doctrine of total enlightenment to a point of total nothingness.

I renounce the **spirit of the beast and the number 666** and render it powerless, in the Name of Jesus Christ of Nazareth.

I renounce the **spirit of the dragon and the serpent** and render them powerless in the Name of Jesus Christ of Nazareth.

I renounce every **religious spirit** that I have allowed to work against the Kingdom of God in my life, and render it powerless in Jesus Name.

Father, I want to ask You to forgive me for not welcoming the Truth and that I had allowed **lawlessness** to rule my life. We opened ourselves up to the **strong spirit of delusion**. [2 Thes. 2:10 11] I renounce the **spirit of deception** and I render it powerless in the Name of Jesus Christ of Nazareth.

I renounce the **bewitchment** that came through all the rebellion, seduction to evil and submitting to misleading influences, and render the power of all forms of **witchcraft** powerless in the Name of Jesus Christ of Nazareth.

I renounce the belief that Nazi blood attained a secret symbolic power, ritualized and sanctified in a ceremony known as the "order of the **blood flag**". I renounce this blood flag by which my nation rebelled against the Blood of Jesus, and I renounce the **swastika** as the substitute for the Cross.

I cut myself loose from the ritual where power was transferred from Hitler's flag onto each Nazi flag as soon as Hitler touched any other flag with his blood flag, and that this transference of power was confirmed/sealed with a handshake. I break this demonic seal over my life as well as my family, in Jesus Name.

I renounce the belief that the blood ties me to the superior **Aryan master race** and that the soul of the race is embedded in the blood of the nation. I loose myself from the **blood and earth myths** and the power of the **Nordic Runen**.

I sever the umbilical cord and every tie to this demonic bloodline in which demonic spirits are transferred through the blood from generation to generation, in the Name of Jesus Christ of Nazareth.

I renounce the **swastika** and every spiritual meaning connected to it, as well as all powers and assignments of the swastika, and render it powerless in the Name of Jesus Christ of Nazareth. I renounce the swastika as a **gateway or doorway** that draws one through a vortex [whirlpool-like] effect from the outer world to the inner realm of the psyche into deeper levels of consciousness [spinning rituals].

I renounce the **swastika** as a cipher to represent the Greek Goddesses **Astarte, Athene and Artemis, who all demanded human sacrifices**. I cut myself loose from all the different **dimensions, meanings and assignments** of the swastika. Lord Jesus, I ask that You purify my body with Your precious Blood, from any **swastika gateways** on my body [tattoo's etc.], soul and spirit, and that You will close such gateways in Jesus Name. We fire the gatekeepers assigned to these gates, in Jesus Name.

I renounce the "**Walküre**" and the connection with the sun as an Amazon or as a muse with the moon, as well as the glorification of the female principle of the universe. I also loose myself from any **tantric sex** and the two entwined serpents, in the Name of Jesus.

I renounce the symbol of the **Hindu god Ganesha**, the elephant head child-god [mockery of Jesus Christ as Mediator]. I cut myself loose from the animal spirit of the elephant, and all it's attributes, in the Name of Jesus Christ of Nazareth.

I renounce the **Nordic myths** that replaced the Christian Bible.

[Hitler stated: "Today, a new myth is dawning. The myth of the blood, the belief that the godly essence is to be defended through the blood. The old beliefs will be brought back to honour again, the whole secret knowledge of nature and spirits. We will wash off the Christian veneer and bring forth a religion peculiar to our race "]

I renounce **Wagner's operas**; "Dawn of the gods" and "Parcival" which both glorify the power of pure blood and that it was an ethnic retelling of the quest for the Holy Grail.

[The Holy Grail was said to be a mystic vessel that contained secret blood and it promised mystical powers to anyone who drank from it. This Holy Grail could only be found by those who were of purest blood]

I break the power of this **sound magic**, namely; all the sound waves, hypnotic music notes and beats that are in rhythm with my heart beat, I cut my heart beat free in Jesus Name. I cut myself loose from any of the characters in the operas in Jesus Name.

I renounce the amalgamation of the elements of the Holy Communion declaring that the wafer and grail are the two interlocking keys to the hidden, spiritual universe of mankind, including the **tribal empire of Wotan and Thor**. I cut myself loose from the **shaman-practices** and **blood-thirst** of Wotan and the **hammer and lightning** of Thor. I cut myself loose from the **Holy Grail as the cup that contained the blood of the martyrs** that were last sacrificed, and the Holy Grail as the cup from which Jesus drank from at the Last Supper.

I renounce every **knightly order**, namely; the Teutonic Knights, Knights of the Round Table, Most Noblest Knights and Temple Knights.

In the Name of Jesus Christ of Nazareth, I renounce the **SS** and everything it stood for, especially that they were regarded as **special selected warrior priests** who had to fight for the survival and the multiplication of the 'super race'. I stand in the gap and pray for forgiveness that our nation tolerated the so-called "**Lebensborn**", which practiced legitimate prostitution and selection for race purposes. I renounce the **spirit of prostitution**. Lord Jesus, in Your Name, I break the curse of fathering **illegitimate** children. (Deut 23:2)

Father I pray that You will forgive me and my ancestors for all **sexual iniquities** and **sex magic**, for allowing **Lilith** and the **Leviathan** to rule over and through us.

Lord Jesus, please forgive me and my ancestors for committing the sin of war crimes and crimes against humanity, humanely despicable experiments in the concentration camps, and genocide.

I renounce the SS dagger and the curse upon it causing confusion. I declare that You have given me a sound mind in Jesus Name. (2 Tim 1:7)

I renounce the **worship of ancestors**. It is a sin of **spiritism** and I ask You to destroy every family- and prayer-altar, and that You sever all strongholds in my mind with Your Holy Fire, in the Name of Jesus Christ of Nazareth.

I renounce the ritual in which **16 Nazi heroes** were honoured as **martyrs** of the "Reich" when they died, and the myth that they were resurrected and achieved eternal life.

*[In a mystical and festival performance in Nürnberg, the dead were brought in at midnight. This **Night of the Dead** was declared as the **birth of the "Reich"**. Apparently they fought and died victoriously when the Third "Reich" was established. Their blood was regarded as "holy water" of the Third "Reich".]*

Father, I cut myself and specifically my heart beat loose from the **marching rhythm** and **marching orders** in Jesus Name. I cut myself loose from **mass hypnosis** through the marching and **marching songs**. Father, please destroy all **footprints**, **time clocks** and the power of **Father Time** with Your Holy Fire, in the Name of Jesus Christ of Nazareth. I ask You to restore and renew my mind in Jesus Name [Rom .12:1-2].

I renounce the **Temple of Honour**, which became a shrine to the German Nation - the temple where the blood of the **16 Nazi heroes** was held. I renounce each and every name of the 16 martyrs that were called out. Father, I pray that You will silence forever the voices of the dead human spirits that answered "here" when their names were called out.

I renounce the slogan "force without spiritual foundation is doomed to failure". I declare Jesus Christ is the Only true Foundation and Rock, that Jesus Christ is the Only True Cornerstone.

I renounce all rituals and sacrifices that have been done by all **Catholic, Buddhist, Hindu (Bhagavad Git, caste system) Tibetan monks**, all sacrifices to the mountain gods of the **Himalayan Mountains** and every other occult Priest in their temples and I declare them to be powerless in Jesus Name. I ask You, Father to destroy every object used in the rituals and to reverse the curses that resulted because of these rituals, into blessings.

I ask that You forgive me and my ancestors that we did not discern the True Body of our Redeemer, Jesus Christ from such false rituals. I pray that You will destroy all the curses that originated from this sinful behaviour towards You, in Jesus Name.

I renounce all secret oaths to **pagan and demi-gods** as part of any initiation ceremony into organizations which still practice these beliefs.

I renounce the **demi-god Pegasus** as the “bearer of lightning” and it’s connection to the hippocampus [the place of memory] in my body, and as the synonym of the **White Horse** in Revelation. I renounce the ungodly practice of **meditation** that stimulates the spiral energy called **Kundalini** or coiled serpent, which rises from the base of the spine to the **Pineal Gland** of the brain to bring total enlightenment. I renounce Pegasus as a symbol of the time of new consciousness, which will bring forth a whole new civilisation - a new world, a new age. I renounce the **constellation Pegasus** in the heavenlies as the **gateway** which leads into this new time era.

I cut myself loose from the **sun, the moon and its phases, the stars and the planets**. I ask You to please break every link between the rays of the sun and the moon, and myself, and to destroy any contract between the heavenlies and myself in Jesus Name.

I cut myself loose spirit, soul and body from every evil spirit ruling over Germany. I renounce and render every territorial spirit used to control me, powerless in the Name of Jesus Christ of Nazareth.

I cut myself loose from all forms of **occultic power**, namely; casting spells, black and white magic, and all other forms of witchcraft to reach higher levels of consciousness.

I renounce **trance** channeling, consulting familiar spirits, **communication with the dead**, séances, consulting counselors from the spirit realm, consulting **wizards**, ascended masters, **spirit guides**, wise masters, **witches, shamans, mediums** or separatists.

I renounce magical or occult **hypnosis**, metaphysics or mind science, remote control, sorcery, astral projection and soul travel, **using pyramid power, mind control, or mind manipulation**, amulets and charms, power crystals, banners or flags with demonic anointing and religious medals.

With the authority of Jesus Christ I renounce and render powerless **all implants, chips** or tracking devices that might have been placed in my body, soul or spirit, and ask You, Jesus to remove them supernaturally.

I cut myself loose from all worship given to the demonic kingdom in **Atlantis**. I cut myself loose from every **river, waterway, and gateway to Atlantis**, from the **Queen of Atlantis** and of **being her slave**, from **Poseidon the god of the sea**. I cut myself loose from all **crystal pyramids, crystals, light waves** coming from the crystals, crystal energy in the waters at Atlantis. I cut myself loose from the **water spirits of Atlantis** and everything that binds me to Atlantis in the Name of Jesus Christ of Nazareth. **Father, Your Word says that I have been translated from the kingdom of darkness into Your marvelous Light!**

I renounce the **Phoenix**, the **golden eagle and falcon** as symbols of Atlantis and of **reincarnation**.

With the authority of Jesus, I destroy all places **and points of contact** in the spiritual as well as physical realms, for example; tunnels, bridges, highways, airways, waterways, foot prints, aromas, colours, videotapes, cassettes, all sound waves, gifts received, and any human material that was left behind in Germany and that is being used in rituals, in the Name of Jesus Christ of Nazareth.

I curse **all the roots of all my family trees**, as well as the growth and fruit thereof. I uproot the trees growing in the under-world, in the Name of Jesus Christ of Nazareth.

I cut myself and my family loose from every **umbilical cord** connecting us to the **false fatherhood**, which Hitler demanded from every subject, as well as from any connection to demonic kingdoms whether in the **waters**, under the **sea**, on **earth** and in the **heavens** above Germany. I ask You Father, to remove all such control over me and my family in Jesus Name.

I ask You, Father **for divine protection from all backlashes, whiplash and judgment** that could come upon any member of my family, every individual person and myself in Jesus Name.

Father, I choose to apply the Blood of Jesus Christ, my Redeemer once again to my spirit, soul and body for **purification, sanctification and reconciliation** back unto You.

I declare that the Power of Jesus Christ totally over-rules the power of Satan.

I renew the Covenant that I have with You Father, in the Name of Jesus through the Blood of the perfect Lamb sacrificed for me once and for all, and I now re-instate/re-activate all the blessings and promises that this Covenant speaks of in Jesus Name.

The Blood of Jesus has the FINAL WORD!!!

He is the ALPHA AND OMEGA, the FIRST and the LAST!!

He is the Author and Finisher of my faith!!

HALLELUJAH!!!!

AMEN.

SWASTIKA

A SYMBOL OF:

- ❑ Widely used as a secret writing form to represent the **Great Goddess**, with the feminine deities **Astarte**, **Athene** and **Artemis** – all being associated with this symbol. One of the oldest goddess images unearthed – dating back to the third millennium, it has a swastika inscribed over its **sexual triangle**.
- ❑ In addition to being found extensively in its square form, the swastika is also widely depicted as a **four-armed swirling spiral**, conveying the idea of a **whirlpool-like vortex** whose function is to draw one's consciousness from the outer world to the inner realm of the psyche (as in spinning rituals).
- ❑ In **shamanic culture**, the spiral swastika tunnel was a symbol of the bridge between the worlds which had to be traversed by the shaman at the beginning of his trance state.
- ❑ In essence the swastika represented both the **doorway** and **passageway** through to this spiritual realm.
- ❑ Essentially, the swastika is a simple, geometric cipher that was used as a symbolic shorthand for the image of the **labyrinth**.
- ❑ Labyrinth is generally regarded as being both a **womb** in which something new is brought to birth and a **passageway** that has to be traversed- with all its **serpentine** twists and turns-before the treasure at the centre can emerge.
- ❑ NB! The swastika/labyrinth is thus a symbol of both the passageway leading to a sacred spiritual realm, and the **feminine figure** who guides one to it. In ancient Germanic and Norse cultures, this **female guide** and **guardian** was known as the Valkyrja or Fylgja. Just as the swastika is made up of a **doubled-rune**, so does the Valkyrja manifest herself in **two ways** in peoples lives. On the one hand she is an **amazon figure** who protects and gives courage to the **warrior** on the battlefields of life, and on the other hand she is a **MUSE** who inspire the shaman, poet and artist in their endeavours. In her **amazon** aspect the Valkyrja is associated with the **sun**, and her **muse** aspect she is associated with the **moon**.
- ❑ The swastika can be viewed as **two serpent** symbols crossing over one another-the serpent being universally associated with the Great Goddess in ancient religion.
- ❑ Swastika a symbol of Hindu Swastika god – GANESHA - **elephant** head, child-god. Mockery of Jesus Christ as mediator. The essence of the swastika – in terms of GANESHA - it is a feminine symbol - symbolic of the yoni (vulva) for the Great Goddess. The yoni of the Great Goddess is seen as the **doorway** into her cosmic body and veneration of her yoni is an integral part of Indian religion.

- The swastika a symbol of Wodhanaz – **Wotan** being the ancient Germanic god of **war, magic and mystical illumination**. He is described as “the Beseker”, the god of **storms, the wanderer, the warrior, the lord of the dead, the master of secret knowledge, the magician and god of poets**.
- Wodhanaz was believed to appear to men in the form of a **falcon**. This bird of prey was a widespread symbol of **war and spiritual illumination** in the ancient world and was associated with mythological figures as diverse as **Merlin and Horus**. Interesting that **Dionysus (Pan)** is seen synonymous with this Germanic god.
- In essence, Wodhanaz is a god who **enters into** and **possesses** his devotees, producing either a **state of mystical exultation and mental inspiration** on one hand, or a state of **pure, martial bloodlust** on the other – a highly desirable state for **a warrior** on the battlefield of old. The men **closest** to the spirit of Wodhanaz were therefore the **shamans and warriors**, with the area of activity of the **shamans** being the **inner world** of spirit, and that of the **warrior** the battlefield of the **outside world**.
- NB what essentially connected men to Wodhanaz was the **ancestral chain** stretching back to him. It was by honoring and keeping alive the **memory of their forefathers** that men’s connection to Wodhanaz was strengthened, thereby ensuring the **spiritual health** of the **tribe**, and helping to **guarantee** its **survival into the future**.
- Swastika is a symbol of the “**Sacred Sacrament**”
- Swastika is the **gateway to the “realm of consciousness”** and all the spirits involved.
- Swastika symbolize the Holocaust.

South African President Paul Kruger and the Nazi's

THE HIMMLER STORY:

Himmler persuaded Hitler to agree to the **racially pure** and **elitist** lines along which he wished to develop the SS.

From an early age Himmler had been fascinated by the history of the Nordic peoples, and in particular **King Heinrich 1**, also known as **Henry the Fowler**. Heinrich 1 had successfully defended the German lands from the invasion attempts of the Slav hordes, and was elected **King of the Germans** in 919. It has often been suggested that **Himmler considered himself the spiritual reincarnation of Heinrich 1.**

The Racial Guidelines For The SS

Himmler was also enthralled by the history of the **Order of Teutonic Knights**. Formed in the late part of the twelfth century, the Order was entrusted with colonising the Slavs under its **Grand Master, Hermann von Salza**, after whom Himmler was later to name one of his elite panzer units of the Waffen-SS. For almost 200 years, the **Teutonic Knights** spread German culture and influence throughout eastern Europe. In July 1410, however, a combined Slavic army of Poles, Russians and Lithuanians defeated the Teutons at the **Battle of Tannenberg**. After the Order had been defeated, the legends of its chivalry lived on. To many Germans, the tales of the gallant deeds of the Teutonic Knights were as much a part of their cultural heritage as the legends of **Arthur and the Knights of the Round Table** were to the English-speaking world.

His interest in the medieval legends of Teutonic chivalry imbued in Himmler a romanticised view of the history of the Germanic races. Much of the **symbolism of German military pageantry** stemmed from its **medieval past**. For example, the design of the **Iron Cross**, a **black cross-trimmed with silver**, was influenced by the design of the cross used by the Teutonic Order. The colours of the order, **black and white**, became the **colours of Prussia** and, later, the **SS**. Himmler sought to create in his SS a **new Teutonic Order** to spread his version of Germanic culture throughout Europe. Only the finest of German bloodstock would be accepted into his elite SS, which would celebrate ancient German pagan rites and customs. **Ancient runic script** was widely used by the SS in its own particular heraldry, the most famous of all being the **double Sig-rune** of the **SS collar patch**.

For all Himmler's unimpressive physical appearance, he was a superb organiser and quietly, but determinedly set about producing the **elite organisation** he wished the SS to become. Discipline was tightened, dubious characters ejected and, from this point on (January 1929), every prospective SS member would be required to produce evidence of his **lineage going back over three generations**. Together with Nazi ideologist **Alfred Rosenberg** and crackpot racial theorist **Richard Walter Darré**, Himmler even introduced **marriage rules**, which gave him the power to veto an SS man's future bride if she could not produce sufficient evidence of Aryan ancestry.

Of course **Himmler's** rules were not to be applied to himself, and SS members who had served during World War 1 were also exempt. Himmler's concept of elite was new and was based on a prospective candidate's **racial ancestry, respectability, sobriety of habit, physical fitness** and, above all, **loyalty**.

SS Mysticism

Himmler himself was a firm believer in the '**Aryan master race**', but he was also an **empire builder**, and he was perfectly willing to bend his own rules to achieve greater power and influence. He also indulged in private fantasies, such as his **restoration of the ruined castle of Wewelsburg outside Paderborn**, in which he had a **round table** constructed to seat his chosen "**knights**" in the manner of **Arthurian legend** (an idea he got from his favourite composer, **Richard Wagner**, himself an **anti-Semite**).

So intense was his fascination with **pagan Nordic** and **medieval German history**, that Himmler created a special **research institute**, whose study included the meanings of **pagan runes** (runes that formed the basis of much **SS insignia**).

Himmler's mystical attitude towards the world was accompanied by a firm belief in the virtues of **homeopathic medicine**. He was also, like Hitler, a **vegetarian**, and these two subjects, in addition to astrology and the occult, soon became extra subjects of study for the institute – the **Ahnenerbe**, or **Society for the Research and Teaching of Ancestral Heritage**. But Himmler's interests were not purely theoretical, they were also pragmatic. For example, he combined the entire German **mineral water bottling and distribution system** into the highly profitable WVHA, the SS's economic administration department.

Himmler was also totally pragmatic in his dealings with the **Vatican** (which would later help a number of Nazis to escape retribution after the war by providing new identity papers). This was despite his aversion to priests and his largely unsuccessful attempts to stamp out church-going in the SS. Ironically, Himmler did not hesitate to borrow extensively from the **Jesuits** in the structure and rituals of the SS. With their strict moral code, the **Jesuits** had been the “storm troopers” of the **Counter-Revolution**, and so close were some of the parallels between the **Society of Jesus** and **Himmler's SS** that Hitler called Himmler “**my Ignatius Loyola**”, after the Society's founder.

Loyalty, discipline and personal honour, as well as a willingness to sacrifice one's own life, became the keynotes of the SS creed.

