

Kanaan Ministries Courses

How to work through the courses of Kanaan Ministries ...

It is important that you work through our resources in the correct order. Each teaching and/or course serves a very specific purpose and each course builds upon the previous in sequence. We would appreciate your cooperation in this regard ... and it will make it much easier on you! If you only do part of the training, you will have selective knowledge and could draw incorrect conclusions, thereby forming invalid opinions of the Biblical principles we teach.

Conditions under which training material is made available ...

We want to continue to be faithful to the God's Calling for us to supply material in respect of the training of individual believers and/or church leadership.

Due to the following factors, Kanaan Ministries indemnifies ourselves from any responsibility or liability resulting from the use of the material as each person utilizing the material must ensure that they have understood and complied with the following principles in their own right:

- ◆ It is essential that all parties in a training session accept the Biblical Principle that Messiah Y'shua (Jesus) of Nazareth, the Son of God Who came in the flesh, is the only Way, the Truth and the Life.
- ◆ It is essential that the counsellor and/or trainer is submitted to and under the covering of a local congregation, that the leadership acknowledge the gifts of such person and subsequently have released the counsellor to minister (please see Proverbs 18:16).
- ◆ It is essential that the leadership of that particular local congregation approve the material.
- ◆ It is essential that every person evaluate the impact of our material in relation to his or her own background, experience and unique value system.
- ◆ It is essential that the church leadership determines the level of experience of each counsellor and/or trainer as this will impact on the effective use of the material.

Where to start ...

Journey2Freedom. This is the place to start. *Journey2Freedom* is the foundation to much of our material. In this series, we deal with deliverance, generational and personal curses, spiritual and occult roots, spiritual warfare and similar topics. But to find out more ... check out the [link!](#)

After completing *Journey2Freedom*, we would suggest for you to work through our series ***Journey2Wholeness***. This course deals with the "other side of the coin" of deliverance and walking in victory ... namely, dealing with our emotional wounds and inner healing. Find out more by clicking the [link!](#)

Both these courses - as well as those supplementary to these - can be done at home at one's own pace ... or in a group. For group study, we suggest for you to obtain a set of the DVD's. These really delve into the "meat" of the material, with Amanda expounding the principles, using diagrams and illustrations, as well as personal testimonies for practical application.

We hope you are blessed by our material ... and that you will grow nearer to God and hear His Voice!

1. Journey2Freedom (J2F)

Kanaan Ministries started out many years ago with our "Soul Care School" courses one and two, which were the basis and foundation to much of our later material. We have seen the need to update this material, add to it and create an "all-in-one" foundational course dealing with deliverance, generational curses and emotional healing. And so, we are very excited to announce our NEW series, "**Journey2Freedom**"!

"**Journey2Freedom**" is the foundation - the place to start in working through our resources and courses. Foundations are so important! Without the proper start, the "building" of our life (and that of our family's) can end up lopsided, unsafe and terribly unstable. We need to inspect our current foundations - the "stones" our forefathers, our parents and we ourselves have lain in this building process. For most of us, our foundations have been skewed by dysfunctional role-models, occult roots, paganism and so many other bondages. We need to get down to the ROOT causes of those bondages and strongholds - the "giants" of the land keeping us from the FULLNESS GOD has for us in our walk with Him and which keep us (and our families) from possessing our land of inheritance in Messiah Y'shua! (**Please note**, in the J2F series, as well as on the website, we will be using Jesus' given Hebrew name, Y'shua. We use His Hebrew Name, as that was the Name He was given - Y'shua means **salvation**. We have NO problem with the Name Jesus - most of us were saved in the Name of Jesus, however, as we have discovered His original / given Name, we desire to use this.)

You see, coming to faith in Messiah Y'shua is only the BEGINNING! Just like Israel, Who were saved and redeemed OUT of Egypt, a land of paganism and slavery ... so we as believers still have a JOURNEY of faith in order to enter the promised land of inheritance and intimacy with our Father and Bridegroom - to remove and clean out all that remains of Egypt and it's pagan systems.

In this series, we will be covering in detail just how to WALK this journey and how to possess the LAND GOD has given each and every one of us, to reach our FULL potential in and for Him, not just for ourselves now, but for our future generations ... to leave behind a generational-blessing legacy.

We **begin** this journey with understanding our spirit man and the UNIQUE gifts GOD has planted within each and every one of us. Next stop is understanding the important role fathers and mothers play in our walk to MATURITY and becoming a son/daughter of our Father.