SS-dagger

The SS's motto, engraved on the dagger, which was itself part of the overall mystique, is the key to the SS mentality: **Mein Ehre heisst Treue (Loyalty is my Honour)**. What made the SS motto so unusual was that the loyalty was to one person alone - Adolf Hitler - rather than to something abstract such as the state or the constitution. This is shown in the **SS oath**, which in the **Waffen-SS** was taken after basic military training had been completed by a cadet (an *anwärter*), and who was rewarded by the presentation of the SS dagger (which recruits had to pay for themselves). The **oath**, being taken on **20 April (Hitler's birthday!)** read as follows:

*'I swear to thee, Adolf Hitler
As Führer and Chancellor of the
German Reich
Loyalty and bravery.
I vow to thee and to the superiors
Whom thou shall appoint
Obedience unto death
So help me God.'*

SS Honour Ring

*LEFT.. A fine example of an **SS honour ring**, which is engraved with the **death's head design** and numerous **runic symbols**. Himmler accorded **great mystical significance** to the ring.*

However, strangely, being the recipient of a **Totenkopfring** was an award coveted almost as much as a **Knights Cross**. The **silver Totenkopfring** had a **skull and crossbones** on the front and **runic symbols** around the band, which were supposed to reinforce the wearer's '**psychic**' **Germanic virtues**. It was not a military decoration, but a **personal reward** for service from Himmler himself, and the ring was supposed to go to the grave with its wearer.

PART 1: INFORMATION

PART 2: RENUNCIATION PRAYER

PART I: INFORMATION

In essence this hatred towards the Jewish people is a passionate rebellion towards God. He revealed Himself to the Jewish people, through the covenant with Abraham, the Ten Commandments, His prophets, and through our Lord Jesus Christ and His disciples. God's Word declares in Deut. 7:6 – ***“For you are a holy and set-apart people to the Lord your God; the Lord your God has chosen you to be a special people to Himself out of all the peoples on the face of the earth”.***

Every Jewish person, by his very existence, points to God. It points to His election, His calling and His purposes. He singled them out from all other nations – He has kept them from perishing in their thousands of years of history. They are the living proof of His existence. The book of Jeremiah 31:35-37 records: ***“Thus says the Lord, Who gives the sun for a light by day and the fixed order of the moon and of the stars for a light by night, who stirs up the sea's roaring billows, or stills the waves when they roar – the Lord of Hosts is His Name. If these ordinances of fixed order depart from before Me, says the Lord, then the posterity (seed) of Israel shall also cease from being a nation before Me throughout the ages. Thus says the Lord God: if the heavens above can be measured and the foundations of the earth searched out beneath, then I will cast off all the offspring of Israel for all that they have done”.***

The reason why Satan hates the Jewish people so much is because it displays God's veracity and His reality is proven by the way He has kept His promises and all His prophecies towards this nation. It speaks of His great mercy, His steadfast, unconditional love and His faithfulness - even though they did not deserve it.

The following are anti-Jewish policies, particularly those coming from the Church applied against Jewry in their dispersion:

- Conversion – you have no right to live among us as Jews!
- Expulsion – from the secular, influenced the church
- Annihilation – you have no right to live at all!

These attitudes triggered the most outrageous crimes against the Jews from as early as the sixth century AD. They were being forced to live in ghettos and sporadic massacres followed – much bloodshed took place. Since the church at that time had great influence over all the rulers of Europe, many forms of oppression, injustices, and repressive measures were employed against them.

In 313 AD, under Emperor Constantine, great intolerance, insulting language and bloodshed occurred – in particular the antics of the monk Barsauma, who roamed Palestine with followers, razing synagogues.

With regard to the land of Israel – the Church claimed to be the heir, on the premise that with the destruction of Jerusalem and the rejection of the Jewish people by their God, that the entire covenant, including the Promised Land, belonged to Christendom.

Political legislature forced Jews to convert, methods of terror, political oppression and death by the sword took place. After Constantine the Jews suffered persecution and anti-Semitism was termed: “Permanent Christian state policy” under the Emperor Justinian (527-565 AD).

Origen, an early Church father attempted to harmonize the New Testament with the philosophy of Plato.

It was said that the Church has replaced Israel and that the Jewish people will never have a future as the Divinely Chosen People. Also that the Messiah will never establish His Messianic Kingdom that He promised them.

They were called racist, elitist and arrogant – while in fact they tenaciously remained a separate and distinct race because of their faith in the coming of their Messiah to establish a promised kingdom.

Augustine, the Bishop of Hippo’s teachings was based on the findings of Origen, whose legacy the Roman Catholic Church applied and instituted (replacement theology). These findings were directly responsible for the reprehensible Crusades and the slaughter of millions of Jewish people as well as those who did not embrace the Roman Catholic faith, who were either killed or branded on the cheek.

During the Crusades, terrible crimes took place. Wholesale slaughter took place under the Jews and Muslims under the pretext of “The New Israel” and establishing the “Kingdom of God”. The Knights Templars “Defenders of the Faith” were also very active then. The Jews, who survived, were sold into slavery.

Malicious lies were let loose against the Jews – popular beliefs of their “blood-thirstiness and their murder-lust” against Christians. Even the artwork, the music and writings bore traces vividly depicting Jewish people sacrificing Christian children at Passover.

They were expelled from certain countries and were driven to isolated parts of Eastern Europe, only to be further persecuted by the Russian Orthodox Church and later by the Communist Regime.

Many of these crimes must be laid at the doorstep of the church, many popular anti-Jewish sermons preached from the pulpits were engraved into the minds of Christians!

The Jewish people were charged for the desecration of the host (communion element), bringing in its train, great persecution and bloodshed – these charges resulted in the extermination of Jewry in Belgium (1370).

The Jewish people were accused of being responsible for the Black Death Plague (1347-1351) and once again Jewish violence flared up particularly in Germany. Terrible torture and “extracted confessions” proved that the Jewish people were responsible for poisoning the water in the wells and food supplies.

Once again attempts were made to annihilate the entire Jewish nation, defamation, killings and expulsions spread through the kingdoms of Christian Spain, France, Germany, Poland and Lithuania, affecting 300 communities.

During the Hitler era from 1933 – 1945, millions of Jews died. All of us must share the blame for the death of millions of Jews. In so far as we have condoned the rejection, the condemnation, the slander and false accusations, we were all enmeshed in the net of the anti-Semitic lies, which instigated the crime. By our silence, we were in agreement with all the blasphemous statements that stirred up passionate hatred, which resulted in hellish crimes such as never before. Within a few years, millions were tortured to death, burnt alive, murdered and gassed. Our ancestors became Satan’s henchmen who created hell on earth for God’s people!

Is it then any wonder that the Jewish people cannot believe in our Lord Jesus Christ? We have blindfolded their eyes because of our conduct. In the Name of Jesus we have presented to them the image of mercilessness.

PART II:

ANTI-SEMITISM PRAYER OF RENUNCIATION

Father God, in the Name of the Lord Jesus Christ of Nazareth, I come before Your throne today to seek forgiveness, mercy and grace from the terrible crimes committed against Your chosen People. Your Word declares in Genesis 12:2,3, the four promises made to Abraham:

- ***I will bless you***
- ***You will be a blessing***
- ***I will bless those who bless you***
- ***In you all the nations of the earth shall be blessed***

Interposed with these blessings was a curse.

I will curse those who curse you.

On the basis of Your Word, I now come before You to confess that both I, my ancestors and my nation are guilty of gross human rights violations against Your chosen People, thus provoking Your curse upon our lives. Clearly, as has been recorded in history that no-one can curse Abraham and his descendants without incurring Your curse upon themselves.

Jer. 31: 35-37 *“35 Thus says the Lord, Who gives the sun for a light by day and the fixed order of the moon and of the stars for a light by night, Who stirs up the sea’s roaring billows or stills the waves when they roar—the Lord of hosts is His name: 36 If these ordinances [of fixed order] depart from before Me, says the Lord, then the posterity of Israel also shall cease from being a nation before Me throughout the ages. 37 Thus says the Lord: If the heavens above can be measured and the foundations of the earth searched out beneath, then I will cast off all the offspring of Israel for all that they have done, says the Lord.”*

Father, I realize that this hatred towards the Jewish people is in essence a passionate rebellion against You. I sincerely repent of that, Lord.

I acknowledge Father, that every Jewish person, by his very existence points to You. It points to Your election, Your calling and Your purposes.

And now, Lord, in the light of this Scripture, as an individual, on behalf of my ancestors and on behalf of my nation, I ask Your forgiveness, since we aligned ourselves with the purposes of Satan – we sinned against You and the Jewish nation for they were to be the instrument through whom the Messiah, Satan’s conqueror, would come. Please forgive us, Heavenly Father, for opposing You and Your redemptive purposes, in the Name of Jesus.

I confess before You the diabolical envy and jealousy against Your people – for they alone bear the mark of divine election, and have been chosen by You for a world mission. Please forgive us Father, in Jesus Name. I hereby renounce the following phrase “Conscience is a Jewish invention – there is no room for two chosen people”. I ask that You will sever me from all blasphemous utterances levied against You and Your people, in the Name of Jesus.

Lord, I bring before You all the anti-Jewish policies:

- a. Conversion – you have no right to live among us as Jews!
- b. Expulsion – from the secular, influenced by the church!
- c. Annihilation – you have no right to live at all!

As a member of the Body of the Lord Jesus Christ, I bring these policies before You. I confess that 2000 years of Christianity has been marked by hatred of Your people. We showed them a distorted picture of the Lord Jesus, for in that Name we were responsible for the deaths of millions. I bring before You as sin, the hatred and contempt they endured, the hats of humiliation they had to wear. Please forgive us for much bloodshed, o Lord!

I ask forgiveness for all forms of oppression, injustices, and repressive measures employed against them. Father, in the Name of Jesus, I bring before You the sins of the militant church, under Emperor Constantine (313AD):

- Great intolerance: through the standard-bearers, the church fathers, against Your people. Also all the compromise that allowed pagan practices to infiltrate the Church.
- The insulting language of the Imperial anti-Jewish legislation.
- The bloodshed.

- The gross misinterpretation of the Holy Scriptures by believing that the land of Israel and the entire covenant including the Promised Land, belong to the Christendom.

Please forgive us for our pride and arrogance and irreverence for Your Word.

I confess as sin, the entire political legislature forcing Jews to convert, and all methods of terror, political oppression and death by the sword. I ask forgiveness for all the fraud, theft and murder conducted against Your people.

Father, I bring before You the persecution suffered by Your people after Constantine. Please forgive us, in the Name of Jesus.

I renounce the teachings of Origen.

I renounce the summation that the Jewish people had forfeited all their covenants by rejecting Jesus as the Messiah.

I renounce the belief that the church has replaced Israel and that the Jewish people will never have a future as the Divinely Chosen People. Also that the Messiah will never establish His Messianic Kingdom, that He promised them.

I declare that all of the above is a gross misinterpretation of Scripture, since Romans 11 clearly indicates that the Jewish people are the true vine and that we are the branches. The Jewish people bear us and not we them.

I renounce the belief that the Jews are blind imposters under the curse of God.

I renounce the belief that the Jews were “unrepentant Christ-killers”.

I renounce the belief that they were racist, elitist and arrogant.

I renounce the teaching of Augustine, based on the findings of Origen.

Father, I bring before You as sin, all the terrible crimes against Your people during the Crusades – the wholesale slaughter of both Jews and Muslims under the pretext of “The New Israel” and establishing the “Kingdom of God”. I also bring before You all the activities of the Knights Templars

“Defenders of the Faith”. Many Jews who survived, were sold into slavery. Please forgive us, in the Name of Jesus.

Father, please forgive us for all the bloodshed all across France, Belgium, England, Germany, Poland, Prague, Bohemia and the Holy Land, all of which testifies against us for the cruel legacy of the early Church.

Father, I bring before You as sin, all the malicious lies against the Jews. I also bring before You all the false accusations of blood libel charges against them. Please forgive us in the Name of Jesus, for the terrible persecution suffered by the Jews, for expelling them from certain countries and for driving them to isolated parts of Eastern Europe.

Lord, I bring before You the doctrine of transubstantiation which teaches that the wafer (communion element) called the Host, became the body and blood of Jesus. We renounce the doctrine of transubstantiation and declare that the communion elements are only **symbolic** of the Body and Blood of the Lord Jesus Christ.

Father, we repent deeply for the entire harm done to Your people, for all the lies and accusations and all forms of injustices in Jesus Name.

Father, in the Name of Jesus, I bring before You the terrible anti-Semitic judgments of Martin Luther, which was later used as the justification for the “final solution of the Jews”. Again we ask forgiveness for the false interpretation of Scripture that created a powerful blinding force not only over the German people, but resulted in a total apathy at the plight of Your people.

Father, we can only confess as descendants of German and European Christians, that we have sinned grievously against them. We have blindfolded their eyes because of our conduct. So we confess before You today:

“Without end the blood on our hands cries out to heaven for the serious crimes against Israel. We deeply repent, dear Father, we humble ourselves before You to seek to make amends for the evil done to Your people. Lord Jesus Christ, whose wounds heal us, is the One whom we have afflicted.” Oh, listen to His lament: “Your blows against My people have fallen on Me!”

We confess that we have sinned against You, Lord Jesus, by not acknowledging Israel as our elder brother, through whom we have received the Scriptures, the Law, the Prophets and Jesus Himself.

As we deeply repent before You today Father, we pray in Jesus Name that as we see the abyss of our guilt, the day will come, when Israel's eyes will be opened to accept their Redeemer: JESHUA HAMASHIACH.

Father, Your Word declares that though our sins are as scarlet, You will make them whiter than snow. Also in Jeremiah 18:8 – ***“And if the people of that nation concerning which I have spoken will turn from their evil, I will relent and reverse My decision concerning the evil that I thought to do to them”***.

So, on the basis of this promise, I now pray for forgiveness and for total acquittal from the consequences, the guilt and the iniquity of our ancestors. I ask in the Name of Jesus that You will break the curse of anti-Semitism over myself and my descendants; may the Blood of Jesus Christ Your Son, the Blood of the Eternal Covenant acquit us from the reaping process and at the same time cover the shedding of much innocent blood, which testifies against us in the spirit realm. Based on the wonderful promises of Your Word and Your unconditional love, we accept your forgiveness according to John 1:90. If we confess our sin, You are faithful to forgive us, and the Blood of Jesus cleanses us from all our sin.

Also in Gal. 3:13,14: ***“Christ became a curse for us, for it is written, cursed is everyone who hangs on a tree, so that the blessing of God may come upon the Gentiles.”*** And v.29 ***“And if you are in Christ, then you are Abraham's seed and heir according to the promise.”*** ***We stand on this Word today and remind You of Your promises to us, in the Name of our Lord Jesus Christ of Nazareth!***

AMEN

2) CREATION STORY

In the beginning there was nothing but **Nun** - the raging waters of chaos.

Ra emerged out of Nun. He then sailed through the sky in a boat and created the earth, air and water, as well as all plants, living creatures and the other gods

He was the god of all creation and the most powerful god in the universe

In Lower Egypt, the sun god was called **Ra**.

In Upper Egypt, the sun god was known as **Amon**.

This god was thus collectively known as **Amon-Ra**.

Amon-Ra created day and night, by circling the world in his sky-boat.

He was born as a baby every morning and died an old man at night.

He was synonym with light and life.

He is represented as a man (sometimes with the head of a falcon), with or without horns, but always with a sun disk.

Amon-Ra created **Shu**, and his twin sister **Tefnut**.

Shu and Tefnut married and had two children - **Geb** and **Nut**.

Geb and Nut married and had four children (two pairs of pigeon twins) – **Osiris & Isis, Set & Nephthys**.

Osiris and Isis ruled over the fertile Lower Egypt whilst Set and Nephthys ruled the barren Upper Egypt. This caused Set to be jealous and turn to evil.

Nut also had another daughter **Hathor** with her grandfather, Amon-Ra.

Osiris married her twin brother Isis, and had **Horus**.

Nephthys married her twin brother Set. They could not have children so Nephthys tricked her brother Osiris and bore his child, **Anubis**.

2.1) THERE ARE FIVE BASIC EGYPTIAN CREATION STORIES

2.1.1) The Ennead of Heliopolis

2.1.2) The Ogdoad of Hermopolis

2.1.3) The Triad of Elephantine (Abu)

2.1.4) The Triad of Thebes

2.1.5) The Triad of Memphis

THE ENNEAD OF HELIOPOLIS

Heliopolis is found just to the northeast of modern Cairo. It was politically and spiritually powerful during the Old Kingdom. It is the site of the first known sun temple, which was dedicated to Re-Hekarte. Today, only a single relic remains standing at the site. The obelisk of Senwosret I now marks the location.

According to the Heliopolitans, the first act of creation occurred when the sun god Atum, "lord of Heliopolis", rose out of the chaos of Nun from a lotus flower and stood on a raised mound he created, the *ben-ben*. This first act of creation brought light into the world. At the site of his emergence, the temple of Heliopolis was built. Atum was called a self-created god or the child of Nun. He was also said to *be* the ben-ben. At the time of the Pyramid Texts, Atum became identified with Re. As Atum-Re, he was connected to the Bennu Bird (the phoenix).

Atum created his children, Shu and Tefnut by masturbating. This may seem impossible but Atum was a bisexual god. He embodied both the male and female aspects of life. Therefore, his semen contained all that was necessary to create new life and deities. The Egyptians called Atum "Great He-She" and his name meant "the complete one".

Shu and Tefnut in turn conceived Geb and Nut through normal sexual relations. Geb was the god of the earth and Nut was the sky. After conceiving four children (Osiris, Isis, Nephthys, and Seth), Geb and Nut became separated by their father Shu, the god of the air. Nut is often shown arched over Geb with the sun traveling along her body. Beyond Nut's body lies Nun and nonexistence.

The Family Tree

NOTE: Some legends state that Anubis is the son of Nephthys and Osiris.

THE OGDOAD OF HERMOPOLIS

Located in Middle Egypt, Hermopolis (Magna) was a major cult center of Thoth. Thoth was called by the Greeks, "Hermes". It is from this name for Thoth that we derive the name of the city, which means literally, "the city of Hermes".

Hermopolis was the ancient capital of the 15th Upper Egyptian nome. During the Islamic period it was heavily plundered. Despite that there are still traces of temples dating from the Middle and New Kingdoms. Rameses II built a temple there with materials derived from the abandoned city of Akhetaten.

The Hermopolitans claimed that their theory of creation was older than any other in Egypt. They believed in a system of eight deities, four gods and their respective consorts. The two that became the most prominent in later times were Nun and Amon. Nun was respected in many parts of Egypt as the primordial waters from which everything emerged during creation. Amon, of Theban fame, rose to prominence during the reign of the princes of Memphis.

It has been noted by many that the goddesses of Hermopolis simply had the female equivalent of their partner's name (for comparison's sake, "Stephanie" is the female equivalent of the name "Stephen"). Therefore, each pair of deities can be viewed as the male and female parts of a whole and perhaps greater god.

In any case, each of the four gods were the gods of one of the creative powers or sources.

Nun	–	water;
Heh	–	unendingness, eternity;
Kuk	–	darkness;
Amon	–	that which is unseen or air.

The four gods were depicted with frog heads, while the goddesses were shown with the heads of serpents.

At some point these entities which comprised the primordial substance interacted explosively and snapped whatever balanced tensions had contained their elemental powers. This burst of energy thrust up the primeval mound located at Hermopolis where the sun was born.

Following creation, the Ogdoad ruled the earth during a Golden Age. They then died and went to live in the Duat, or Underworld. The Ogdoad were responsible for the flow of the Nile and the rising of the sun each day. It was said that everyday they brought forth the lotus that held the sun-god.

Another version says that the egg was laid by an ibis, the bird of Thoth. As the cult of Thoth was newer than that of the Ogdoad, it is likely that this version was created by the priests of Thoth to merge the mythologies of the Eight and of Thoth. The Ogdoad was sometimes called the souls of Thoth.

other gods were just forms of Amon. The priests of Thebes incorporated the aspects of all of the great creator-gods in Amon. They said that the Ogdoad of Hermopolis were forms of Amon and that Amon left the earth to shine as the sun-god Re. The priests even claimed that Amon was the Tatenen, the primeval mound of Memphis.

Amon's consort at Thebes was the mother-goddess Mut, and his son was the moon, Khonsu.

The priests of Thebes claimed that the city was founded on a hill and this was how the world began. It was the site of the first water (Nun) and of the first land (the primeval mound). As the first city in the world, Thebes was a model for all others. In fact, mankind was created specifically to build other cities in the pattern of Thebes.

THE TRIAD OF MEMPHIS

Memphis, "White Walls", was the first capital of Egypt following its unification by the pharaoh Menes. In the area around Memphis, at sites such as Saqqara and Dahshur, pharaohs and important officials were entombed over many centuries.

During the Greco-Roman period, Memphis lost much of its importance to Alexandria. With the Edict of Theodosius I (AD 379-95), Christianity was established as the official religion of the Roman Empire. The sites in and around Memphis became quarries for building projects in Cairo and the Temple of Ptah was destroyed. Thus, most of the information about the Memphite religious beliefs has been lost.