Then it is off to BATTLE the giants that keep us in BONDAGE! There are many ... we will be covering generational curses, bloodline issues, fertility cults, paganism, un-Godly covenants, deliverance, spiritual warfare and how to walk in the FREEDOM Messiah has purchased for us!

In this course, we will also be explaining the importance of coming to WHOLENESS in dealing with inner and emotional wounds. Deliverance is only one side of the coin, dealing with spirit and soul pain is the other side. You have to have both in order to be WHOLE.

This is the "**Journey2Freedom**" ... not just being saved out of the world, the kingdom of darkness ("Egypt") and struggling along in our walk of faith. But, like the people of Israel so many centuries ago, we need to learn the lessons of the wilderness, learn to walk in GOD's Ways according to His Word (the foundation being the Torah, which means "instructions") and be equipped in our warfare to ENTER and POSSESS the Land - to conquer the "giants" and strongholds keeping us from FREEDOM and fullness in Messiah Y'shua.

Most importantly, on this journey, we will be drawing CLOSER to our Father, coming to know Him in deeper intimacy, to walk in His Ways of Righteousness ... and then to be a LIGHT to this dark world!

Are you ready?

The "**Journey2Freedom**" series consists of [forty DVD's](#), nine manuals & workbook. The course is designed to be studied at home, at your own pace ... or you are welcome to organize a study group in your area to work through the series together - this often helps to spread the costs.

In conjugation to the DVD's and manuals, we recommend for you to make use of our [prayers of renunciation](#). The prayers are grouped into several broad categories and can also be downloaded from the website or ordered from the office. The prayers are practical aids to help you renounce the occult roots in your life - those doorways that may have been opened - as well as a guide in repentance to facilitate your walk in VICTORY.

Follow the links below to find out more about the manuals and what is covered in each book:

[An overview of the Journey](#)

[J2F Checklist](#)

[J2F Book 1](#): Man's Purpose and the Gifts of the Spirit

[J2F Book 2](#): Generational Blessings

[J2F Book 3](#): Blessings and Curses on Motherhood

[J2F Book 4](#): Understanding Water and Spirit Baptism

[J2F Book 5](#): Spying Out the Land

[J2F Book 6](#): Dealing with the Giants and Strongholds

[J2F Book 7](#): Uprooting Generational Heart attitudes and Roots

[J2F Book 8](#): Childhood Pain, the Brain and Arrested Development

[J2F Book 9](#): Mother bonds, Deception and the False Prophetic

The first three manuals (**Book 1, Book 2 and Book 3**) are the same manuals that were previously used for the "Healing Our Wounded Hearts" series. **Book 4** deals with water baptism (mikvah) and baptism of the Holy Spirit. This is a completely new book.

The next three manuals (Books 5 to 7) include the material from the old SCS course one manual.

BUT! **PLEASE NOTE:** There is however, much, much more information added and every principle is proved with Hebraic understanding. "**Book 5**: Spying Out the Land" covers the old SCS course one manual, lessons one to seven plus much more detail. "**Book 6**: Dealing with the Giants" covers the old SCS course one manual, lesson eight material - in this manual we have added so much more to the understanding of the occult. We make an in-depth study of the THREE roots of iniquity and have added so many prayers to be prayed through after each root. "**Book 7**: Uprooting Generational Heart attitudes and Roots" covers the old SCS course one manual, lessons nine to sixteen - again with so much new added information and prayers.

J2F books 8 and 9 were added later as an addition to "**Journey2Freedom**".

The [DVD's are ordered](#) as follows:

- ◆ DVD 1 to DVD 6 covers Book 1: Man's Purpose.
- ◆ DVD 6 to DVD 10 covers Book 2: Generational Blessings.
- ◆ DVD 11 covers Book 3: Blessings Curses Motherhood.
- ◆ DVD 12 covers Book 4: Water/Spirit Baptism.
- ◆ DVD 13 to DVD 19 covers Book 5: Spying Out The Land.
- ◆ DVD 20 to DVD 26 covers Book 6: Dealing With The Giants And Strongholds.
- ◆ DVD 27 to DVD 33 covers Book 7: Uprooting Generational Heart-Attitudes And Roots.
- ◆ DVD 34 to DVD 37 covers Book 8: Childhood Pain, The Brain and Arrested Development.
- ◆ DVD 38 to DVD 40 covers Book 9: Mother-Bonds, Deception and The False Prophetic

Please note - we strongly recommend working through the J2F series in order. Each manual / DVD builds upon the previous, first laying the foundations of:

- ◆ Understanding our spirit man and gifts, as well as building up our spirit,
- ◆ Understanding the vital role of the father - father building in BLESSINGS and taking up his authority / role as head of the household,
- ◆ Understanding the role of the mother in nurturing and bonding, as well as the curses that can come from unGodly mothers,
- ◆ Being equipped with baptism (both water and Spirit),
- ◆ Understanding spiritual warfare and the Armour of GOD,

... BEFORE dealing with the giants (manual six).

We also want to strongly recommend those wanting to work through J2F to get the DVD's. The **manuals are really just the framework for the series**, where the DVD's are the real "meat" with Amanda teaching / expounding the material, using real-life examples, as well as slides and diagrams.

In J2F, we have tried to cover ALL aspects to restoration in both individuals and families and have set the series out in order to ensure a proper foundation before dealing with personal deliverance and/or generational curses. In our experience, we have found that those who "jump" first to deal with generational curses, without having the family foundations in place, have great difficulty in maintaining their deliverance.

Is J2F the same as "Soul Care School"?

No ...

Over the past years since recording the "Soul Care School", we have learnt how important it is to first start with the spirit (building up the spirit and creating capacity) and understanding the role of the father/mother in the family BEFORE even dealing with the area of the soul (inner healing, deliverance and generational curses).

If I'm a counsellor, or have already done some courses in deliverance / generational curses, do I have to still work through J2F?

Yes ...

Please note the information above. Again, even if you are a counsellor or have some training, we recommend working through the **entire J2F series**, in order to ensure all aspects of restoration / deliverance have been covered and dealt with.

Journey2Freedom Books 8 and 9

We have received SUCH positive feedback on these new materials, we believe they are FOUNDATIONAL to dealing with the all-important "other side of the coin", INNER HEALING and growing in MATURITY!

J2F8 and J2F9 are for **EVERYONE**, especially parents ... NO ONE had a perfect family ... we are ALL hurt in some way and therefore NEED to address the pain / lies of our childhood!

Maybe you're dealing with REJECTION, hurt, or ADDICTIVE behaviours ... and if you're honest with yourself, find yourself IMMATURE and still acting very much like a CHILD.

You NEED to work through the J2F8 and J2F9 materials!

As Kanaan Ministries continues to learn MORE, we again and again are realizing the IMPORTANCE of bonding and building JOY-capacity in childhood and just how ESSENTIAL it is to address childhood pain on the journey to freedom and RESTORATION.

When we are emotional bruised and hurt in childhood and these wounds are NOT dealt with ... we will be ARRESTED in our development, unable to MATURE as GOD designed ... to love and grow within family and community.

Have you realized ALL pain is RELATIONAL?

WHY?!

We were created for **RELATIONSHIP** and **FELLOWSHIP**, right from the Beginning, when GOD walked with Adam in the Garden, in the cool of the day.

Within each and every one of us is the DESIRE and NEED for family, fellowship and COMMUNITY.

So what's WRONG?!

When I'm hurt in childhood - either through rejection, abuse (sexual, emotional, physical) and/or trauma, I loose trust and become a SURVIVOR. And so we waver between desperately wanting LOVE and fellowship (co-dependency) and putting up walls around us (isolation).

NOT healing the wounds of childhood perpetuates the destructive family CYCLES of brokenness and hurt, from generation to generation ... unable to cope with life, we turn to B.E.E.P.S. (**B**ehaviours, **E**vents, **E**xperiences, **P**eople and **S**ubstances), anything that brings comfort or "escape" from the pain.

In **J2F8**, you'll learn the development stages of childhood and how our brains are literally wired through BONDING ... this is so important for PARENTS!

You'll also learn about the lies / pain of childhood and how we carry this BAGGAGE into adulthood, which keeps us in ARRESTED development.

J2F9 is the follow-on from J2F8 and discusses more specifically MOTHER-bonds and how, if our mother-bonds were weak or unhealthy / ungodly, we will be open to abuse and DECEPTION, particularly in the **FALSE prophetic**.

As with the entire J2F series, J2F8 and J2F9 deal with addressing the ROOT issues ... this is the only way for true / complete RESTORATION!

Y'shua said He came to put an AXE to the ROOT- if you only look at dealing with the FRUIT (drugs, depression, eating disorders, anger and so forth) and not the roots that PRODUCE the fruit, you will not walk in lasting victory and wholeness.

In J2F8 and J2F9 you'll learn to address the **ROOTS** of pain, hurt and lies in your childhood - and what the building blocks are to grow to MATURITY - and the steps in the HEALING journey.

Armed with these TOOLS, you can start to pray that these missing building blocks (of Godly bonding, building joy, capacity, family / community and mentorship) be put back into place, that you can walk in greater intimacy with GOD the Father and others! That you can MATURE and walk in WHOLENESS!