Most of what we know comes from the Shabaka Stone (seen at left). This stone commissioned by Pharaoh Shabaka when he found that the only written information of the Memphite beliefs was found on a worm-ridden piece of papyrus. He ordered that the papyrus be carved onto a stone so that its knowledge and information may last for all time. Unfortunately, since its original creation the Shabaka Stone was used as a millstone to grind grain and so some of the passages are no longer clear.

The people of Memphis believed that their god Ptah was the most ancient and pre-eminent of all the gods. Ptah was seen as the creator of all the other gods, the sun, and was responsible for the ripening of vegetation. The gods of Heliopolis were considered to be just forms or manifestations of Ptah. He was called the "heart and tongue" of the

Ennead. To the Egyptians, the heart and tongue were the seat of the human soul and intellect. Ptah was said to be superior to Atum who created his Ennead "by his semen and his fingers.

Ptah was more than just the creator of the physical world, he also created the spiritual world. He created the ka of each being. He was the creator of all good things, such as food, drink and the offerings of the gods. Ptah also created political order in the world by founding the cities and nomes of Egypt.

Sekhmet was Ptah's primary consort and his son was either Nefertum or Imhotep.

The Family Tree

3) BASIC EGYPTIAN RELIGION

To the ancient Egyptians three things were more important than anything else:

- the Nile River (Osiris and Dog Star Sirius)
- their king /pharaoh and Cleopatra
- life in the next world

3.1.1) The Nile River

The most important of these three was the Nile as it created the fertile land in the middle of a great desert.

It was only because of the Nile that anything could prosper.

The Egyptians based their entire culture on the flooding of the Nile.

Egypt could not have existed without the great river.

Every year, the SNOW in the MOUNTAINS of EAST AFRICA melts, sending a torrent of water that overflows the banks of the Nile. The river picks up bits of soil and plant life called silt.

The silt is dropped on the banks of the Nile as the flood recedes, and creates excellent topsoil that provides two or three crops every year. Note that the Nile flows from SOUTH (East Africa) to NORTH (Egypt).

Two important things are related to this worship of the Nile as a LIFE GIVING FORCE:

- the death and rebirth of the god **Osiris** (reincarnation)
- the annual flooding, ebbing and withdrawing of the Nile (fertility)

The flooding of the Nile corresponded to the positions and movements of stars and planetary bodies.

The annual rising of the star **Sirius** signaled the flooding of the Nile.

The Dog Star Sirius is used in programming.

Sirius appears in the sky annually, at the time that the Nile floods.

This star is connected to the god Osiris, fertility (sexual stuff) and reincarnation.

Now, for some background on Osiris.

Osiris was one of the NINE chief deities.

Amon-Ra created Shu and Tefnut.

Shu and Tefnut had Geb and Nut.

Geb and Nut had Osiris & Isis, Set & Nephthys.

(Note all the twins here and think back to twins, mirror images, cloning and so on.)

Osiris married his twin sister Isis, and had Horus (Incest and sex with the dead involved here!!!!).

Osiris was the first king of Egypt, and was murdered by his jealous brother Set (Spirit of jealousy).

His body was cut into FOURTEEN pieces and scattered throughout Egypt, leaving no heir for Isis.

With the help of her sister Nephthys and Thoth (god of writing) she collected the pieces and used her magical powers to recreate Osiris's body, thus making him the first MUMMY (Divination and worship of the dead).

She had sex with his dismembered penis and became pregnant with Horus (Tantric Sex Magic and sex with the dead).

Osiris was then metamorphosed into the constellation of ORION and became the ruler of the Kingdom of the Dead and overseer of the rituals of the dying (reincarnation and astrology).

Isis hid in the MARSHES (Water Spirits) of the Nile to escape from Set, and there Horus was born.

Horus was the heir to the throne of his father Osiris and Set was the next in line, as the brother of Osiris, if Horus died. Horus was sickly and his uncle would send SNAKES and SCORPIONS to the marshes to try and kill him.

Horus grew up and fought a duel with Set, during which he lost an EYE and Set lost his TESTICLES.

Set was sent to the desert to act as the god of storms and Horus became the first Pharaoh (father was the first king) and also became the eternal eye of Ra (his grandfather).

The story of Osiris parallels the birth, death and rebirth of the vegetation cycle in the natural world.

It is symbolic of the seasons, fertility and reincarnation.

3.1.2) Lunar Seasons

The Lunar year was set (started) by the rising of Sirius (Sothis), which heralded the annual Nile flood (mid-July).

They had THREE LUNAR SEASONS of FOUR MONTHS each.

1. Inundation (mid July - Nov)

2. Emergence (Nov-Mar)

3. Harvest (Mar-July, low water) = 354 day total

NB - The Star Sirius rose in JULY - the seventh month, AND 3(seasons of) + 4(months each) = SEVEN.

NB - July was named after Julius Caesar (see Cleopatra and DENIAL)

3.1.3) Dog Star Sirius in programming

This is attached to astrology, moon worship, Wicca and so on.

The DID will have an altar in the system involved in these occultic practices.

The star RISES at the time that the Nile starts to FLOOD, starting the whole fertility and reincarnation cycle. Sirius is seen in JULY and it is interesting to note that this falls between two major festivals. Summer Solstice (June 20 - 22) and Lammas/harvest (August 1)

Do you see all the occultic connections to the rising of Sirius?

It is the SUN melting the SNOW on the MOUNTAINS of EAST African countries that starts the flood. The flood therefore starts with the SUMMER SOLSTICE, but the waters only reach Egypt later in the year.

The star Sirius is seen when the snow has already started melting and the Egyptians therefore know that the flood is on its way. The sun, snow, mountains, directions, stars and so on are part of the ELEMENTS, SEASONS and DIRECTIONS that form the BASIS of SHAMANISM (the root of all occultic practices).

Sirius is used as a TRIGGER or CUE to OPEN up a program.
The program itself is MIND CONTROL.

In our system it is the Pagans (Wiccans, Red Indians and so on) who battle at this time of the year and are TRIGGERED.

We broke this by petitioning against the ROOT. Our birthday is in July (July 11th) and last year we had a horrific time without knowing why. Note that $7 = 11 = 18$, and $18 = 2 \times 9$. It was also our 36th birthday (note all the 3's in this story, note that $3 \times 3 = 9$, and note that $3 + 6 = 9$, nine being the "perfect number", and the number of chief Egyptian deities - it all goes back to Kabbalah.

Note:- We therefore have to petition against:-

- numbers, numerology, Kabbalah, especially the numbers 3 and 9.
- astrology, constellations (especially Orion)
- the Dog Star Sirius and what he REPRESENTS
(fertility and reincarnation cycle starting)
- the connection Sirius has to seasons, the elements and directions.
- triggering ability at this time of the year (the safety of all Pagan alters)

3.2) Pharoahs - Cleopatra

It is important to include Cleopatra in a petition of this type Amanda. She is the programme used for DENIAL.

Cleopatra - Queen of De-Nile. Ask Lynn about this as we are still battling with the "Cleopatra Programme"

SEVEN Egyptian queens were known as Cleopatra, but the most famous was the last. Cleopatra was born in 69BC (note the year), long after the era of the pharaohs had ended. She ruled Egypt with her brother, Ptolemy XIII, but after THREE years they fought each other in a civil war. Julius Caesar, a Roman general, invaded Egypt and killed Ptolemy XIII. Cleopatra married another brother, Ptolemy XIV, but fell in love with Caesar and followed him back to Rome.

Cleopatra returned to Egypt when Caesar was murdered in Rome. She killed Ptolemy XIV and again ruled Egypt, this time with her son, Ptolemy XV. THREE years after returning, she fell in love with another visiting Roman, Mark Antony. Antony planned to build an empire with Cleopatra, but Octavian, another son of Julius Caesar, murdered him. Cleopatra then turned her affection to Octavian, and when he showed no interest, she killed herself in 30 BC by allowing an ASP (or cobra) to bite her.

(Note all the numbers and other occultic references in this story - such as the snake)
The Cleopatra programme is a type of mind control.

It is triggered by numbers and its purpose is to stop DID's from speaking out by getting them to DENY that the very acts that hold them in bondage ever occurred.

3.3) THE AFTERLIFE

3.3.1) The Beliefs and Rituals of the Egyptian Afterlife

The history of ancient Egypt is split up into different historical time periods. Throughout these time periods, the funerary beliefs and rituals changed and evolved. Ancient Egyptians worshipped a series of gods who usually, but not explicitly, explained aspects of nature. Gods explained natural phenomenon's, like the flooding of the Nile, the fertility of the crops, and the rise and set of the sun.

Although Egypt worshipped many gods, certain gods had major influences on the beliefs about the afterlife.

The most important god to the Egyptian underworld was the god Osiris. During the Old Kingdom, only Pharaohs were believed to have the ability to receive life after death. Egyptian laborers and common folk would work to ensure the pharaoh's afterlife because it remained their only connection to life after death. As time went on, the people began to embrace the idea that the general population had the ability to enter the underworld.

However, the pharaoh's continued to have the most extravagant burial preparations and accommodations. The ancient Egyptians believed that death lead to another life that far exceeded the life they had lived on earth.

The spirit of the deceased had different parts, which helped the person live on after death.

The ka was the part of the spirit that did not dwell with the person during their lifetime, but would return to the body when the person died. This was the reason why the preservation of the body through mummification became so important.

The ka was believed to be the life force or spiritual twin of the person and was depicted in an image like the person.

The ba, usually depicted as a bird with a human head, came into being once the ka and body were joined. The ba had the ability to leave the tomb during the day, but had to return at night. The ba was thought of as "animation."

Other parts of the dead body included **the akh**, which was able to affect the living. The **name of the person** played a role in the person's journey and was, therefore, written in the tomb or on funeral texts.

Finally the **shadow** protected the deceased from harm. These different parts of the spirit contributed to many aspects of the funeral process.

After death, the person's ka took a very dangerous journey. It began from the Nile River and set off towards the **gates of Yaru**, which were the final destination of the afterlife.

On the way, it had to pass through the **Hall of Two Truths** where the heart was placed on a scale against the **Feather of Truth**.

The Feather of Truth had the weight of the person's past sins and lies. Osiris and two other gods observed this process, and if the heart passed the test, the person gained the right to successfully enter Yaru.

However, if the heart failed, a monster made up of part crocodile, hippopotamus, and lion devoured the body and put a final end to its existence.

Because of this dangerous journey, the body had to be properly preserved and placed in an adequately stalked tomb in order to help the person reach the final destinations of the afterlife.

In order to preserve the body, Egyptian's would mummify the body of the deceased person. This mummification process consisted of a long and intricate effort, which took up to seventy days.

Once properly preserved, the body was placed in its tomb with many other treasures and items. Such items included food, clothing, hairdressing supplies, and tools. Shabtis, or miniature worker models, were placed in the tombs in order to do work for the person in the afterlife.

The **Book of the Dead** is a name people have given to the ancient Egyptian collections of texts, hymns, and litanies that refer to the dead. The different texts explain what happened to the dead in the afterworld, and also gave the prayers the person needed to say at different parts of the journey. The idea of such prayers and speeches for the afterlife might be traced back to when the sisters of Osiris, Isis and Nephthys, recited magical spells to Osiris in order to give him everlasting life. The Book of the Dead started out as simple prayers and petitions used during funerals. They were first passed down orally, but were later written down. As time went on, those who copied the book made additions and variations to the prayers and stories.

3.3.2) The Mummification Process

Special priests and embalmers took on the elaborate task of mummifying a body. The process took many steps.

The brain was removed through the nose with a special hooked instrument and discarded because it had no value to the person.

All organs of the abdomen and chest, except the heart, were taken out and separately placed into jars, which were later placed with the body inside the tomb.

The heart remained in the body because it held the person's intelligence and emotion. Priests and embalmers packed and covered the body with natron and let it dry for 70 days. This process removed all the moisture from the body.

The body cavity and other sunken in areas of the corpse due to the drying out process were stuffed with resin, sawdust, or linen in order to bring back the natural shape of the body. The body also received fake eyes or other materials in order to enhance the appearance. The body got wrapped in many layers of linen.

Priests placed jewelry, amulets, and written prayers in between the layers of wrapping. The most important amulet, the scarab beetle, rested over the heart.

Different facial masks were sometimes placed over the linen strips.

Finally, the priests performed ceremonies like the "Opening of the Mouth" in which they touched different parts of the mummy in order to let the person speak, eat, and use other senses in the life after death.

3.3.3) The Journey to the Afterlife

The Duat is the land of the dead in the West.

You entered this land of the dead through the great pass in the mountains of the Western Desert, the Gap of Abydos.

You head through this pass towards the **First Region of the Night**.

In this region can be seen the Mesektet Boat in which Re begins his journey into the Duat with the ending of each day. The boat is splendid with glorious trappings, colors of amethyst and emerald, jasper and turquoise, lazuli and the deep glow of gold.

A company of the gods draws the Boat along the ghostly River of Death with golden towing-ropes; the portals of the Duat are flung wide, and you then enter the First Region between the six serpents who are curled on either side.

The Ka's of all those who have died that day journey in this great Boat of Re on their way to the Judgement Hall of Osiris.

The Boat moves on its way through regions of night and thick darkness and then comes to the **portal of the Second Region**.

This portal has tall walls on either side, and on the top of the walls are the points of spears so that none might climb over.

The walls have great wooden doors that turn on pivots, and are guarded by snakes breathing fire and poison.

All who pass through on the Boat of Re must speak the words of power decreed for that portal, for the doors to swing open.

The **Second Region** is the Kingdom of Re, and the gods and heroes of old who had lived on earth when Re was King dwell here in peace and happiness, guarded by the Spirits of the Corn who make the wheat and barley flourish and cause the fruits of the earth to increase.

None of the dead who voyage in the Boat of Re may pause or set foot on this land or they cannot continue into Amenti (the Third Region of the Duat), where the Judgement Hall of Osiris is waiting to receive them.

Then come the portals to the Third Region and at the word of power the great wooden doors scream open on their pivots.

Here in the Third Region, the dead disembark in the outer court of the Judgement Hall of Osiris.

The Boat itself continues on its way through the nine other Regions of the Night until the re-birth of Re from out of the mouth of the Dragon of the East brings dawn once more upon earth and the rising of the sun.

However the sun will not rise unless each night Re fought and defeated the Dragon Apep, who seeks to devour him in the Tenth Region of the Night.

At the Judgement Hall of Osiris, the Ka's of the newly dead come to the portal of the Hall and are challenged by the Door-Keeper.

The Door-Keeper will not let them pass through unless they know his name, which is "Understander of Hearts and Searcher of Bodies"

The Door-Keeper then announces them to the "Interpreter of the Two Lands", who is Thoth the Wise God.

In the Hall Thoth waits to receive the soul and offers to announce them to Osiris - him whose ceiling is of fire, whose walls are living serpents, whose pavement is water. Then ibis-headed Thoth leads the Ka to where Osiris sits upon his throne, wrapped in the mummy-clothes of the dead, wearing the uraeus crown upon his forehead and holding the scourge and the crook crossed upon his breast.

Before Osiris stands a huge balance with two scales.

Jackal-headed Anubis, the god of death, then leads the soul (Ka) to the judgement. Before the Weighing of the Heart, each dead man's Ka may speak in his own defense. The Ka beseeches Osiris to preserve it from Apep, the 'Eater-up of Souls'. Anubis then takes the heart out of the Ka and places it in one side of the Scale, and in the other side of the Scale is the Feather of Truth.

The heart of an evil-doer sinks down the Scale whilst Thoth marks the angle of the beam until the Scale sinks so low that Ammit the Devourer of Hearts can catch the sinner's heart in his jaws and bear it away.

Then the evil-doer is driven into the thick darkness of the Duat to dwell with Apep the Terrible in the Pits of Fire.

But with the good man the Feather of Truth will sink down and his heart will rise up. Then he is given a place in the Fields of Peace with the followers of Horus. Horus will take the dead man by the hand and lead him past Osiris and into the Fields of Peace.

He will stay here taking joy in all the things he had loved best in life, in a rich land of plenty, until Osiris returns to earth, taking with him all those who have proved worthy to live for ever as his subjects.

4) ANCIENT EGYPT – GENERAL ESSAY

The civilization of Ancient Egypt flourished for more than 3,000 years. In the pre-dynastic period Egypt was divided into the kingdoms of Upper and Lower Egypt, the King of Upper Egypt wore the white crown and the King of Lower Egypt wore the red crown. After years of bitter struggle between the kings of the north and the south, the north was finally defeated, Egypt was united under the Southerner, Menes, and the first dynasty was founded around 3100 BCE. The memory of a pre-dynastic Egypt lived on in the pharaohs' title King of Upper and Lower Egypt.

The most important parts of Egyptian history are divided into thirty two dynasties which extend from the beginning of the literate period, under the rule of Menes, until Egypt became a Roman province around 30 BCE. The successive pharaohs of Egypt were divided into these dynasties. Throughout her history Egypt passed through periods of turbulent political upheaval and times of peace, power and prosperity. The most stable and productive periods of Egyptian history are marked by the Old, Middle and New Kingdoms.

At the end of the New Kingdom Egypt suffered a series of foreign invasions and rulers and the great periods of Egyptian civilization went into decline.

Life in Ancient Egypt revolved around the towns and villages of Egypt, which nestled alongside the River Nile. On either side of the river the lands were green and fertile but beyond these narrow strips of land the hot dry desert stretched as far as the horizon. Once the harvest had been collected even the fertile land became hard and dry under the hot desert sun.

By late Spring, when the land was desperately parched, the River Nile began to rise. The waters rose gradually, slowly creeping over the land until the fields were hidden from view. When the waters began to recede, leaving behind a thick black layer of silt, villagers and workmen took up their tools and set to work on the land, clearing, digging, surveying, ploughing and planting. The land of Egypt could once more flower with new life, the people would be fed, the taxes paid and the royal granaries well stocked. Each year the land, which had been dead was given new life, so at the time of the yearly flood the people celebrated the festival of Osiris, the god of vegetation. The pharaoh, the priests and the people sang, danced and performed plays in his honor, praying for a rich and fruitful harvest.

Osiris would give new life to the land, he would also give new life to those who had died, for he was the god of the underworld and he welcomed the dead to his land, the Land of the West.

Until the Middle Kingdom the land of Upper and Lower Egypt was divided into forty-two administrative areas known as each governed by a nomarch.

The officials of each nome assessed and collected the taxes, which were due on the lands, which did not belong to the temples and sorted out any minor legal problems in the towns and villages. In theory, the pharaoh owned all the land in Egypt but he gave gifts of land to his favorite subjects. Every large town had at least one temple and the fertile temple lands were exempt from certain taxes and given many privileges. In addition, the king presented foreign booty to the temples and as a result the priesthood became both powerful and wealthy.

Sometimes, particularly in the New Kingdom, the power of the priesthood threatened the power of the king himself. The temple was primarily the house of the god cared for by the priesthood and the position of priest was hereditary, though many of the priests had another profession. A doctor could be a priest of Sekhmet, goddess of disease and epidemic, and a lawyer could be a priest of Ma'at, goddess of truth and justice.

Once trained these priests would return annually to the temple where they performed religious duties as well as teaching and debating in the universities attached to the temple. These educational institutions were known as the Houses of Life. Doctors, scientists, lawyers, mathematicians and scribes learned their professions alongside each other in the House of Life and religion was interwoven in all these subjects.

The Egyptians put great emphasis on education because it was a means of escaping dirty and often dangerous menial jobs. Before acquiring a profession it was essential to know how to read and write. Ancient Egyptian writing is known as hieroglyphs. Although schoolchildren spent endless hours copying out hieroglyphic literature it was only after training in the House of Life that the scribe could fully master the hieroglyphic script. The Egyptians worked out mathematical formulae for purely practical reasons. They had to know how to divide land and measure area, it was essential to keep exact measurements when the pyramids, tombs or temples were built.

While the plans for a building were drawn up by the architects and mathematicians, the workers were busy quarrying the stones. The most common building stones were sandstone, granite and limestone.

Since the River Nile was the main highway in Egypt the stones were placed on flat-bottomed barges and floated up the river to the spot nearest the building site. The horse and chariot were not introduced into Egypt until the Middle to New Kingdom but even then the river was the best highway for heavy cargo. With the use of ramps, pulleys and roller sledges the enormous stones were eased up the river banks. The monumental tombs and temples took many years to build so the pharaoh would begin work on his pyramid or tomb during his lifetime.

The pyramids were built in layers with the four sides tapering equally. Smooth pathways of earth were laid over stretches of stones so that the stones could be heaved up on sledges with rollers beneath. The Egyptians used the size of the human body to determine set lengths; the main measurement was the cubit, equivalent to a man's forearm from the elbow to the tip of the outstretched middle finger.