Please **NOTE!** As the J2F Books 8 and 9 include information / material from other ministries - and the copyright is only for PRINT ... these manuals will NOT be available on the website, but only for [order from the office](#).

2. Journey2Wholeness (J2W)

Journey2Wholeness is our FOLLOW-ON series to J2F ...

Luke 4:18-19 "The Spirit of the LORD is upon Me, because He has anointed Me to preach the good news to the poor; He has sent Me to announce release to the captives and recovery of sight to the blind, to send forth as delivered those who are oppressed (who are downtrodden, bruised, crushed and broken down by calamity) To proclaim the **accepted** and **acceptable** year of the LORD"

Have you worked through DELIVERANCE, spiritual warfare and breaking generational CURSES ... and even INNER HEALING?

BUT you're still struggling with **CHILDHOOD** wounds and strongholds ... and need **MORE** teaching on healing **EMOTIONAL** pain?

J2W goes so much **DEEPER** into dealing with childhood wounds, **INNER HEALING**, practical mind renewal and walking in the **WHOLENESS** Messiah Y'shua has provided for us!

Topics covered in the **J2W** series:

- ✓ Breaking the curse of illegitimacy and shame.
- ✓ The impact of emotions, stress and thoughts on physical health.
- ✓ Dating, courtship, sexuality and GOD's Plan for covenantal marriage.
- ✓ More fully understanding rejection and how to walk in healing.
- ✓ Understanding the power of the subconscious mind, the lies/perceptions (LIFE COMMANDMENTS) of our childhood ... practical mind renewal and how to walk in victory.
- ✓ Dealing with anger, forgiveness and grief.

The "**Journey2Wholeness**" series consists of [twenty four DVD's](#) and [four manuals](#).

Journey2Wholeness is our follow-on series, after working through [Journey2Freedom](#). J2W deals with the very important "other side of the coin" to deliverance and breaking generational curses ... inner/emotional healing and maturity. Both dealing with deliverance and inner healing are so essential in themselves ... but you cannot have the one without the other!

While J2F focused on cleaning you up, closing illegal gateways and breaking bondages - **J2W** focuses on emotional pain, inner wounds, arrested development and restoration.

J2W also includes an entire section on dating vs. **COURTSHIP** - a great help for parents and/or young adults needing some guidelines on this! The section covers the steps in courtship and engagement, all the way through to marriage. The topics covered in J2W will also help those preparing for marriage, to be as whole a person you can be for your partner! J2W also discusses some guidelines in handling conflict and/or brokenness in marriage.

Dealing with **ANGER** is another important topic covered in J2W. So many of us are living with anger - expressed anger and so much that we suppress - and don't know how to deal with it, or deal with conflict resolution. This is particular true for marriages and families. J2W will teach you the root causes of anger and how to walk in peace and healing. In this section, we also discuss dealing with domestic violence.

Finally, J2W ends in dealing with **GRIEF** - how important it is to grieve any loss, as well as the steps in the grieving process (includes guidelines for children). Today, most people believe you shouldn't grieve - "Just get over it! Pull yourself together!" In this modern, fast-paced world, we don't have time to grieve and certainly don't know HOW to do so. But, GOD gives time for grief ... and then time to heal.

Like J2F, this series is quite **INTENSIVE** - J2W is really the practical "how to" series in walking in complete healing and victory. There are no lasting band-aids or plasters (B.E.E.P.S.) to inner wounds and pain, only the everlasting Cure of Messiah Y'shua and His Ways.

Malachi 4:6 *“And he shall turn and **reconcile the hearts** of the (estranged) fathers to the (unGodly) children and the hearts of the (rebellious) children to (the piety of) their fathers (a reconciliation produced by repentance of the unGodly), lest I come and smite the land with a curse and a ban of utter destruction.”*

J2W is a **24-DVD** series, with **four manuals**:

[J2W Book 1](#): Breaking The Curse Of Illegitimacy And Shame

[J2W Book 2](#): Emotional Pain And Building Healthy Relationships

3. Growing up in Y'shua's Name

A follow-up to **J2F** and **J2W** ...

[Growing Up in Y'shua's Name](#) is the follow-up course to both our **Journey2Freedom** and **Journey2Wholeness**. As with everything in life, all growth begins with a seed. Our walk of faith and victory is just that ... a walk, a journey. It's a process of growing from glory unto glory into the Image of our Messiah ... a process of restoration.

Now that you have worked through the foundations and gotten on the right road, you need to understand the bigger picture, and how to grow up as a disciple of the LORD. In **Growing Up in Y'shua's Name**, we share some of the lessons we have learnt, as well as the principles in how to now walk in the Ways of the LORD. These are the Ways that bring blessing and shalom (peace)! It is on this journey that we come to know our Father, and grow up unto maturity in His Family.

Below is the list of subjects covered in **Growing Up in Jesus Name**:

4. DID/SRA Resources

Over the past couple decades, there has been an increase in the awareness and understanding of what was called Multiple Personality Disorder ... today known as Dissociative Identity Disorder (DID).

DID is closely associated with Satanic Ritual Abuse (SRA) ... the two often going hand-in-hand, thus referred to as DID/SRA.

DID/SRA has varying degrees - from those victims that have been "scientifically" and deliberately programmed with numerous parts (also known as identities / personalities), most often for use as military / government / occult agents - to those that have developed DID as a result of severe trauma and abuse in their childhood. Most often at the hands of abusive parents - parents that didn't really have an agenda / purpose in their abuse, but abused because they themselves were abused (generational wounding).

There are also varying degrees of dissociation. Those victims that have been severely programmed and/or traumatised usually have **completely separate** parts, and will not AT ALL know they are living in such dissociation ... then there are those that are mildly dissociative, who are aware they have different parts.

In the early years as a counselling ministry, Kanaan Ministries came across those who were DID. At that time, there was very little information about DID or how to help these broken people. With a heart to help the hurting, Kanaan Ministries strived to learn more. As we learned, we put together as much material on DID as possible, in order to equip counsellors / therapists, and help the victims.

Kanaan Ministries continued to study in this field and keep up with the latest training / resources ... and in 2012, Amanda was introduced to a pastor from US and his ministry ... finally finding the missing keys in really being able to help and restore those suffering with DID/SRA!!

Although people were being helped with the training / study materials Kanaan Ministries had put together, Amanda felt there was just something missing that could really bring complete healing / integration, with greater impact and efficiency, in LESS time (instead of being caught up in all the mazes, layers, parts, and confusion that comes with DID/SRA).

With his years of hands-on experience and GOD-granted wisdom, Amanda has found that the pastor from US and his ministry has those missing pieces to complete the Kanaan training resources and really give counsellors / therapists (and the victims themselves), the PRACTICAL tools and principles for the healing journey.

As with all of our materials, we believe in properly-laid FOUNDATIONS, upon which more understanding / training can be added and properly / effectively used. As such, we encourage those wanting training in DID/SRA, to follow the recommended order. **Some of the resources can be freely downloaded**, as well as ordered from the office - most however must be ordered from the office.

NOTE!! We **strongly** recommend not only working through the manuals, but the DVD's as well, as the DVD's have so much more teaching and explanation from Amanda's presentation of the material.

- i) Start with the J2F series ... **especially J2F8 and J2F9**, where we introduce the foundational understandings of the brain, bonding and DID/SRA.
- ii) Follow-up with J2W, where in J2W3 we specifically addressed DID/SRA and childhood wounds.
- iii) From there, work through our advanced training materials as well as our 5-DVD teaching series on DID/SRA.
- iv) Be sure to get our prayer books that deal specifically with DID/SRA.
- v) Be sure to get the 2014 resources on DID/SRA ... this really is KEY!! As well as the add ons.

Additional DID/SRA Resources includes:

- ◆ Step-by-Step DID Manual
- ◆ Tom Hawkins: A New Approach To DID
- ◆ The ABC's of DID For Pastors And Leaders
- ◆ Check out our YouTube videos below ...

<https://www.youtube.com/user/KanaanMinistriesSA/videos>

We trust these materials WILL be a great help to all those working in this field — and especially the victims ... that FULL healing, restoration, and integration may come, by the POWER and LOVE of our ABBA FATHER!!

DID/SRA Advanced Training March 2014

Since a pastor from US and his team came to South Africa in 2012, Amanda has continued to learn from him and his way of DID/SRA ministry ... even spending time with him and his team for more training. The NEW advanced training series is based on what Amanda has learnt since 2012 ... principles and ministry training that has opened up so much more understanding, saved so much time in counselling, and has brought greater WHOLENESS to those struggling with DID/SRA.

The new DVD series focuses on the PRACTICAL application (the "HOW TO") by looking at how to apply foundational ministry PRINCIPLES, because as we know, each person is unique and has their own history.

Some of the topics covered in the DVD's include:

- ✓ The importance of bonding, and how trauma bonding is used in DID/SRA programming (with a word on Dr. John Bowlby).