The desert edge and the eastern hills of Egypt were a rich source of stone, which could be cut for use in monumental buildings, for statues or for delicate cosmetic dishes. Stone dishes, particularly alabaster dishes, were made mainly for burial in tombs whereas clay was the material for everyday domestic use. Often the Ancient Egyptians used minerals to paint pots, walls and coffins.

For example, soot charcoal could be used for black paint, powdered malachite for green, iron oxide for pink and red ochre for the bright reds. The pigments were ground with a pestle on stone palettes and mixed with water and with glue, gum or egg for adhesive. The abundant clay of the River Nile was combined with water, straw and other vegetable matter to make bricks, the common building material for houses. Clay from the Nile and from the desert wadis was fired to make ceramic storage jars, pots and bowls. Many of the pots were simple, practical and unpainted, designed for use in the home.

The Ancient Egyptians were particularly fond of jewelry for decoration in this life and the next. Necklaces, beads, earrings and amulets were made from gold, silver, shell, carnelian, turquoise, amethyst and other precious and semi-precious stones and metals.

Jewelry was worn by both men and women, particularly on festive occasions but the Egyptians wore very little jewelry and clothing for everyday work in the fields. Most peasants would have worn a small cloth girdle and frequently worked naked. Farming was an important source of labor in Egypt particularly for the people in small villages dotted along the Nile. There was also a demand for craftsmen in the villages or in government workshops.

Precious stones were cut and carved to make jewelry for the nobles and the royal family, stonemasons were busy fashioning stones into statues, vases and bowls, carpenters carved fine furniture and statues for houses, temples and tombs. Everybody worked to provide goods for this life as well as the next. The Ancient Egyptians could not imagine the afterlife to be any different from this life. They thought they would still need food, furniture and clothing and to have someone else to plow their lands and prepare their food. So those who could afford it put servant statuettes in their tombs to carry out these tasks. Even the owner of the tomb was usually buried with a statue of himself in case anything should happen to his body.

At the burial the officiating priest brought everything to life with sacred words and gestures, this ceremony was known as "the opening of the mouth."

The fertile land of Egypt was scarce and therefore very precious so the dead were buried on the outskirts of towns and villages. In the earliest times they were buried in shallow oval pits dug in the sand with a few goods, which they would need in the afterlife: some food, bowls and jewelry. The sun was scorching hot and the sand extremely dry so bodies dried out very quickly. It is possible that sandstorms revealed dead relatives perfectly preserved, this may have been why the people believed that their bodies must be preserved in order to reach the next life.

Ancient Egyptian burial became more and more elaborate as time went on. The dead were buried deeper often within a stone chamber and special buildings were put up to mark the grave. These buildings looked like long, low benches and are called

"mastabas", an Arabic word for bench. Since the bodies were far away from the drying effects of the sun the skin would rot and eventually all that was left was a skeleton.

A way of preserving the body was found through trial and error and the Egyptians learned how to dry out the body so that the skin and hair stayed as it had been in life. This process is known as mummification. During mummification the internal organs were removed by the embalmers through a cut in the lower left hand side of the body. The organs and the body were dried out with a special type of salt known as natron. They were then treated with fragrant spices and perfumes and eventually wrapped in bandages. Special prayers were said over the bandages because each bandage was important, charms were placed next to the skin and between the bandages. These charms are known as "amulets", an Arabic word which means "something which is carried".

In life the Ancient Egyptians carried amulets to protect different parts of their bodies and they believed that amulets would ward off evil in the afterlife too.

The pharaoh was far greater than ordinary Egyptians, he was believed to be the son of the great sun god Re. At death the pharaoh joined the sun god in his day boat as he sailed across the sky. At night the sun god changed to his night boat, which sailed through the underworld. The pharaohs of the Old Kingdom built huge pyramids of stone which some people thought were like shafts of light coming from the sky, others said it was the place where the pharaoh climbed up to join the sun god. The pharaoh was buried deep inside the pyramid surrounded by all the things he would need for the next life. The pyramids could be seen from great distances and were an easy target for thieves who could break into them at night. The later pharaohs wanted their burials to be safer so they cut their tombs deep into rocks in secret places but even so the thieves found ways of breaking into them.

The sun god Re was one of the most important and oldest gods in Ancient Egypt but there were many others, some were human, some animals while others had animal heads and human bodies. There were favorite gods who would be worshipped on special occasions or in special places. The jackal-headed god Anubis was the god of embalming and guarded the burial place - the necropolis; Seth was the pig god, the evil brother of Osiris, who brought disease and violence; Thoth was the ibis-headed god, the god of writing and wisdom; Horus was the falcon god, son of Osiris and Isis.

One god who had an important place in the everyday life of the Ancient Egyptians was the household god, Bes. Bes was depicted as a dwarf deity with ' leonine features and he was affectionately portrayed on bowls, head-rests, mirror handles and other domestic objects. The temple was the house of the god. Each temple was built in the style of the first temple, a simple reed shrine. Tall stone columns carved in the shape of lotus flowers or papyrus buds rose high above the officiating priests. The temples were dark, lit only by windows high up on the walls.

The ceilings were painted with stars and the walls were covered in sacred inscriptions and carvings of the gods. The main god of the temple had his sanctuary at the back of the temple and each day the pharaoh or the high priest approached the god's sanctuary to perform the Daily Temple Ritual. The god was washed, fed and dressed and then

offered prayers and incense. This important ritual was carried out three times a day in every temple in Egypt.

The monumental temples of Egypt must have appeared daunting to the majority of ordinary people but popular cults did develop around architectural features of the temple.

At Memphis, for example, there was a cult of Horus "on the corner of the southern door". Other popular cults grew around the posthumous reputation of famous people, for example, Imhotep, a renowned physician and architect of the third dynasty step pyramid at Saqqara was later worshipped as the god of medicine. Magic also played a central role in Egyptian religion for rich and poor alike. Ritual words, gestures and objects were believed to carry considerable power.

Throughout Egyptian history new gods were accepted into the extensive Egyptian pantheon. At times, however, the literature of the New Kingdom indicates the recognition of a central power behind these countless deities, a power, which could be reflected in many forms.

This was particularly evident after the reign of the 18th dynasty pharaoh Amenophis IV, who changed his name to Akhenaten and tried to introduce the worship of the Aten as the official Egyptian religion. The Aten's creative power was manifested in the disc of the sun and the pharaoh Akhenaten was his sole representative on earth. After Akhenaten's death there was a move back to traditional cultural practices.

Throughout Egyptian history the diversity of the Egyptian pantheon was welcomed by both the powerful and the humble. The gods permeated most areas of Egyptian life; they could help in sickness and in times of sadness, they could be a cause for celebration or be used as a political tool. Whatever their role they were an essential part of Egyptian life.

Renunciations For Egypt - I Aslan's Place

1.0 Introduction

The many different faces of the occult and idolatry share common roots thought to originate in Babylon. The Ancient Mystery Religion of Egypt is one such root from which is believed to have sprung up - among others - Freemasonry, SRA rituals, the Rosicrucian movement, Gnosticism, the Kabbalah, Alchemy and the New Age Movement.

Many of us have these roots in our generational lines. This prayer is the renunciation of the first chapter of the Egyptian Book of the Dead.

The ancient Egyptians are known for their fascination with death and the places in the afterworld which we believe are ungodly heavenly places or dimensions.

We pray that as God severs these longstanding ungodly links from our generational lines, that we will all be released into new levels of freedom in Christ who is Life which is the Light of men.

1.1 Renunciation of Hymn to Osiris

Lord, on behalf of myself and all ancestors in all branches of my family line,

I repent for all who said,

"Homage to thee, Osiris, Lord of eternity, King of the gods, whose names are manifold, whose forms are holy, thou being of hidden form in the temples, whose Ka is holy. Thou art the governor of Tattu (Busiris), and also the mighty one in Sekhem (Letopolis). Thou art the Lord to whom praises are ascribed in the Nome of Ati, thou art the Prince of divine food in Anu."

Lord, I repent for all worship of Osiris. Please disconnect me from Osiris, Tattu, Sekhem, Ati and Anu.

I repent for all who said, -

"Thou art the Lord who is commemorated in Maati, the Hidden Soul, the Lord of Qertt (Elephantine), the Ruler supreme in White Wall (Memphis). Thou art the Soul of Ra, his own body, and hast thy place of rest in Nekhen (Hierakonpolis).

Thou art the beneficent one, and art praised in Nart. Thou makest thy soul to be raised up. Thou art the Lord of the Great House in Khemenu (Hermopolis). Thou art the mighty one of victories in Shas-hetep, the Lord of eternity, the Governor of Abydos. The path of his throne is in Ta-tcheser (a part of Abydos)."

Lord I repent for **all worship of Ra.**

Please disconnect me from Maati, Qerrt, Memphis , Ra, Nart, Khemenu, Shas-hetep, Abydos , Ta-tcheser

I repent for all who said, -

"Thy name is established in the mouths of men. Thou art the substance of Two Lands (Egypt). Thou art Tem, the feeder of Kau (Doubles), the Governor of the Companies of the gods.

Thou art the beneficent Spirit among the spirits. The god of the Celestial Ocean (Nu) draweth from thee his waters. Thou sendest forth the north wind at eventide, and breath from thy nostrils to the satisfaction of thy heart. Thy heart reneweth its youth, thou producest the..."

[Note: The seemingly incomplete sentence is as in the translation that we are using.]

Lord I repent for all worship of Nu.

Please disconnect me from Tem, Kau, Nu.

I repent for all who said,

"The stars in the celestial heights are obedient unto thee, and the great doors of the sky open themselves before thee. Thou art he to whom praises are ascribed in the southern heaven, and thanks are given for thee in the northern heaven. The imperishable stars are under thy supervision, and the stars which never set are thy thrones. Offerings appear before thee at the decree of Keb."

I repent for all who said,

"The Companies of the gods praise thee, and the gods of the Tuat (Other World) smell the earth in paying homage to thee. The uttermost parts of the earth bow before thee, and the limits of the skies entreat thee with supplications when they see thee. The holy ones are overcome before thee, and all Egypt offereth thanksgiving unto thee when it meeteth Thy Majesty."

Lord please disconnect me from Keb and Tuat.

I repent for all who said,

"Thou art a shining Spirit-Body, the governor of Spirit-Bodies; permanent is thy rank, established is thy rule. Thou art the well-doing Sekhem (Power) of the Company of the gods, gracious is thy face, and beloved by him that seeth it. Thy fear is set in all the lands by reason of thy perfect love, and they cry out to thy name making it the first of names, and all people make offerings to thee. Thou art the lord who art commemorated in heaven and upon earth. Many are the cries which are made to thee at the Uak Festival, and with one heart and voice Egypt raiseth cries of joy to thee."

I repent for all who said,

"Thou art the Great Chief, the first among thy brethren, the Prince of the Company of the gods , the stablisher of Right and Truth throughout the World, the Son who was set on the great throne of his father Keb. Thou art the beloved of thy mother Nut , the mighty one of valour, who overthrew the Sebau-fiend. Thou didst stand up and smite thine enemy, and set thy fear in thine adversary. Thou hast made this earth with thy hand, and the waters, and the winds, and the vegetation, and all the cattle, and all the feathered fowl, and all the fish, and all the creeping things, and all the wild animals thereof."

I repent for all who said,

"The desert is the lawful possession of the son of Nut. The Two Lands (Egypt) are content to crown thee upon the throne of thy father, like Ra. "Thou rollest up into the horizon, thou hast set light over the darkness, thou sendest forth air from thy plumes, and thou floodest the Two Lands like the Disk at daybreak. Thy crown penetrateth the height of heaven, thou art the companion of the stars, and the guide of every god. Thou art beneficent in decree and speech, the favored one of the Great Company of the gods, and the beloved of the Little Company of the gods."

I repent for all who said,

"His sister [Isis] hath protected him, and hath repulsed the fiends, and turned aside calamities (of evil). She uttered the spell with the magical power of her mouth. Her tongue was perfect, and it never halted at a word. Beneficent in command and word was Isis, the woman of magical spells, the advocate of her brother. I repent before You for the ritual of the drinking of blood. I ask forgiveness for myself and on behalf of my ancestors and descendants, for this ungodly deed. I repent of the horrible sin of cannibalism, Father! I ask that You will cleanse our bodies as well as our souls from this and that You will bring restoration. I rebuke any initiation, as well as all words spoken during these rituals, and I silence it in Jesus Name.

I ask that You will cancel the curse written in Lev. 17:10 over me and my descendants, in the Name of Jesus Christ.

I repent of any form of bodily mutation, as well as tattoo's and I ask that You will render powerless the powers connected to this and cleanse me.

Counselors:

Anoint the tattoos and incisions where possible, and break the power of the demons connected to it.

Transition-rituals:

Father, in the Name of Jesus Christ, I now repent of my ancestor's and my own involvement in these rituals.

I renounce and rebuke the custom of injecting the initiate with a mixture of sweat and filth from the body of the witchdoctor, as well as all incisions made in my own / my ancestors' bodies. I ask that You will cleanse my body from all these substances, and that You will deliver me from any and all demons connected here.

I rebuke the "essence" of each group which was transferred through this ritual onto me or my ancestors or descendants. I also ask that You will deliver me and my descendants from any animal-spirits which were connected to us through these rituals. I ask that the Blood of Jesus Christ will cover these blemishes and that You will remove all poison from my system.

Isolation:

Father, in Jesus Name, I ask that You will remove and heal all effects of isolation on me / ancestors. I ask that You will dislodge my so-called "security that is locked up in fire" – and that You will deliver me from any foreign fires and connect me to Your protection and surround me with the fire of the Holy Spirit.

Land rights:

JUST INFORMATION: Ownership of water and grazing-regions are being jealously guarded. The goodwill of the spirits plays an important role here. A person declares a commitment to them and gets ownership of old tribal regions through contacting of its waters. This involves a ceremony at the waters. A similar ceremony is administered when visiting another tribe. The person identifies himself with the place and its spirits, and obtains

protection and support instead of hostility. All land claimed by a tribe was the general property of that tribe.

House animals were taken through rituals like chasing them through the smoke of a fire.

Fires had to be kept burning during hunting-seasons to ensure protection and success. Various superstitions are kept during hunting-seasons. An important ceremony in the old days was the initiation of a hunter in a community – his body was painted with the blood of the animal, and the skin and intestines were twined around the arms.

In the Name of Jesus, I repent of all efforts and rituals administered to gain the goodwill of spirits. I repent of every time that I / family identified ourselves with any territorial spirits to gain entrance to land, water or hunting-regions.

I repent of every water-ceremony in this connection, in Jesus Name. I repent of all superstitions and rituals concerning household-animals, in Jesus Name.

I renounce all spiritual “powers” dedicated to water or fire, even smoke. I renounce the custom of smearing the body with blood of animals and the wearing of the skin and intestines for successful hunting.

Death:

In the Name of Jesus Christ, I now renounce and rebuke every false belief and myth concerning death.

I rebuke the myth that the moon sends a message to the hare. I rebuke and renounce the influence of Gaunab, the malicious god of darkness, upon me / family, in the Name of Jesus Christ.

I break the influence of the spirit of death over me / family in Jesus Name.

I rebuke and renounce the spirits Hei and Nun, and declare that they will have no more power whatsoever over me / family to drag us away unto death. I ask that You will cover me / family with the Blood of Jesus Christ, so that none of these spirits of death may longer have any effect upon us – spirit, body or soul!

In Jesus Name, I break any and all charms, witch-powers and muti that have been used against me / family or are still in effect. I ask that Your mighty Hand will shield and protect us against any crossfire between witchdoctors who attempt to follow us. I ask that You will send Your Holy Fire against these powers and that You will destroy it in the spirit, as well as all ungodly altars where this took place or are still taking place, in Jesus Name.

I rebuke any and all rituals practiced during burials, and declare it of no effect any longer upon me / family. I repent of all worship given to the death by me / family. In Jesus Name I renounce all worship given to Heitsi Ebib, the first ancestor of the Khoi. To You belong all glory and worship, and I ask that You will forgive us and that You will destroy all these false altars of worship in the spirit.

Moon:

In Jesus Name, I repent of every ritual in which the moon (Gounja) was called upon by means of song, dance and rainmaking rituals. I ask that You will forgive us for using our bodies to give honor and service to other gods. I renounce the belief that the moon is connected with fertility, or that the lunar eclipse is a bad omen. I declare that You are reigning over all things and I choose to call upon You for all the needs or joys in my life.

Worshipping of Heroes:

In Jesus Name, I repent of every animistic belief and identification with powers of nature to bring forth rain.

In Jesus Name, I renounce and rebuke the power and influence of the following gods upon me / family's lives, properties, marriages, fertility, finances, relationships, ministries, etc.

Tsunigoab (wounded knee) – the “creator” god who awakes with every dawn.

Heitsi Ebib – the first ancestor.

Gaunab – the god of darkness.

Hishna – the “first, big” spirit.

Gauwa

G//awama – he can change himself into a crocodile.

N!odima – giver of life.

Kaggen – manifests in the form of a praying mantis.

Heise – half-man, half-god with a Cape oryx for a wife.

Sun – the sun was worshiped, and sun-medicine was made.

Water Spirits

Mountain Spirits

Animal Spirits:

Elk

Serpent

Hippopotamus

Elephant

Birds

Wild Boar (totem of the rain-queen of Lovedu)

Lion

Miaputi – Water-monster on the banks of the Orange-river.

In Jesus Name, I now rebuke and renounce and render powerless all powers of **Tsunigoab**, such as:-

Rainmaker, creator of people (out of stone), headman, contender and sorcerer.

I declare that these powers will have no effect upon me / family any longer, in Jesus Name.

In Jesus Name, I repent of all rituals practiced with animals, fire, water, fat, blood and milk in an attempt to call rain. I repent of any and all rituals practiced between September and January when the high mountains were visited to practice ceremonies for rainmaking and to make rock paintings. I repent of every dance (trance-dance) that was practiced for rainmaking, in Jesus Name. Father, I repent of the human sacrificing in times of drought. In Jesus precious Name, I ask that You will forgive these horrible sins and that You, in Your great mercy, will silence the blood of those people with the Blood of Jesus Christ, so that it will no longer call upon wrath in our bloodline.

I repent of every exalting name the god Tsunigoab received, and I declare that You are the Name above all names and all glory and honor belongs to You!

Father, in Jesus Name, I ask that You will trace and destroy with Your Holy Fire, every ungodly altar where other gods received worship, or where ungodly sacrifices were made, blood flowed or where “graves” were strategically put to form power-points in the spirit.

I ask that You will forgive us for every ungodly and unholy prayer directed to Tsunigoab and Heitsi Ebib, or any other false god, and that You will render it powerless.

In the Name of Jesus Christ, I now renounce and rebuke all powers and influences of Gaunab upon me / family.

I repent of every form of worship he received from me / family by means of nature phenomena, strange behavior of animals, stars, etc.

I repent of wearing and having faith in lucky charms to shun off evil. I declare that only through the Blood of Jesus Christ and His Name, we are able of conquering the powers of darkness and I now call upon Your grace and mercy to deliver me / family completely from any destructive effects of all the above-mentioned sins.

I ask that You will sever me / descendants from the connection with the Spirit of the Elk which occurred during:

- Puberty of girls
- First hunting-experience of boys
- Marriage
- Trance-dance

I ask that You will forgive us for each and every instance where I / ancestors / descendants “left our bodies”, and I ask in Jesus Name, that You will restore me / family from the destructive effects there-of, in body, soul and spirit – and that You will also wipe out all ungodly footprints we left in the spirit realm.

I ask Your complete forgiveness for all these ungodly practices – and I ask that You will break every curse upon me / family and turn it into a blessing.

I ask that You will now put the axe to every ungodly root of this family-tree to which I belong, which does not bear good fruit, and slash it out in Jesus Name!

In the Name of Jesus, I _____ now lift up Jehovah Nissi (My Banner, Jesus Christ) over this family-line to which I belong, and I declare that He reigns over us from now on, and that this family is now connected to the Kingdom of God and severed from the kingdom of darkness!

In the spirit, I now erect an altar for You in the midst of this family-line. I declare that I honor my father and mother, but I turn my back upon all of their sinful practices.

In Jesus Name, I now receive Your forgiveness with gratefulness.

AMEN.

Remember to seal the premises before praying.

Dear Heavenly Father,

I acknowledge Your written Word in **Deuteronomy 18: 9-13**, as the Truth, and repent for having practiced divination or sorcery, for having interpreted omens, for having engaged in this type of witchcraft, and for having consulted the dead – all things which the Word says are detestable to You, Lord.

I renounce the:

- “perfection” image of the upper world (heavens).

I thank You, Lord, that I, by your grace, am set free from all bondage.

I thank you Father that those whom you free are free indeed, and that the bondage of Shamanism in my life is broken.

I declare this petition sealed with the blood, power and authority of the Lord, Jesus Christ.

8. STAR SIGNS AND ASTROLOGY

Background:

Each person is given, at the moment of their birth, a special 'relationship' with the powers of nature, which are represented graphically by the horoscope. Only through the Rebirth with water (Baptism of Faith) and spirit (Baptism of the Holy Spirit) are these 'natural' bondages of sin dissolved/cut and a new Godly relationship is established.

John 3: 5: *"Jesus answered, I assure you, most solemnly I tell you, unless a man is born of **water** and [even] the **Spirit**, he cannot ever enter the kingdom of God."*

Col. 1: 13 *"[The Father] has **delivered** and **drawn** us to Himself **out of the control** and the dominion of **darkness** and has transferred us into the **kingdom** of the **Son** of His love."*

Through involvement in astrology in any form, additional bondages to certain 'cosmic', occultic, demonic powers are established/formed. These bondages are on different levels (Body, Soul, Spirit) and each have a different "character" that negatively influence/impact our lives in a multitude of ways. We must explicitly separate/divorce ourselves from these bondages.

Ps. 11: 6: *"Upon the **wicked** He will rain quick **burning coals** or snares; **fire**, **brimstone**, and a [dreadful] scorching **wind** shall be the portion of their cup."*

Eph. 6: 12: *"For we are not wrestling with flesh and blood [contending only with physical opponents], but against the **despotisms**, **against the powers**, against [the master spirits who are] the **world rulers** of this **present darkness**, against the **spirit forces** of wickedness in the heavenly (supernatural) sphere."*

1 Pet. 3: 22: *"[And He] has now entered into heaven and is at the Right Hand of God, with [all] angels and **authorities** and **powers** made subservient to Him."*

Gal. 4: 3-5: *"3 So we [Jewish Christians] also, when we were minors, were kept like slaves under [the rules of the Hebrew ritual and subject to] the elementary teachings of a system of external observations and regulations.
4 But when the **proper time** had fully come, God sent His Son, born of a woman, born subject to [the regulations of] the Law.
5 To **purchase** the **freedom** of to ransom, to redeem, to atone for) those who were subject to the Law, that we might be **adopted** and have **sonship** conferred upon us [and be recognized as God's sons]."*

Rom. 6: 12-14: *“12 Let not sin therefore rule as king in your mortal (short-lived, perishable) bodies, to make you yield to its cravings and be subject to its lusts and evil passions.*

*13 Do not continue offering or yielding your **bodily members** [and faculties] to sin as instruments (tools) of **wickedness**. But **offer** and **yield** yourselves to God as though you have been raised from the dead to [perpetual] life, and your bodily members [and faculties] to God, presenting them as implements of righteousness.*

14 For sin shall not [any longer] exert dominion over you, since now you are not under Law [as slaves], but under grace [as subjects of God’s favor and mercy].”

Ex. 20: 3-5: *“3 You shall have no other gods before or besides Me.*

*4 You shall not make yourself any **graven image** [to worship it] or any likeness of anything that is in the **heavens above**, or that is in the **earth beneath**, or that is in the **water under the earth**;*

5 You shall not bow down yourself to them or serve them; for I the Lord your God am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generation of those who hate Me,”

Rev. 2: 24: *“But to the rest of you in Thyatira, who do not hold this teaching, who have not explored and known the **depths of Satan**, as they say – I tell you that I do not lay upon you any other [fresh] burden.”*

Renunciation Prayer

Heavenly Father,

I am sorry for having involved myself in **astrology**, and that I wanted to discover my **“destiny”/“fate”** and the **“secrets of satan”** and that I bowed down before **foreign gods**. Lord Jesus, I ask You to **forgive my sin**.

Purify me through your **Precious Blood**. I trust You, Lord, and expect all blessings to come from You alone. You are the **Good Shepherd** and You lead me on the path of **righteousness** and You lead me to **Living Waters**. I thank You for that in Jesus Name.

I _____ (All first names, nick names, maiden name (women) and current surname) declare a divorce between myself and my names, and the occultic powers of the astrology sign and planets _____ as mentioned below. I declare that I no longer stand under the law of the powers of the elements, but am bound to the law of the Grace of God.

- Through element: EARTH, RULER: MERCURY ♀
- Special relation to: VIRGIN MARY / GODDESS ISIS,
- VENUS / QUEEN OF HEAVEN, EARTH GODDESS GAI/DEMETER

I deny the chosen women, the supposedly heavenly virgin and the virgin mother, the wheat blade, as well as the woman who holds on to the ear of wheat, the mermaid with the child in her arms and the unicorn on her lap. I declare a divorce between the virgin and the unicorn that drinks on the breast of the virgin. In the Name of Jesus Christ I pull Virgo out of my stomach and out of my intestines and all viscera. I cut myself loose from wisdom, unity, health, purity and excellence associated with Virgo. I divorce myself from all earth powers and their promises of health, wisdom and riches. I therefore declare that should I need any of these, it will become mine by God's Holy Spirit through my dependence and obedience to the Lord Jesus Christ of Nazareth. Only Jesus can make me pure and Holy.

Ps. 111: 10: *“The reverent **fear** and worship of the Lord is the **beginning** of **Wisdom** and **skill** [the preceding and the first essential, the prerequisite and the alphabet]; a good **understanding, wisdom, and meaning** have all those who **do** [the will of the Lord]. Their praise of Him endures forever.”*

I therefore deny and reject the goddess Cybele, as well as the "musk" smell that characterize the goat.

Therefore, in the Name of Jesus Christ of Nazareth, I now pull Capricorn out of my knees. I cut myself loose from all inspiration, wisdom, strength, pride, invulnerability and long life that are associated with Capricorn. I also deny all that is depressive, all thoughts of safety and all legality in my life, all isolation and loneliness that are associated with these strong and condensing earth powers and deny all safety aspects when I go on journey anywhere. 9. CABALA HISTORY

UNDERSTANDING THE CABALA

The Cabala bears no small import to the Bible code. The principals most frequently associated with the code historically and today usually seem to believe in the Cabala. As we've seen in earlier chapters, the Cabala itself apparently was the original source for belief in the code. What is the Cabala? The Encyclopedia Judaica defines it as "the traditional and most commonly used term for the esoteric teachings of Judaism and for Jewish mysticism, especially the forms which it assumed in the Middle Ages from the twelfth century onward."

The standard Encyclopedia of Religion declares:

Since the early thirteenth century it has become the main term for Jewish mystical traditions, which deal almost exclusively with [1] a theosophical understanding of God, combined with a symbolic view of reality and the theurgical conception of religious life, and [2] a way to attain a mystical experience of God through the invocation of divine names.²

THE CABALIST WORLDVIEW

According to the Encyclopedia Britannica the seeds of Cabalism originate with the merkavah mysticism of first century Palestine, while the Encyclopedia of Judaism points out that Cabalism represents a rebellion of sorts against traditional Judaism: "Ever since the second century CE, there has been a trend in Jewish culture which is not satisfied with traditional ways to approach God through Jewish religious practice and thought.³ Instead, it seeks a more intimate and meaningful contact, and even union, with God.

Jewish mysticism, like Christian mysticism, strongly influences those who believe it. However, it does not necessarily influence the larger traditional theology of the religion itself, being outside it.

Cabalism is divided into both philosophical and practical aspects, either of which would seriously alter an individual Cabalist's view of traditional Judaism.

Thankfully, not all Cabalists accept the magical occult tradition of practical Cabala. But even these may still have engaged in mysticism or redefined occult practice into more acceptable psychological or "scientific" categories. Regardless, a true Cabalist cannot help but be affected either by philosophical or practical Cabalism, or frequently is affected by both.

This is the problem: Both philosophical and practical Cabalism are opposed to the doctrine and commandments of the Torah and the rest of the Jewish scriptures. While modern-day Judaism has been more accepting of the Cabala, we think that nineteenth-century orthodox Jews correctly saw the Cabala as having a potentially disastrous impact on Judaism.

So that we can better understand the reason for concern over Cabalism-especially in relation to the Bible code let's take a look at its occult nature, its concept of God, and its approach to Bible interpretation. Although our analysis is brief, we have based our presentation on some key authoritative sources: The Encyclopedia Judaica (1972), Wigodeis The Encyclopedia of Judaism (1989), and Eliade's The Encyclopedia of Religion (1987). We have also cited Ponce's theosophical text on the Cabala (1978) and Matt's text on the *Zohar* (1983).

THE CABALA AND OCCULTISM

The most important work in the Cabala is the *Zohar*, a mystical "commentary" on the Pentateuch. Many Jews apparently view it as canonical, and after the Bible and the Talmud, it is the third most sacred book of Judaism.⁴ Yet a standard theosophical text on the *Zohar*, *Zohar: The Book of Enlightenment*, suggests that the *Zohar* was in part the product of a human medium, and that it was written through automatic writing. This text describes the author as "an inspired scribe recording the wisdom of Cabala as it courses through him, a vessel channelling the Cabalistic collective unconscious."⁵ Matt further believes that "automatic writing would have contributed to" the *Zohar's* particular style, its foreign and invented languages, neologisms, reverse sequences of letters, and "strange conglomerations of words in otherwise clear sentences."⁶

Not unexpectedly, the Encyclopaedia Judaica reports that various spiritistic methods are mentioned-for example, "Automatic writing is mentioned in a number of sources" and "A number of other spiritualistic phenomena, both spontaneous and deliberately induced, are also mentioned in various sources. . ."⁷

As we've already noted, Cabalism is divided into philosophical and practical aspects. Practical Cabala became so entwined with the occult-even black magic-that most Cabalists disavowed it. Yet occult phenomena and practices are hardly infrequent in the life of Cabalists. For example, Josef Karo and Shelomoh Ha-Levi Alkabets, two central Cabalistic figures from Turkey, helped establish "mystical groups that formed the nuclei of intensive quabbalistic activities. Karo, the major halakhist of his time, produced a mystical diary dictated by a maggid, an angelic messenger who spoke from Karo's throat. Karo represents a Spanish cabalistic trend that was primarily interested in incubational techniques to induce revelations and dreams."⁸ Another of the dominant figures in Cabalism is Isaac Luria, who was well known for his "occult powers, and exposition of a novel type of Theosophy."⁹

The Encyclopedia Judaica also discusses the occult nature of the Cabala in its lengthy article on the subject. For example, consider the following descriptions:

From the beginning of its development, the Cabala embraced an esotericism closely akin to the spirit of Gnosticism, one that was not restricted to instruction in the mystical path but also included ideas of cosmology, angelology, and magic. Only later . . . the Cabala became a mystical Jewish theology . . . This process brought about a separation of the mystical, speculative elements from the occult and especially the magical elements, a divergence that at times was quite distinct but was never total.

And:

For the most part, the realm of practical Cabala is that of purely motivated or "white" magic, especially as practiced through the medium of the sacred, esoteric names of God and the angels, a manipulation of which may affect the physical no less than the spiritual world. . . . only the most perfectly virtuous individuals are permitted to perform them [magical operations]. . . . Whoever else seeks to perform such acts does so at his own grave physical and spiritual peril. . . . [regardless] the boundary between physical magic and the purely "inward" magic of letter combinations and kwanot was not always clear-cut and could easily be crossed in either direction."

However, the Encyclopedia Judaica also points out that both black and white magic are practiced in Cabala and that, although the black magic is usually condemned, it hardly disappears entirely:

The ostensible lines drawn by the Cabalists to set the boundaries of permissible magic were frequently overstepped and obscured, with the consequent appearance in practical Cabala of a good deal of "black" magic, i.e. magic that was meant to harm others, or that employed "the unholy names" . . . of various dark, demonic powers, and magic used for personal gain. The open disavowal of practical Cabala by most Cabalists . . . was for the most part in reaction to practices like these. Such black magic embraced a wide range of demonology and various forms of sorcery. . . . Such black magic is called in the Cabala "apocryphal science". . . . or the science of the Orientals . . . and, though a theoretical knowledge of it is permitted-several Cabalistic books treat of it at length-its practice is strictly forbidden....

The opposition of the speculative Cabalists to black magic was unable to present a conglomeration of all kinds of magical prescriptions in the literature of practical Cabala. Often the white-magical practices of amulets and protective charms could be found side by side with the invocation of demons, incantations, and formulas for private gain (e.g. magical shortcuts, the discovery of hidden treasure, impregnability in the face of one's enemies, etc.) and even sexual magic and necromancy.¹²

In essence, "what came to be considered practical Cabala constituted an agglomeration of all the magical practices that developed in Judaism from the Talmudic period through the Middle Ages"¹³

However, it is just such so-called "white" or "black" magical practices that are condemned in both testaments as a trafficking with evil spirits.¹⁴

Because the Cabala is hostile both philosophically and practically to biblical teaching, we should not be surprised to find that it endorses an unbiblical view of God.

THE CABALISTIC CONCEPT OF GOD

The Cabalistic concept of God is more Eastern than biblical. For example, as in advaita Vedanta Hinduism, Cabalism, divides God into two primary aspects, the one true unknowable God (Ein Sof), and Its or His knowable manifestation (the Sefirot). In Cabalism Ein Sof "is inaccessible to thought and has no attributes."⁵ The Sefirot are the manifestations of Ein Sof, Its mystical attributes. Here God thinks, feels, responds, and is affected by the human realm. He and She comprise the divine androgyne; the romantic and sexual relationship is one of the most striking features of the *Zohar*. Though ultimately God is infinite and indescribable, the Sefirot are real "from our perspective." They provide the human being with a way to know the unknowable.¹⁶

Again, similar to advaita - where we find Nirguna Brahman [Brahman without attributes], and Saguna Brahman [Brahman with attributes]-in the Cabala, we find the attempt to know the unknowable through its ultimately illusory manifestations.

Most relevant to Christian theology is that the Cabala teaches that the God of the Old Testament is an inferior deity to Ein Sof. Cabalists say that because the biblical God has attributes, such as love, justice, and mercy, He cannot be considered the ultimate God, who is attributeless. We are told that in Ein Sof, all opposites exist in complete ignorance of their differences, in a unity beyond unity that knows no possibility of differences.

In the minds of the Cabalists Ein Sof is no-thing, does not exist, and is not fathomable and cannot be discussed at all in terms of Being or Non-Being. . . . The very most we can say is that it exists in its non-existence, and that in its non-existence it exists.¹⁷

Ein Sof is next described, with equal coherency, as a "spiritual non-entity" and "a plenum of emptiness." We are then told, obviously, "the Ein Sof, by definition, cannot be comprehended. So he can be neither understood by what he is not, nor by the idea of nothing. . . ." Exactly who or what Ein Sof is may be unclear to the unenlightened, but it or he is anything but the God of the Bible.

There is also no doubt that pantheistic, more so panentheistic, elements exist in the Cabala, although it cannot broadly be classified as either. Some Cabalists have argued that "nothing is outside" the Ein Sof, while the *Zohar* itself insists that God "is everything." The difficulty is knowing the "objective meaning" of such statements. In the context of a mystical and subjective worldview, they could be interpreted either theistically or pantheistically.²⁰

When some Cabalists declare that the emanated Sefirot is "one in substance" with the Ein Sof, and that the human soul "quite literally" is "a part of God above," the meaning becomes clearer.²¹ Cordovero, for example, is clearly one Cabalist who held to panentheistic doctrine: "God is all that exists, but not all that exists is God."²²

Regardless, according to the Cabala, "Above all it is important to understand that the Ein Sof of the Cabala stands above the creator God of the Old Testament". Paradoxically, it is the God of Cabala, not the God of the Bible, which allows himself to be manipulated in unseemly ways by his creation. The techniques of mystical enlightenment used in the Cabala allow the practitioner to "know" and even manipulate God. They include recitation of the divine name, meditation, various breathing techniques, and cathartic practices.

Some practices involve a meditation that empties the mind and is similar to Indian yoga and Muslim Sufism:

[The Cabalist is involved in] training in meditation. By immersing himself in various combinations of letters and names, the Cabalist emptied his mind of all natural forms that might prevent his concentrating on divine matters. . . . The techniques of "prophetic Cabala" that were used to aid the ascent of the soul, such as breathing exercises, the repetition of divine names, and meditations on colours, bear a marked resemblance to those of both Indian yoga and Muslim Sufism.²⁴

One of the goals of Cabala is to actually manipulate the divine nature. As Moshe Idel writes in *The Encyclopaedia of Religion*:

One of the most important tenets of mainstream Quabbalah is the view that man can influence the inner structure of the godhead. By performing the commandments with the proper Quabbalistic intention, man is capable of restoring the lost harmony between the lesser Sefirot, and Tiferet Malkhut, making possible the transmission of the divine efflux from the higher Sefirot to our world. Moreover man can draw this efflux from Ein Sof, the hidden divinity, downward to the Sefirot. . . . Quabbalistic observance of the commandments constitutes a theurgic [magical] activity, since its aim is the restructuring of God.²⁵

It is thus significant that the manner in which the Ein Sof "created" the world parallels the occult practical methodology of "enlightenment" in dangerous Tantric kundalini yoga. Apparently, in imitating Ein Sof's method of creation, the Cabalistic initiate mystically internalises a similar process in order to "know" the means of creation within the body:

It is in the Cabalistic system of Isaac Luria that we find an extremely intricate description of the activity of the Ein Sof in the universe prior to the creation. Luria tells us that the infinite being, Ein Sof, retreated from the arena of the universe, contracted into Himself, and left behind Him, in that space which was defined as Him, an emptiness. It was by the Ein Sof's retreat from infinite space into an infinitesimal monad of pure energy that the world comes into being. If the Ein Sof had not contracted Himself there would have been no space for the activity of Genesis to take place.

The world comes into being only after this contraction. It was then that the Ein Sof sent forth a beam, an emanation of Himself into the space created by His contraction. It is on the "surface" of that space that the first spark was struck, the pinpoint of light that was to become the Sefirot.

In order for a creation to be possible there must first be a contraction, a concentration of all energies at a center. Then, an expansion must occur; the gathered energies must be sent forth in concentrated form as a ray or beam of energy.

The activity of the Ein Sof as outlined by Luria immediately brings to mind the method of yoga in which the yogi is called upon to retrieve the energies bound up with the sense-organs, dispersed in the world, and concentrate them on a center located in his body. In the Chinese yogic text called *The Secret of the Golden Flower* we are told that in order to create the flower, or subtle body we must take the energies which normally flow outward into the world through the eye (i.e., the senses or general involvement with the world of the senses) and cause them to "flow backward." This withdrawal of energies might be likened to the Ein Sof's contraction of Himself.

Again, in the Tantric discipline of Kundalini yoga the purpose behind the retrieving of energies is awakening the bundle of spiritual energies slumbering at the base of the devotee's spine. After the initial contraction there is then a release of energies. But as in most yogic systems, the newly found and released energy follows a specific path or course. So too does the expression of the Ein Sof after its contraction take on a course or series of paths.¹⁶

THE CABALISTIC APPROACH TO BIBLICAL INTERPRETATION

According to the *Encyclopaedia Judaica*, *The Encyclopaedia of Judaism*, and other sources, the historical approach of Cabalism to biblical interpretation leaves much to be desired from the viewpoint of a normal interpretation of the text. Cabalism may believe that the Bible is the font of all truth, but it also leans heavily upon a mystical interpretation of the Bible:

Mystical truth ... can be gleaned from a mystical interpretation of the ancient "biblical" texts. Throughout its history, Jewish mysticism has reflected the tension between the tendency to arrive at the mystical truth by an esoteric system, hermeneutical interpretation of biblical verses, and Talmudic sayings, viewing them as mystic symbols on the one hand and on the other, the drive towards original mystical discoveries, through visions, dreams, revelations of celestial [spirit or angelic] powers and intuitive reflection . . . the Cabalists saw themselves as transmitters of ancient secrets, given to them by previous generations or gleaned by them from ancient texts. . . According to the Cabalists these [biblical] words do not denote essential reality, but symbolize, in a complex way, a mystical way which is essentially beyond words. God gave the mystics the Scriptures as a kind of dictionary of symbols, which only the mystic can understand, and in this way have some glimpse of the truth beyond these words.

The mystics thus read the scriptures in a different, unique, way and they can use the symbols-the biblical terms-to express the mystical (Way) as glimpsed by them.

In other words, the mystical truth of the biblical text is something that only the mystics themselves can discern through mystical practices. The plain meaning of the text is relegated to a secondary status. A classic example is the *Zohar's* hermeneutical commentary on the Pentateuch, which is anything but a grammatical-historical exposition of the text. Its "meaning" lies in the eye of the beholder.

In the Encyclopedia Judaica we are told that the plain meaning of the biblical text is inferior to the mystical interpretation of the Cabalist. In fact, the author of the *Zohar* actually believed that if God intended the Torah to be a series of literal narratives, then he and his followers could have written a better text.

In the main corpus of the *Zohar*,...such mystical interpretations are referred to as "mysteries of the faith"... i.e. exegesis based on esoteric beliefs. The author of the *Zohar*, whose belief in the primacy of Cabalistic interpretation was extreme, actually expressed the opinion [3, 152a] that had the Torah simply been intended as a series of literal narratives he and his contemporaries would have been able to compose a better book!²⁸

To the Cabalist, then, the biblical text is merely a symbol of higher truth and an inferior commentary on the true mystical text allegedly revealed by his fellow mystics:

The Cabalistic attitude to the Pentateuch, and in a somewhat lesser degree to the Bible as a whole, was a natural corollary to the overall Cabalistic belief in the symbolic character of all earthly phenomena The Torah became for the Cabalist the object of an original mystical way of meditation the true written law has become entirely invisible to human perception and is presently concealed in the White Parchment of the Torah Scroll, the black letters of which are nothing more than a commentary on this vanished text.²⁹

Readers who focus on the surface meaning of the biblical text and its historical narrative are said to be harming themselves spiritually. The Cabalist would say that the surface texts are simply the garments, and not the hidden inwardness that clothes itself in them. They say "Woe is he who looks only at the garments!"³⁰

Because the Torah has so many different interpretations, the conventional categories by which the Torah was interpreted - the literal, allegorical, biblical, and mystical - "served only as a general framework for a multiplicity of individual readings...."³¹

With Cabalistic hermeneutics, the possible number of interpretations of the Torah become endless: "From the sixteenth century on was expressed . . . the widespread belief that the number of possible readings of the Torah was equal to the number of the 600,000 children of Israel who were present at Mount Sinai-in other words, that each Jew approached the Torah by a path that he alone could follow."³² Indeed, "The various possibilities of symbolic interpretation changed the scriptures into an 'open text' pregnant with infinite meanings."³³

The Encyclopedia Judaica goes on to point out that the mystical meaning involved "the totality of possible Cabalistic commentaries which interpreted the words of the Torah as references to events in the world of the Sefirot or to the relationship of this world of the biblical heroes" and therefore the literal interpretation was only the Torah's outermost aspect - the "husk that first met the eye of the reader" and had to be "peeled off" in order to find the true kernels of truth:

As a result, the other layers revealed themselves to that more penetrating and latitudinous power of insight which was able to discover in the Torah general truths that were in no way dependent on their immediate literal context. Only on the [mystical level of sod did the Torah become a body of mystical symbols which unveiled the hidden life-processes of the Godhead and their connections with human life."

Unfortunately as we saw in chapter 3, if we resort to mystical and subjective interpretations, then the Bible can be made to teach anything! Far from respecting the biblical text, mystical and subjective approaches undermine it.

One example of the problem with resorting to mystical interpretations can be found in Satinover's book, where he cites the Cabalistic interpretation of Genesis. Citing Cabalist Nechunya ben HaKanah, he writes, "In his view, the universe is not a mere few thousand years old as the text seems to claim on the surface, but is 15.3 billion years old, the very age arrived at only recently by estimates of modern astrophysical theories of 'big bang.'³⁵ The problem is that the big bang theory is, in all probability incorrect - and it is impossible scientifically to declare whether or not the universe is young or old.³⁶

We have seen that according to Cabalism, the ultimate God of Cabala is superior to the God of the Bible. If we attempt to understand the Bible by reading the text in a normal, literal fashion, then we will end up with an inferior understanding of God, revelation, salvation, reality and so on, because we will have sacrificed the underlying mystical truths of Scripture.

Cabalists would say that literal interpretation is not necessarily wrong, only that it is inferior and incomplete. 'They say there is a higher dimension to knowing God than what we find in the literal text of the Torah.

We are therefore told that the mystical truth of the Torah is superior to its literal and superficial meaning: "The *Zohar* never loses sight of its goal: the creation of a mystical commentary on the Torah. . . : Through commentary, midrash and mystical hermeneutics, the *Zohar* introduces the reader to the hidden dimension of Torah. . . . The literal text is the starting point but the *Zohar* is dissatisfied with the superficial "meaning" - and even irreverent towards it!³⁷ Overall, "the *Zohar* may abandon the literal sense of a verse or conversely, employ the technique of mystical literalness, reading hyperliterally The goal is to penetrate, to unlock the secret content of the word, to elicit its divine essence."³⁸

Indeed, even the letters of the Torah itself, used mystically are said to have mystical powers: "not only does the Torah come from God; her words and letters are permeated with God" hence they are believed to have mystical powers.³⁹

The purpose of the Cabala, then, is "to broaden the dimensions of the Torah and to transform it from the law of the people of Israel into the inner secret law of the universe..." One wonders: What does the God who gave the law to Israel think of such an endeavor?

Approaching The Torah in a mystical manner is believed to convey great benefit:

Studying and living [the] Torah are the surest ways to a direct encounter with God.... [But] Torah is not merely law; it is cosmic law, a blueprint of creation. The *Zohar* illuminates the cosmic aspect of Torah. It strengthens tradition and at the same time transforms it. The literal sense is sanctified but readers are urged to 'look under the garment of Torah.' . . . [where J Theosophy replaces theology].⁴¹

Thus we are told by Cabalist Moses Cordovero that "those who constantly create new interpretations [of the Torah] are harvesting Her" - that is, God's creative power.⁴²

However the Cabalist approach to biblical interpretation consistently nullifies the plain meaning of the text. What, then, is the sense of even having the plain text of the Bible?

When we compare the two, we see that the plain text is remarkably consistent and cohesive, whereas the Cabalist interpretations are contradictory and clearly subjective. Whether these "doctrines" can supply the Cabalist with what he or she needs in life, not to mention what God will require of them, remains to be seen.

Finally it must be said that not all Cabalists are prone to occult philosophy practice, and hermeneutics:

This type of Quabbalah commonly mitigated or totally nullified the mythical elements that are paramount in mainstream Quabbalah, including the theurgical nature of the commandments, processes by which God's internal life unfolds, and Messianic eschatology. For this reason, representatives of philosophical Quabbalah never became influential in Jewish theology⁴³

THE CABALIST INFLUENCE

It also remains to be seen just where Bible code Cabalists lie in their use of the Cabala and how their views influence their view of God and scripture. We have been told by serious Christian code researchers that "general code research has nothing to do with Cabalism," which in its good sense is "meant as a teaching tool and nothing more." That also remains to be seen. Whatever the outcome, it is difficult to deny the significant influences Cabalism has had on Judaism historically as the following extended excerpt from the Encyclopedia Judaica reveals:

The influence of the Cabala has been great, for it has been one of the most powerful forces ever to affect the inner development of Judaism, both horizontally and in depth. Jewish historians of the nineteenth century, while conceding the Cabala's significant role, considered it to have been overwhelmingly negative and even catastrophic, but the appraisal of twentieth-century Jewish historiography has been far more positive. .

As was pointed out. . . The Cabala represented a theological attempt, open to only a relative few, whose object was to find room for an essentially mystical world-outlook within the framework of traditional Judaism without altering the latter's fundamental principles and behavioral norms.

To what extent if at all this attempt was successful remains open to debate but there can be no doubt that it achieved one very important result, namely that for the three hundred year period roughly from 1500 to 1800 (at the most conservative estimate) the Cabala was widely considered to be the true Jewish theology, compared with which all other approaches were able at best to lead an isolated and attenuated existence. . . .

The main influence of Cabala on Jewish life must be sought in the three areas of prayer, custom and ethics. Here the Cabala had practically unlimited freedom to exert its influence. . . .

Many Cabalistic concepts were absorbed at the level of folk beliefs, such as the doctrine of man's first sin as the cause of a disruption in the upper worlds, the belief in transmigration of souls, the Cabalistic teachings about the Messiah, or the demonology of the latter Cabala. Throughout the Diaspora, the number of folk customs whose origins were Cabalistic was enormous; many were taken directly from the *Zohar*, and many others from Lurianic tradition. . . . Such customs came on the whole to fulfill four mystical functions: the establishment of a harmony between the restrictive forces of Din and the outgoing forces of *Ruhamim*; to bring about or to symbolize the mystical "sacred marriage" between God and His *Shekinah*; the redemption of the Shekinah from its exile amid the forces of the *sitra ahra*; the protection of oneself against the forces of the *sitra ahra* and the battle to overcome them. Human action on earth assists or arouses events in the upper worlds, an interplay that has both its symbolic and its magical side. Indeed, in this conception of religious ceremony as a vehicle for the workings of divine forces, a very real danger existed that an essentially mystical perspective might be transformed in practice into an essentially magical one. . . .

This penetration of Cabalistic customs and beliefs left no corner of Jewish life untouched.⁴⁴

The question for Cabalists and Judaism is whether such influence was ever justified in the first place.

HOW TO UNDERSTAND THE CABALA

The Cabala has no minute contribution to the Bible code. The most important people who are mostly associated with the code – historically and today – seems all to believe or did believe in the Cabala. As we had seen in previous chapters, we can conclude that the Cabala itself was seemingly the original source of faith in the code.

What is the Cabala? The Encyclopaedia Judaica defines it as “the traditional and most commonly used term for the esoteric teachings of Judaism and Jewish mysticism,

especially the forms which it took on during the Middle Ages from the 12th century onwards.”

The standard Encyclopedia of Religion states:

Since the early 13th century, it became one of the main terms for Jewish mystical traditions, which deals almost exclusively with (1) a theosophical comprehension of God, in combination with a symbolic view of reality and the miracle-workings concept of religious life, and (2) a way to obtain a mystical experience from God through the convocation of godly names.

THE CABALISTIC WORLDVIEW

According to the Encyclopedia Britannica, the origins of Cabalism started with the merkavah **mysticism of the first century Palestine**, whilst the Encyclopedia of Judaism Cabalism portrays as a **rebellion of sorts** – rebellion against traditional Judaism: *“Since the second century CE, there was a tendency in Jewish culture which was not content with the traditional ways of approaching God through Jewish religious practice of thought. In stead, it seeks for a more intimate and meaningful contact, even oneness, with God.”*

Jewish mysticism, like Christian mysticism, strongly influences those who believe in it. But it does not necessarily influence the bigger traditional theology of the religion itself, because it stands outside of that.

Cabalism is divided into **philosophical** and **practical aspects**, of which both would be able to change an individual Cabalistic view of traditional Judaism. Not all Cabalists do accept the magical occult tradition of practical Cabala. But they may still be involved in mysticism of redefined occult practices to a more acceptable psychological or “scientific” category. Nevertheless, a true Cabalist cannot help, but to be affected by either philosophical or practical Cabalism, and is often influenced by both.

This is the problem: both philosophical and practical Cabala are opposed against the doctrine and commandments of the Torah and the rest of the Jewish scriptures.

Whilst modern Judaism lends a more accepting ear to the Cabala, we do think that the 19th century orthodox Jews had seen, and rightly so, that the Cabala could have a potentially destructive impact on Judaism.

To understand their distress about Cabalism better – especially regarding the Bible code, let us have a look at it’s occult root, concept of God, and it’s approach to Bible interpreting. Even while this is a short analysis, we had based our presentation upon some key authoritarian sources: The Encyclopedia Judaica (1972), Wigodeis – The Encyclopedia of Judaism (1989), and Eliade’s The Encyclopedia of Religion (1987). We also quoted from Ponce’s theosophical text of the Cabala (1978) and Matt’s text about the Zohar (1983).

THE HEBREW ALPHABET

In the Cabalistic tradition, the **22 characters of the Hebrew alphabet**, are symbolized by the **22 almond blossoms** on the **7-armed chandelier of the Temple**. They are classified as **three mothers** (*aleph, mim, and shin*), 7 duplicated characters which corresponds with the planetary spheres, as well as with the metals, and finally the 12 single characters connected to the zodiac system.

Through this, the ancient, consecrated numbers are being brought into a unified system. There are **22 ways** in which the 10 Sefirot are secretly connected, and someone had even tried to explain the existence of the 22 characters by looking at them as a combination of the 10 Sefirot with the 12 signs of the Zodiac.

It seems that the **22 tarot cards** and their *arcane*, or secrets, came from such speculations. The 22 pictures on the cards, placed in certain forms and interpreted according to their numerical symbols, are supposed to portray certain basic human situations. Pictures on the oldest tarot cards which were used in 14th century Venice, can be connected to ancient Egyptian ideas and Cabalistic mysticism. The tarot game, a popular pastime in Bavaria, originates from the old, mystical tarot.

*There are 22 main **arcane** of the tarot deck. These ancient cosmological play-cards are mainly used in divination. There are 21 consecutive, numbered cards, plus the "Fool", which represents 0.*

RELIGIOUS GnosticISM AND CABALA

With a growing demand of standards for life and an all-encompassing harmony, even Plato (although otherwise somewhat critical about the Pythagorean) accepted that these numbers do contain certain keys for the resolving of the **secrets in nature**.

Pythagorean and Platonic ideas were carried over into Neoplatonism and the Gnostic (religious knowledge of truth) systems, and caused a great measure of mysticism to come forth, which can be summarized as follows:

1. **Numbers** influence the character of things which are being ordered by them
2. Through this, the number becomes a **mediator** between the Godly and the created world
3. Ensuing that if someone would carry out actions with numbers, these actions also work on the things connected with the numbers in use

Thus each number develops a special character, a mysticism of its own, and a special metaphysical meaning.

Plotinus, whose Neoplatonical system was influenced deeply by the mystical trends in the **three Abrahamic religions, Judaism, Christianity and Islam**, had said: *“Numbers existed even before the objects they describe. The variety of sensory objects just recall the comprehension of number to the soul.”* Philo of Alexandria combined ideas of the Old Testament and the Pythagorean tradition and created the basis for the biblical exposition of the Mid-century, which are strongly confirmed through **number-mysticism**.

The most important development of the Pythagorean tradition in the mid-century world, is the Jewish Cabala, which is based upon a highly complicated number-mysticism, through which **the fundamental One separates himself in 10 Sephirot** (derived from *safar*, number). These are **secretly connected to each other**, working together, with the 22 characters of the Hebrew alphabet, and serve as “bridges” between them.

The **highest sefirah** is *keter* (crown), from which *hokhmah* (wisdom) and *binah* (intelligence) originates.

The **fourth sefirah** can be called *hesed* (love) or *gedullah* (greatness);

the **fifth** one is *gevurah* (righteousness);

the **sixth** one *tiferet* (beauty) and

the **seventh** *netsah* (triumph).

Then there are also *hod* (splendour) as the **eighth** one,

yesod (foundation) as the **ninth**,

and **lastly** *malkhut* (kingdom of reality). This last *sefirah* may also be compared with the *Shekinah* which lives in the exile of this world.

From the *10 sefirot*, which may best be described as logia or fundamental ideas, the world of the first godly flow, *atsilut*, originates.

There are another three worlds, which also rest upon the 10 sefirot:

1. the world of creation and the heavenly spheres, *beriah*;
2. the world of the depictions of creatures connected to the heavenly realm, like spirits and angels, *yetsirah*;
3. and the world of material, *asiyah*.

Seeing that the Hebrew characters also serve as numbers, the figure of the sefirot and its derivations also leads to fascinating relations between the different parts of the world. The wide field of Cabalistic commentaries of scriptures, excellently described by Gershom Scholem, are permeated with the mysticism of numbers.

Left: Two hands on which the 32 connection-roads are shown. Underneath the hands is written ‘YHWH’, the Name of God.
Right: Modern Cabalistic “tree”.

One of Cabala’s views is that we are able, through our bodies, to bring anything into manifestation. What would be the use, they say, that a person may have deep spiritual realms and enlightening insights at his disposal, and not being able to put it to use in our everyday world.

There are more power-points in the body than the seven “main” points, and when looking carefully to the body and putting an imaginary Tree upon it, they can be easily found. For example, those places where paths cross on the Tree, when applied to the body, will help to discover a precise **psycho-spiritual supply of large healing value**.

The main physical **power-points of chakras**, can be described as “**rotating discs**” of energy which are on the level of the energy bodies, connected to the **spine in seven**

specific points, from the base of the spine up to the top. If the **chakra system** could be compared to the Tree of Life, it can be seen that some of the energy supply exist out of more than one sphere which corresponds with it.

Some of the chakras are involved with “external duality”, i.e. they are involved with external balance and they and a single sphere associated with the “other halve” of the polarity outside the individual. Those concerned with “internal duality” are involved with balance within the individual and has more than one sphere associated.

The **solar plexus** (energy network) **chakra**, corresponding with Hod and Netzach, are dual in nature, because the left- and right hand sides of the individual has to be balanced for effectiveness and to be completely open. In other words, if the thinking (Hod) and emotions (Netzach) are not balanced, there would be things to be worked through on this level of energy. The middle of the **head chakra**, is also dual in nature, but on a deeper level as shown, through its correspondence with Binah and Chockmah.

It is concerned with the balance of spiritual Love and Will en when it is open, it presents the individual with a connection to deep spiritual insights.

The **heart chakra** primarily lies in connection with the **central sphere** on the Tree of Life, Tiphareth. It is also associated with Geburah and Chesed, but it contains a dual aspect concerned with the lessons the soul has to learn on its journey through life. A connected and subtle, effective heart can choose to be open or closed, fitting to the situation, and is able to heal itself as well as others, and is also able to protect his body.

Tiphareth and the **heart** are associated with “**higher**” feelings, values, love, service, altruism, etc. The human as a whole, is viewed as if it moves in the present time, from a primary focus on energy networking (solar plexus) to a new connection and resurrection of heart-values. The ‘single’ chakras, with reference to their position on the Tree of Life, are more simple to understand. Whilst the other chakras are involved with inner balance, these four chakras are concerned with outer balance.

THE SACRED TREE OF THE SEFIROT

The 10 Sefirot are ten characteristics, manifestations or depictions of the Cabalistic highest of all essence of God, called Ein Sof (also spelled En-Sof, Ein-Soph, Ayn Sof, Eiyen Sof, Ain Soph, Ainsoph, Aur en soph, etc.) The names of the 10 depictions (they may vary from group to group), are: **Crown, Wisdom, Comprehension, Grace, Strictness, Beauty, Victory, Glory, Foundation and Kingdom.**

These 10 manifestations are being drawn on a diagram called the **Tree of Life**.

It consists out of **10 circles**, connected through **22 lines**. The circles represent 10 aspects or phases of the Godly Depiction. They are numbered from 1-10 and are called Sefirot, or Numbering. The 22 lines which connect these 10 circles, represent the characters of the Hebrew alphabet and the powers which correspond with those characters. The

whole Tree, with its 10 numbers and 22 characters, represents the “**32 pathways of wisdom**”.

Number	Sefirah	Sphere
1	Kether	God
2	Hokhmah	Fixed stars
3	Binah	Saturn
4	Hesed	Jupiter
5	Geburah (Din)	Mars
6	Tifereth	Sun
7	Netsah	Venus
8	Hod	Mercury
9	Yesod	Moon
10	Malkhuth	Earth

10. CABALA (NUMEROLOGY)

Dear Heavenly Father, in the Name of Your Son Jesus Christ, I come boldly before Your throne. As Your child, I claim Your promises and protection, whilst bringing You this petition. I thank You Father that what we bind on earth shall be bound in Heaven and that as Your child, in Your Name and through Your power, I can bind the works and servants of Satan that would hinder me in this petition.

I claim the Blood of Jesus over myself, and my house, for our protection. I proclaim that Jesus Christ is Lord of my life and the Lord of every place my foot shall tread, and that this place is therefore holy ground. I take authority in this place, in the Name of Jesus and by the power of His Blood and Word.

In the Name of Jesus Christ of Nazareth, I therefore command all evil spirits, in this building – including the plumbing and drains, the electrical and gas circuits, the fireplace and chimney, as well as in the surrounding air and airwaves, the waters below and above, and the spirit realm about this dwelling, to leave this property now. I claim this room in particular and this building in general, sealed in the Name and Authority of Jesus.

In the Name of Jesus, I bind and forbid any evil spirit on the outside from having any knowledge of the proceedings within this room or influence over anyone within the system or this room.

I ask You Father to bind and forbid all evil spirits from interfering in any manner during this time of prayer.

I request that You dispatch Your warrior angels to take all demons, dead human spirits, evil and familiar spirits and any other servant of Satan not mentioned, to their destiny. I ask You, Father, to surround this place with Your warrior angels, so that no evil can come near this dwelling. I thank You Father that even now Your ministering angels are present.

Lord, I desire to worship You in Spirit and in Truth, and therefore request that You free my mind, thoughts, reasoning, will, intellect and emotions from all and every tie or connection, with numerology in general and specifically from Cabala.

I repent for having attempted to reach the **final goal** of the Cabala – that of achieving union with God whilst maintaining a social, family, and communal life within the framework of traditional Judaism, and attaining a vision of Your Divine Figure on the Throne – through psychic journeying and meditation.

I renounce the belief that You are a bi-sexual God; a Holy One -Blessed is He - with a Shekinah (feminine) half. I repent for believing that every human action here on earth affects the spiritual realm by either promoting or hindering the union of the male Holy One – blessed is He – and the female Shekinah. I repent for believing that without human participation You were incomplete and unrealized, and that You could not actualize Your Divine Potential, without the aid of humans. I know now Lord, that You do not “need” me, but rather that You long for my company.

Forgive me Father for having gone against Your Word in Revelation 22:19. I repent for having ever perverted Your Word by adding to or taking away from it. I repent for having used the Torah (Pentateuch or 5 Books of Moses), the Mitsvot (commandments) and the Talmud (Rabbinic commentary) to suit my own purposes.

I repent for having ever studied:

- the Zohar (canonical text of the Cabala),
- Ha-Zohar ha-Qadosh (The Holy Zohar),
- Sefer ha-Zohar (The Book of Radiance),
- Sefer ha-Bahir (The Book of Brightness),
- Sefer Yetsirah (The Book of Formation/Creation),
- and the Ma’Aseh Bereshit (The Tales of Creation/ Cosmology).

I renounce my belief in Ma’aseh Merkavah (The account of Ezekiel and the chariot in **Ezekiel 1 and 10**). I repent for having used this Biblical account as a vision or highly concentrated form of meditation, towards obtaining mystical ascent or as a pathway to seeing Your Divine Nature on the Throne, as Ezekiel did. I repent of having used this visualization to induce altered mental states or altered states of consciousness (such as astral projection/ a literal journey through the celestial spheres) with the intention of experiencing what Ezekiel did. I renounce passing through the **He-khalot** (seven states of consciousness) in an attempt to see the Throne of God as Ezekiel did. I repent for believing in the three levels of the human soul, the **Nefesh** (vital/instinct), **Ruach** (intellectual) and **Neshamah** (spiritual) and for judging my spirituality and meditative attainments on their development.

I renounce my belief in Ma'Aseh Bereshit (Tales of creation or cosmology).
I renounce my belief in the secrets held in the Sefer Yetsirah (The Book of Formation/Creation).

Note: The Sefer Yetsirah tells how God created the world by means of the 22 letters of the Hebrew Alphabet and the 10 sefirot (the worlds-within-worlds that make up the cosmic Tree of Life).

I repent for having believed in the doctrines taught by Moses de Leon in the Sefer ha-Zohar (The Book of Radiance) I repent for having believed in the doctrines taught in the Ha-Zohar ha-Qadosh (The Holy Zohar). I repent for having believed in the doctrines taught in Sefer ha-Bahir (Book of Brightness, the first Cabalistic Text).

I renounce the method in which the Zohar was written (automatic writing). I renounce the central belief of the Zohar (that every verse of the Bible reveals the sefirot).

I renounce the teachings on the **sefirot** and repent for believing:

- As numerical entities, are living beings embodying the numbers 1 to 10; ciphers with metaphysical potencies.
- That they teach how God feels responds and reacts intimately with Himself as a bisexual God as well as with the world.
- That they, as lights, powers and attributes, are similar to the Divine Powers of God.
- That they are representations of the stages of Your inner life.
- That they are aspects of Your Divine personality.

I renounce my belief in Your creative ability being dependant on the 10 sefirot, and that the sefirot are the way through which creation unfolded.

I renounce my belief in the "**Four Worlds**" of the sefirot, and all attempts made to fulfill Your commandments by mending these worlds and by drawing forth any emanation from above them.

I repent for believing in:

- **Atzilut** (the 10 spoken words of God that gave rise to creation, the world of archetypes, from which come all manifestation of forms).
- **Beriah**, (the manifest world of creation described in Genesis) I renounce this world's correspondence to the 7 days of Creation, and its position as home to the angelic hosts. I renounce the angel Metatron who guards this world.
- **Yetzirah** (the world of form where ideas, as patterns, are expressed) and its correspondence to the Garden of Eden.
- **Assiah** (the material world of matter) and its correspondence with unbalanced energies.

I renounce the Cabalistic Tree of life and the sefirot, as well as their **correspondences**:

- **Keter – Pluto**, the crown, will and humility, the top of the head and the brain and the colours white and black.
- **Chochmah – Uranus**, wisdom, the right ear and the colour blue.
- **Binah – Saturn**, understanding, Leah, the left ear and the colour green.
- **Daat – Neptune**, knowledge (The hidden sefirat).
- **Chesed – Jupiter**, mercy, Abraham/Rebecca, loving kindness, the right arm and the colour white.
- **Gevurah – Mars**, judgment, Isaac/Sarah, strength, the left arm and the colour red.
- **Tiferet – The Sun**, beauty, Jacob, self-consciousness, the heart and the colour white.
- **Netzach – Venus**, splendour, Moses, determination the right leg and the colour red.
- **Hod – Mercury**, majesty, Aaron, flexibility, the left leg and the colour green.
- **Yesod – The Moon**, foundation, Joseph, spiritual aspiration, the genitals and the colour white.
- **Malkhut – The Earth**, kingdom, David/Rachel, perception, the feet and the colour white.

I also renounce the realms above the sefirot of Keter, this being first Yesh (being) and then Ein Sof (No-thingness).

I renounce the **three triangles** formed by the first nine sephirot. I renounce the three images that the triangles are said to represent. I renounce the first triangle's representation of the impregnation of female by male, thus creating the world and child. I renounce the second triangle's representation of the development of the world and child.

I renounce the third triangle's representation of the adult person or the finished product of the world.

I renounce **Pillars of the Tree of Life**, the left-hand "Pillar of Severity," the right-hand "Pillar of Mercy" and the Middle "Pillar of Mildness or Equilibrium". I renounce the use of the "**path of the serpent**" and the "**path of the sword**," as methods of traveling through the Tree of Life.

I renounce the teaching of the **Tetragrammaton** (the 4 lettered name of God – YHVH). I renounce the recital of divine names and combinations of the Hebrew alphabet as a meditation technique.

I repent for having:

- Permuted (arranged in various combinations) the 4 Hebrew letters of the Holy Name of God (YHVH).
- And for having meditated on the four Hebrew letters – Yod, Heh, Vav, Heh.
- As well as for using the colours, forms, breathing exercises and bodily gestures included in this meditation.

I renounce my belief in Your Creative ability being dependant on a specific combination of Hebrew letters, and state that I believe that Your creative ability lies in Your Word as in **Genesis 1:1** and **Psalms 33:6**. I renounce the underlying Sufism and Yoga in these techniques, those of fusing divine and human intellect through meditating on abstract truths and the sublime.

I renounce the meditative technique of **tiqqun** (repairing/mending), a form of concentration aimed at binding the world of form to the formless spiritual. I renounce the teaching that **tsimtsum** (contraction / withdrawal) and **shevirah** (shattering) are necessary for either Creation or the Second Coming of the Messiah.

I renounce the use of these "**cosmological maps**" as a focus for concentration in the meditative process. I renounce all of the above-mentioned **Cabalistic meditation techniques**.

Apart from Sefirot, letter and number meditation, I also repent for having used breathing techniques, swallowing, binding, climbing, building, timing, sanctifying, dancing, incense, contemplation, influx, the shema, engraving, gazing, chanting, listening, visualization and all other Cabalistic meditation techniques.

I renounce the **tzelem** (double or spirit guide), whether in the form of an astral body or a psychological projection. I ask Father that You send Your warrior angels to take all tzelem, as well as all **shedim** (demonic obstructers), to the place You have reserved for them.

I renounce the **magical laws** of Cabala, those of polarity and synthesis, as well as the law of knowledge and the sub law of self-knowledge, the law of names, law of words, of power, the law of association, the law of similarity, the law of contact or contagion, the law of identification or imitation, law of synthesis or the law of opposites, law of polarity, the law of balance, the law of infinite data, the law of finite senses, the law of infinite universes, law of pragmatism, the law of true falsehoods, and the second essential law of magic – that of belief.

I renounce the **archangels** connected to the Tree of Life, namely **Metatron, Tzaphkiel, Tzadkiel, Khamael, Raphael, Haniel, Beni Elohim** (Sons of God), **Gabriel** and **Sanalphon**.

I renounce the **symbols** of the Tree of life, namely the **swastika**, the point within the circle, the point, the crown, the phallus, the uplifted rod of power, the lingam, (**Tantra/sex magic**), the standing stone, the straight line, the yoni (**Tantra/sex magic**), the cup or chalice, the outer robe of concealment, the tetrahedron, the orb, the solid figure, scepter, crook, pentagon, five petal rose, sword, spear, scourge, chain, rose cross, (**Rosicrucianism**), lamen, truncated pyramid, cube, lamp and girdle, rose names and verses, the apron (**Free Masonry**), perfumes and sandals (**Oriental**), equal armed cross, magic circle (**Wicca**), triangle of evocation (**Satanism**), and the altar of the double cube.

I ask You Father, to break all and every tie to **other occultic practices** that Cabala has bound me to. I renounce the **branches of Cabala** such as Alchemy, Satanism, numerology, tarot, horoscopes, astrology, tantric sex magic, Rosicrucianism, Free Masonry, Wicca and all others not mentioned. I ask Father that the **root of Cabala** as well as its **fruit**, be destroyed in the Name of Jesus Christ of Nazareth.

Father, I repent for partaking in any aspect of Cabala and renounce all and every aspect of this belief.

I further repent for having dabbled in a **fruit** of this Cabalistic root, namely **Numerology**.

I repent for having:

- Given numbers specific characteristics.
- Given letters numerical values.
- Used the numerical values to interpret names, birth dates and future events.
- Given numbers masculine and feminine characters.
- Given birth date numbers psychic properties.

I renounce the use of the **8 numerical lines** - the physical body, the intellectual, the spiritual, the material world, the emotions, creativity, communications and effectiveness. I renounce the practice of numerology in reading the past, explaining the present and predicting the future.

In declare these things in the Name of Jesus who came to set the captives free, Jesus who died for my sins and became a curse for me so that I would be free (Luke 4:18-19).

Father, I acknowledge that You gave me a free will and thus the right to choose between right and wrong, good and evil. Right now Father I renounce Cabala and all other forms of numerology and choose to follow Your ways alone. I take up the authority that You have given me to choose. I ask You to forgive me Lord, for allowing Cabala to control me and keep me in bondage. Now Father, I ask You in Jesus' Name, to send Your Holy angels to take these spirits from me, to their destiny, which You have ordained.

I declare that all ungodly bonds and cords of iniquity between me and the practice of Cabala are cut. I thank You, Lord, that I, by Your Grace, am set free from all bondage. It is my desire to worship You, Heavenly Father, with all of my body, soul and spirit, in Jesus' Name. I declare this in the power and authority of the Lord, Jesus Christ, the Son of the Most High God, Who came in the flesh and dwelt on earth, Who died for my sins and iniquities, rose again, conquering death, hell and the grave!

Praise the Lord!
AMEN.

TOXIC WASTE From the Family Line

The following are taken from *On the Kabbalah and Its Symbolism* by Gershom Scholem

The Kabbalah, literally ‘tradition,’ that is, the tradition of things divine, is the sum of Jewish mysticism.

According to tradition that goes back to Talmudic times there are, in every generation, thirty-six righteous men who are the foundations of the world. If the anonymity, which is part of their very nature, were broken, they would be nothing. One of them is perhaps the Messiah, and he remains hidden only because the age is not worthy of him. P. 6

Corresponding to different levels of consciousness, the world of nature recedes, and these ‘natural’ forms are gradually replaced by specifically mystical structures. Nearly all the mystics known to us describe such structures as configurations of lights and sounds....For light and sound and even the name of God are merely symbolic representations of an ultimate reality which is unformed, amorphous. P. 8

The very beginnings of Kabbalism.

The first Kabbalists appeared on the scene of Jewish history, in Languedoc at the end of the twelfth century, they did not claim to have spoken directly with God.

In Rabbinical Judaism, from which Kabbalistic mysticism developed, a number of different revelations were recognized as authentic and each in its own way authoritative, namely, the revelations of Moses, of the Prophets, of the Holy Spirit (which spoke in the authors of the Psalms and other parts of the Bible), of the receivers of the ‘Heavenly Voice’ (bath kol, believed to have been audible in the Talmudic era), and finally the ‘revelation of the Prophet Elijah.’ Each of these stages represents a lesser degree of authority than the stage proceeding it. P. 19

The first Kabbalists said to have attained this rank (revelation of the Prophet Elijah) were Rabbi Abraham of Posquireres and his son Isaac the Blind. Abraham ben David (d. 1198) was the greatest Rabbinical authority of his generation in southern France, a man deeply rooted in Talmudic learning and culture...He himself relates in his writings that...it was the Prophet Elijah who had appeared to him. Religious Spirits Divination (Communication with the Dead)

TOXIC WASTE From the Family Line

Most if not all Kabbalistic speculation and doctrine is concerned with the realm of the divine emanations or sefiroth, in which God's creative power unfolds...The process which the Kabbalists described as the emanation of divine energy and divine light was also characterized as the unfolding of divine language. P. 36

Secret Knowledge

Letters and names are not only conventional means of communication... Each one of them represents a concentration of energy and expresses a wealth of meaning which cannot be translated, or not fully at least, into human language...they necessarily operate with the twenty-two consonants of the Hebrew alphabet, in which the Torah is written, or as they would have said, in which its secret essence was made communicable. P. 36

Secret Knowledge

The Kabbalistic conceptions of the true nature of the Torah are based on three fundamental principles.

1. The principle of God's name;
2. The principle of the Torah as an organism;
3. The principle of the infinite meaning of the divine word.

Symbols and Meanings as Ultimate Reality

The idea of the magic structure and nature of the Torah may be found long before the Kabbalah...and Kabbalists...carry a strong magical accent and imply a magical view of the Torah. P. 37

Magic

'We possess...an authentic tradition showing that the entire Torah consists of the names of God and that the words we read can be divided in a very different way, so as to form (esoteric) names...the oral tradition, according to which it was to be read as a sequence of names. P. 38

Veneration of Name of God

The principle that the Torah is a living organism falls in with several lines of Kabbalistic thought. P. 44

Animism

The started from the old conception that the souls of Israel who went out of Egypt and received the torah at Mount Sinai numbered 600 000. According to the laws of transmigration and the distribution of the sparks into which the soul disintegrates, these 600 000 primordial souls are present in every generation of Israel. Consequently...there are 600 000 aspects and meanings in the torah...and...each of these 600 000 holy souls has its own special portion of the Torah...therefore...the Torah, which in its visible form contains only some 340 000 letters, is, in some mysterious way, made up of 600 000. Each individual in Israel possesses a letter in this mystical Torah, to which his soul is attached, and he reads the Torah in the particular way predetermined by this upper root of his in the Torah. P. 65

TOXIC WASTE From the Family Line

Since every letter [of the Torah] represents a concentration of divine energy, it may be inferred from the efficiency of its present visible form that the power of severe judgment, which sets its stamp on our world, impedes the activity of the hidden lights and forces and prevents them from being fully manifested. P. 80

Mysticism

Teaches that there is in God a principle that is called 'Evil,' and it lies in the north of God...p. 92

The 'Sabbath soul,' enters into the believer, enabling him to participate in the right way in this day which shares more than any other day in the secrets of the pneumatic world. P. 139

They firmly believe that if a man's seed escapes him, it gives rise, with the help of mahlath (a female demon) and Lilith, to evil spirits, which however die when the time comes. Rituals and rites recommended...the purpose of which was to keep Lilith away from the marriage bed. P. 157

Especially in a leap year, the Kabbalists fasted on Monday and Thursday of certain weeks in the wintertime, in order to 'correct,' by special prayers and acts of penance, the taint which a man inflicts on his true form

After saying certain prayers and observing certain fast days, the Polish Jews make the figure of a man from clay or mud, and when they pronounce the miraculous Shemhamphoras (the name of God) over him, he must come to life. He cannot speak, but he understands fairly well what is said or commanded. They call him golem and use him as a servant to do all sorts of housework.

They speak of a mythical marriage between Earth and Elohim. Adam is their 'eternal symbol,' 'the seal and monument of their love.'...Edem-Earth 'brought her whole power to Elohim as a dowry, when they were married.'...Such ideas about a marriage between God and Earth were to reappear at a later day, in the Spanish Kabbalah...God and Earth concluded a formal contract concerning the creation of Adam...God demands Adam for a thousand years as a loan from Earth, and gives her a formal receipt for 'four ells of earth,' which is witnessed by the Archangels Michael and Gabriel and lies to this day in the archives of Metatron, the heavenly scribe. The letters of the alphabet - and how much more so those of the divine name or of the entire Torah, which was God's instrument of Creation - have secret, magical power. The golem - beginning with the end of the twelfth century the name appears in a number of texts in the sense of a man-like creature, produced by the magical power of man - starts out as a legendary figure. Then it is transformed into the object of a mystical ritual of initiation, which seems actually to have been performed, designed to confirm the adept in his mastery over secret knowledge...Man is an earthly being, but has a magical power...Thus magical knowledge is not a perversion, but a pure and sacred knowledge which belongs to man as God's image. - ❑ She rears the children of the succubi, as well as the children conceived after copulation between man and woman, out of lust. This lust was created by her when she visited the man in his dreams
- ❑ She visits the ones she raises every New Moon

9. Lilith, the Mother of Demons:

- ❑ She creates demons, spirits and Lilin from the seed of men when they copulate with women

10. Layla, Arabic name known to Muslims

- ❑ Archetype of the “dark” inner feminine side
- ❑ Known in Shaktism as Kali Ma
- ❑ This name represents the “Unmanifest”, the aspect of Allah that does not enter into creation – like a moonless night in the desert where there is NOTHING – no dunes etc.
- ❑ They compare Layla with “black light”, the “black shawl of the Prophet” *kali kamaliya vala*” and **the first flag of the Islam**.
- ❑ Layla, as used by Sufis, means power of love, ecstatic state of love.
- ❑ Kayla intoxicates, makes one indifferent to the world.

12. RENUNCIATION OF THE SPIRIT OF JEZEBEL

JEZEBEL SPIRIT ... *REV. 2:20-23* PRAYER OF RENUNCIATION

Counselee:

Father, today I stand before You in the Name of Jesus Christ, Your Son, on behalf of myself, as well as on behalf of my ancestors. I plead guilty for the fact that I have allowed the **Jezebel spirit** with her **5 cords** to work and rule through and over me, as well as that I have moved in the spirit of **Ahab** at times.

I choose to submit myself under Your Almighty Hand today, in order that You may lift me up again at the appointed time.

I sincerely repent that I, through my lifestyle and behaviour, have committed the following sins:

Destroyed/opposed Your **true prophets** (e.g. your marriage partner, child, others, etc.)

Destroyed/opposed Your ordained authority-structures (e.g. parents, teachers, marriage, government, etc.)

Satisfied my own **ego**.

Opposed the work of the Holy Spirit and obstructed the flow of Your Spirit.

Idolatry (e.g. knowledge, own views, church, traditions, etc.)

Witchcraft (e.g. the occult, emotional manipulation, etc.)

Walked after the desires of the flesh.

Evoked the **Ahab** spirit in others.

Allowed the Ahab spirit to manifest through me.

Abused my authority and leadership.

Distorted other peoples' words to look good myself.

Distorted Your words, even by speaking in Your Name that which You have not really spoken.

Opposed leaders.

Woman: I have undermined and opposed my husband, father, leaders, employers and parent's authority.

Man: I have not treated my wife, family-members (children), subordinates, parents, etc. according to Your precepts and I have not taken up my responsibility as priest, king and prophet.

Lies and underhandedness / putting blame and suspicion on others.
I have **dominated, intimidated and manipulated**.

I have not obeyed Your Word.

I have, through my behaviour, discouraged others from following and obeying You.

Rebellion in all its forms in my life!

Stubbornness.

Pride, arrogance and argumentativeness.

Falsely accusing others, discouraging them and caused bitterness in them (e.g. marriage, family-members [children], employees, others).

Criticism, lies and breaking down of others.

That I have allowed a desire for **material wealth** to influence me to land myself and others in problems, whilst ignoring the warnings of the Holy Spirit.

Sexual immorality in all its forms.

Manipulation through sex.

I have transferred this spirit to my children and descendants.

I have attempted to intimidate others with **fear**.

I have followed **tradition** in stead of revelation.

I have followed **law** in stead of the Holy Spirit.

I have brought others into **bondage** (e.g. marriage, relationships, children, subordinates, etc.).

I have tried **to control** others through a religious mask knowledge, secretiveness, works, long and empty prayers, 'unique' experiences and super-spirituality.

Anger outbursts and the **confusion** I have created as a result thereof. That I have stepped on people to get what I wanted.

Father, I ask forgiveness for all these sins. I stand before You today on the grounds of Your mercy and the perfect work of the Cross of Jesus, as well as the reconciliation that He has worked for me, with You.

On these grounds, I want to ask You today that You will cleanse these hands of mine from all of these sins, even those sins I haven't realized yet. Please cleanse my heart also, Father!

I also stand before You and petition for every soul and the redemption of every other person whom I have ever polluted with my behaviour.

I humbly ask for forgiveness, for the fact that I have been a stumbling block for them, and I pray that You will remove this foul **mantle** I have worn up to now - and clothe me with new clothes, fragranced with Your love and acceptance.

I ask forgiveness for the fact that I **drank from the cup of Jezebel** and that I have allowed the following to control me:

1. Occult spirits
2. Compromise (idolatry) through ignoring Your discipline and not having respect for You.
3. Immorality and idolatry.
4. Domination, intimidation and manipulation.
5. False religion.

I now ask You to free and redeem me from these **5 cords** with which this spirit of Jezebel has controlled me for so long, in the Almighty Name of Jesus Christ of Nazareth.

Thank You for **complete redemption** through the Name and the Blood of Jesus, through the Sword of Your Word and the word of my testimony: - *Rev. 12:11* - "And they have overcome him by means of the Blood of the Lamb and by the utterance of their testimony."

I also pray, Holy Spirit, that You will lead me on this new road and that You will help me in this process of **renewing of the mind** in all of these areas. I pray that You will take hold now of all the branching and infiltration and working of the Jezebel spirit in all parts of my body and soul, and pull it out of me until nothing remains!

Counselor:

4. I now address you, Jezebel in the spiritual realm, and I declare that I recognize that cord of DOMINATION, INTIMIDATION AND MANIPULATION between you and your seat in _____ I now take the Sword of the Spirit and I sever this cord of domination, intimidation and manipulation, in the mighty Name of Jesus! It is written in

John 10:2-5 - *"But he who enters by the door is the shepherd of the sheep. The watchman opens the door for this man, and the sheep listen to his voice and heed it; and he calls his own sheep by name and brings them out. When he has brought his own sheep outside, he walks on before them, and the sheep follow him because they know his voice. They will never follow a stranger, but will run away from him because they do not know the voice of strangers or recognize their call."*

In the authority of the Name of Jesus Christ, I now take this seat in myself and hand it over to the Kingdom of God.

I speak **destruction over the altars** where the spirit of Jezebel received worship in my life, and I erect an altar there for God.

The **stronghold** in my life where Jezebel has lived, is now destroyed and a throne for Christ Jesus erected there.

In the Name of Jesus Christ, I now speak withering and death over all fruits of manipulation through the **spirit of witchcraft** in my life.

Father, in Jesus precious Name, I pray that the **spirit of Elijah** will rise up within me to expose the spirit of Jezebel in the Body of Christ. I pray Father, that **the hearts of the fathers** will be turned towards the children according to **Malachi 4:5,6.**

I pray that the disobedient will be turned towards the wisdom of the righteous - that You will enable me to outwork Godly principles to handle problems in my life.

I pray that more and more **spiritual fathers and mothers** will come forth out of our midst to show the way and to take Your children by the hand and to lead them on paths of righteousness.

I pray Father, that You will see to it that, through Your Spirit, I will be prepared as part of Your **Bride** without **spot or wrinkle**.

Thank You, **Abba Father**, for Your great mercy and grace. Please seal this prayer now with the **precious Blood of Jesus Christ** and thank You that You have heard me and that You free me!

AMEN.

13. THE QUEEN OF HEAVEN

Father, as Your Church we humble ourselves before You. We confess that we, as well as our forefathers, have sinned against You regarding worship to the Queen of Heaven.

We confess that we, as well as large parts of the wider Body of Your Son, have entered into idolatry by giving honour, reverence, and prominence to this deity – knowingly and unknowingly.

We want to express our remorse that we have rejected and grieved You, Your Son and Your Holy Spirit in this way. We therefore humbly ask that You will mercifully forgive us our sins, transgressions and iniquity on the grounds of the Blood of Your Son.

Thank You, Father, for Your grace and compassion. Thank You for not dealing with us in ways which we thoroughly deserve, but that You are slow to anger, and rich in mercy and compassion.

Before You, Father, the Heavenly Host, and before each other and the world, as well as the spiritual world, I now declare the following in the Name of Yeshua our Messiah:

I renounce any worship of creation, rather than the Creator. I renounce the worship of Eve, the wife of Adam, as the “Mother of All”, and “Mother of the earth.”

I renounce the seed of the **Nephilim**, and its claim to be the messiah of the world.

I renounce the occult knowledge, worship and religious system of the days of Noah.

I acknowledge Noah as a righteous man in his generations, and the procreator of God’s holy line of saints, but reject and utterly renounce the entity known as **Janus**, the two-faced Roman god, as well as the **hermaphrodite** or **androgenous** man of the Mysteries which are associated with Noah.

I renounce the religious system of the **Babylonian Mysteries** and its successors in other cultures, whether it be **Eleusinian, Assyrian, Phoenician, Egyptian, Phrygian, Greek, or Roman** – including the:

- Roman Catholic Church,
- Mormonism,
- Hermeticism,
- Cabbalism,
- Islam,
- Freemasonry,
- Rosicrucianism,
- Alchemy,
- the Knights Templar,
- Hospitaller and
- Knights of Malta.

I renounce the Mysteries as the source of occult knowledge known in the Bible as “the deep secrets of Satan.”

I renounce the **Babylonian Trinity** known as **Nimrod, Semiramis and Tammuz**, as well as their successors in other cultures, such as:

- Osiris, Isis and Horus (Egypt);
- Shiva, Brahma and Vishnu (Krishna) (Hindu);
- Zeus, Hera and Bacchus (Greece);
- Jupiter, Juno and Appollo (Roman).

I renounce the ancient and classical names of the Queen of Heaven:

Semiramis,	Aphrodite
Ishtar,	Circe
Inanna,	Hera
Astarte,	Demeter
Asherah,	Diana
Isis,	Artemis
Neith,	Cybele
Hathor,	Rhea,
Athena,	Juno
Venus	Nike.
Ceres	

I renounce the **madonna** of the Roman Catholic Church as not representative of Mary, the mother of Yeshua, but as a manifestation of the demonic Queen of Heaven.

I renounce her countless images and icons all over the world to be the Image of the Beast of the book of Revelation.

I renounce every bit of worship that I, in my ignorance had ever given to this entity and its icons.

I renounce the **three manifestation forms of the Queen of Heaven**: The **Virgin**, the **Mother** and the **Crone** (Witch).

Father, will You please cancel all blood oaths with the precious Blood of Jesus Christ.

Father, please remove the seal of agreement between Satan and myself with the Blood of Jesus Christ, for I now stand in an everlasting, valid Blood covenant with You.

I now give back all rings, gifts, ranks, abilities, power and might to Satan and I now take my legal, godly position in Jesus Christ of Nazareth, where He sits on the Right Hand of God the Father, in Heavenly places.

I now sever all ties with Lucifer and his whole demonic kingdom, with Satanism and occultism, and I now command every demon to leave me immediately, in the Name of Jesus Christ of Nazareth.

I declare and confess that I belong absolutely and completely forever to God the Father, His Son, Jesus Christ and His Holy Spirit.

Thank You Father, that Jesus Christ, Your Son, is my Redeemer and Saviour and that His Blood cleanses me from all sin.

AMEN.

15. ROOTS OF SLAVERY

- Fear of hunger: Drive to feed family, overeating, inability to diet effectively.
- Alcoholism in the family bloodline.
- Inability to handle money wisely in the family.
- An instinct for gambling.
- A fierce desire to own land.
- A sense of inferiority.
- Poverty of faith, self-worth, relationships, family life, etc.
- Sexual promiscuity in the bloodline.
- Adult masturbation (self-comfort).

PRAYER OF RENUNCIATION FOR THE ROOTS OF SLAVERY (Church's responsibility)

Father God in the Name of the Lord Jesus Christ of Nazareth, we come before Your Throne today to seek forgiveness as the Church for allowing the roots of slavery to rule and dominate the Church and the people of the city of Cape Town.

On the basis of Your Word, we now come before You to confess that as Your Church we have been blinded by self-righteousness, that we have allowed arrogance and pride in our lives which made us to live mediocre lives. Forgive us for our ignorance and indifference that kept us from looking beyond the symptoms to the roots of slavery.

We now ask Your forgiveness for uprooting people from other countries and carried them off to be slaves in the city of Cape Town. We ask Your forgiveness for the violence and bloodshed as a form of punishment for all those who resisted being taken as slaves. Forgive us for murder and for allowing a spirit of murder that has become a monument in our city.

We ask Your forgiveness for separating families as they arrived in the Cape, consequently inviting divorce and separations into families causing them to be dysfunctional. Forgive us Lord for walking in disunity since, both in our homes and in the church.

Forgive us as slave owners for using the slave women as sex objects thus inviting evil and perverse spirits of lust to rule to this very day in the form of rape, incest, abortion, fornication, illegitimacy, adultery and prostitution.

Forgive us as slaves for not turning to YOU, Almighty God, for our deliverance but instead resorting to addictive habits and behaviours. For bowing to this day to inferiority, unforgiveness, resentment and hatred. Forgive us for walking in subservience rather than submission.

Forgive us, as Your church, for not embracing the slaves but turning a deaf ear to their plights. Forgive us for upholding slavery by not wanting to accept them into the church, thus allowing Islam to embrace them and today we are reaping what we have sown. Set us free and deliver us from our sin, Almighty God. Set us free from the legal right and the grip of Islam.

We ask You to forgive us for ignoring the cries of distress of those enslaved and for allowing the sounds of slave bells to ring continually through the ages. We ask you to stop the sounds of slavery and to set us free.

We as Your Church are ashamed of our deeds of omission and commission during a time when once again the platform of slavery was used for laws of discrimination in our country. Forgive us for our silence. Forgive us for lashing out in the flesh when we should have resisted the **spirit of slavery**. Forgive us for aligning ourselves with this spirit and brought on ourselves further enslavement. As both slaves and slave owners are guilty because we have both gone our own way, forgive us Lord.

Forgive us for the bloodshed of many of our youth who lost their lives in their battle for freedom, because we were not at a place with you to realize that this is a spiritual battle. Forgive us for allowing our children to take the lead in the battle against slavery when we as the Church should have taken the lead. We thank You for Your forgiveness because of the price that Jesus paid on Calvary.

AMEN.

RENOUNCING ROOTS OF SLAVERY

(Personal)

Dear Father God, I thank You that I can come before Your Throne of grace and mercy because of the completed work of Jesus, Your Son, at Calvary and that He has redeemed me with His Blood, not with silver or gold.

I bring before You my ancestral heritage and I ask You, Lord, to cut me free from every **sin, curse** and **iniquity** that I inherited.

I accept full responsibility for those sins and iniquities and I want to confess them before Your throne of mercy to receive forgiveness in the Name of Jesus.

I know that there is no forgiveness without confession and therefore I want to confess the following sins in detail in the Name of Jesus:

I confess all the sinful reactions towards those that **sold** us, those that **bought** us, those that **mistreated** and **abused** us. I confess all **anger, hatred, bitterness, rejection, self-rejection, retaliation, murder, violence, curses spoken and vows sworn to take revenge**, in the Name of Jesus Christ of Nazareth.

I choose to let these sinful emotions and reactions go in Jesus' Name. I choose to **forgive** those that were involved in making me a slave, in Jesus' Name.

As I receive mercy from You, Lord, so I can extend mercy to those that placed chains on my hands and feet and degraded me – in the Name of Jesus and by the power of the Holy Spirit, **I forgive them!**

I nail everything **in detail** that was done to me and me forefathers to the Cross of Jesus Christ and cover it all with the Blood of Jesus.

I choose to walk away from the past in the Almighty Name of Jesus. I renounce all **demonic inheritance** in the Name of Jesus and cut myself free from the **territorial spirits** that think they still have a hold on me operating from the countries of origin where my forefathers came from. In Jesus' Name I renounce all familiar spirits and I command you to let me go now!

Lord I ask You to curse all **demonic roots** that I have inherited as You cursed the fig tree, in Jesus' Name. I renounce all **occultic callings, ranking, gifting, talents** and **abilities** in the Almighty Name of Jesus.

Lord, I also bring before You the fruits that have resulted in my life because of the root of slavery and I ask You to set me free and to break the power of these **patterns and cycles** over me and my family:

- The fear of hunger.
- All eating disorders.
- Obsessions with food.

- Alcoholism and drugs.
- All forms of addiction.

- Inability to handle money.
- Stealing, gambling and wasting.

- Obsession to own land. **Lord, I know now that we are only stewards and I choose to be a faithful steward with all that You bless me with, in Jesus' Name.**

- All forms of poverty.
 - In faith.
 - Self-worth.
 - Relationships.
 - Family life.

- Sexual promiscuity.
 - Masturbation (all forms of self-comfort).
 - Illegitimacy.
 - Rape.

Lord, please forgive me and my family for allowing and indulging in these sins, in Jesus' Name. I nail each one of these things to the Cross of Jesus and cover them with the Blood of Jesus.

Lord, I receive my forgiveness now in Jesus' Name. I now turn to you, Satan, and all your demons that have been tormenting my family and me for generations. I **bind and rebuke** all you spirits in the Almighty Name of Jesus and I command you to go now in Jesus' Name! I resist you, Satan, and the Word of God says you must flee (**James 4:7**).

I thank You, Father, that I am Your child and that You have adopted me as Your very own. I do not have a spirit of slavery to put me once more in bondage to fear, but I have received the spirit of adoption, the spirit producing sonship in the bliss of which I cry, Abba Father (**Rom 8:15**)!

I reject and renounce all the **chains and yokes** of slavery and declare I have been set free by the power of the Holy Spirit and by the Blood of the Lamb!

Thank You Lord for removing the marks of slavery from my body, soul and spirit and removing my name from Satan's books of slavery.

Thank You for silencing the **bells of slavery** that have been calling for generations in the spirit. Thank You Lord that my value is not determined by what I do and what people think of me. My value is determined by who I am – a **blood washed** child of God – bought by the Blood of the Lamb – that is my value!!!!

I love You Lord and thank You for setting me free. I am a child of the Most High God. Thank You Father.

In Jesus' Name,

AMEN.

Wrapping-up prayer after deliverance (for the counsellor) ...

Dear Heavenly FATHER,

Thank You for the work being done here today. We pray against any whiplash, backlash, and judgment from the enemy in the Name of Messiah Y'shua [Jesus Christ].

We ask LORD, that You will cut any un-Godly spirit/soul-ties formed in the spirit because of the deliverance that took place, also any transference that took place between their spirit, soul, and body to my spirit, soul and body. We plant the Cross of Messiah Y'shua [Jesus Christ] between myself and the counselee. Thank You that no transference will take place. We take Your Comprehensive Insurance for our families, relationships, and possessions.

We ask that You will cleanse and purify this property and this room with the Blood of Messiah Y'shua [Jesus Christ] of Nazareth and Your Holy Fire, that no demon will attach itself to any object and all human and dead human spirits be removed by Your escort angels to the footstool of King Messiah Y'shua [Jesus Christ]. That all defilement be removed and swept away with Your Broom of destruction in Name of Messiah Y'shua [Jesus Christ].

FATHER, we ask that You remove any watchdog and marker demons, that have been assigned by the kingdom of darkness to mark the property in the spirit for a counter attack through astral projection, to the Feet of Messiah Y'shua [Jesus Christ].

We also want to declare the Kingship of Messiah Y'shua [Jesus Christ] of Nazareth over this place and that all openings are sealed off with Your Blood (openings include telephone and fax lines, computers, water pipes and sewerage, electricity circuits, Wi-Fi networks).

AMEN!

Remember to go before the LORD and shower yourself with the Water of the Word. You may also want to perform a mikvah** (baptism), to symbolize a cleansing after deliverance. Remember too to enter into praise and worship and fill yourself with the LORD's Presence again.

For additional study on mikvah/baptism, see our book "*J2F Understanding Water Baptism And The Baptism Of The Holy Spirit*".

In closing, after these curses have been dealt with and broken, it is very important to restore BLESSINGS ... we want to encourage *fathers* to take this calling seriously, and to begin **BLESSING** their families according to the Commandment of the LORD that the priests bless with the following blessing ...

The Priestly Blessing ...

Numbers 6:24-26

“²⁴ The LORD bless thee, and keep thee:
²⁵ The LORD make his face shine upon thee, and be gracious unto thee: ²⁶ The LORD lift up his countenance upon thee, and give thee peace.”

The Priestly Blessing ...

Hebraic Translation¹

"YHVH will kneel before you presenting gifts, and He will guard you with a hedge of protection, YHVH will illuminate the wholeness of His Being toward you, bringing order, and He will provide you with love, sustenance, and friendship, YHVH will lift up the wholeness of His Being and look upon you, and He will set in place all you need to be whole and complete."

*Translation by Jeff A. Benner, for more information, please see http://www.ancient-hebrew.org/12_blessing.html

The Priestly Blessing¹

יְבַרְכֶּךָ יְהוָה וַיִּשְׁמְרֶךָ:

and may he guard you the LORD may he bless you

May the LORD² bless you³ and keep you⁴

יָאֵר יְהוָה פָּנָיו אֵלֶיךָ וַיַּחַנְךָ:

and show you favor on you his face the LORD May he shine

May the LORD make His face⁵ shine⁶ upon you and be gracious⁷ to you

יִשָּׂא יְהוָה פָּנָיו אֵלֶיךָ וַיִּשֶׂם לְךָ שְׁלוֹם:

peace for you and establish on you his face the LORD may he lift up

May the LORD lift up⁸ his face to you and give you peace⁹

¹ This blessing is (ritually) recited (by the kohanim) during synagogue services during *Nesiat Kapayim* ("the Raising of the Hands"), though it is also recited over children on Friday night before the start of the Shabbat meal or as a bedtime blessing.

² The name *YHVH* (יהוה) represents God's attributes of love and mercy (מִדַּת הַרַחֲמִים), in contradistinction to the name *Elohim* (אֱלֹהִים), which represents God's attribute of justice and power as our Creator.

³ בְּרַכָּה (*b'rachah*). Jewish tradition considers this both material and spiritual prosperity. Pirkei Avot 3:15 says, "If there is no flour, there is no Torah," by which is meant that material benefits are intended to help you pursue study of Torah. The first occurrence of the word "blessing" in the Scriptures pertains to *pru urvu* (פְּרוּ וּרְבוּ), "be fruitful and multiply" (Gen. 1:22).

⁴ שָׁמַר (*shamar*): To guard, protect, heed, as in the exercise of diligent care. Only God has the power to secure the conferred blessing and keep it from turning sour or from fading away.

⁵ The word for "face" (פָּנִים) is plural with the 3rd person singular ending. It is considered metaphorical since God is incorporeal. The plural form is thought by some to indicate God's revealed and hidden attributes in creation.

⁶ The hiphil verb (יָאֵר) comes from the word "light" (אֹר), and is thought to refer to God's wisdom. "May God enlighten you" with His wisdom, i.e., the Divine Light that preceded the work of creation (Gen. 1:3).

⁷ May God grant you grace or favor (חֵן), i.e., to understand the "breadth and length and height and depth" of God's love (Eph. 3:18). Grace refers to the bestowal of an undeserved gift. The blessing is bestowed even though unearned or unmerited.

⁸ Since one's face is an indication of the heart's attitude, Rashi says that this means God will suppress His anger by "looking at you" (if God is angry at you, He "turns His face away" and refuses to admit your presence). The "lifting of face" also pictures God lifting you up as a father might lift up his child in joy. The "showing of face" indicates spiritual intimacy.

⁹ All of the other blessings are useless without the establishment of inner peace, and therefore it is the seal of the blessing. Shalom (שְׁלוֹם) is not simply the absence of strife, but a balance and harmony between the finite and infinite, the temporal and the eternal, the material and the spiritual realms. Shalom is a gift from Sar Shalom (שַׂר שְׁלוֹם), the Prince of Peace.
